Southern Illinois University
Bulletin

Schedule of Classes, Spring Quarter, 1968
Carbondale Campus

Schedule of Classes

Spring, 1968

Carbondale Campus

SOUTHERN ILLINOIS UNIVERSITY BULLETIN
Volume 10 Number 1 January, 1968
Second-class postage paid at Carbondale, Illinois 62901.
Published by Southern Illinois University, Carbondale,
Illinois 62901, monthly except March and April, when
published semi-monthly.

Calendar of Events, 1967-1968

This calendar contains all of the dates and events within the official University Calendar. It also lists certain test dates and a few other all-university events which are related to the academic program.

January

- 2, Tuesday. New Student Day. Winter quarter begins. Evening classes (5:45 P.M. or later) begin.
- 3, Wednesday. Day classes begin.
- 5, Friday. Registration closes for the Graduate Record Examination to be held January 20.
- 19, Friday. Registration closes for the Admission Test for graduate study in business to be held February 3, 1968.
- 20, Saturday. * Graduate Record Examination—8:00 A.M. to 5:00 P.M.
- 26, Friday. Registration closes for the Law School Admission Test to be held February 10, 1968.
- 27, Saturday. Deadline for application for admission to Graduate School to be considered as a degree candidate for Spring quarter.

February

- 1, Thursday. Deadline for Graduate Fellowship application for the academic year 1967-1968.
- 3, Saturday. Admission Test for graduate study in business, 8:00 A.M.-1:00 P.M.
- 10, Saturday. Law School Admission Test, 8:00 A.M.-5:00 P.M.
- 10, Saturday. Foreign Language Examination—10:00 A.M. to 12 Noon, Wheeler Hall.
- 17, Saturday. * American College Testing Program—8:00 A.M. to 1:00 P.M.

March

- 8, Friday. Registration closes for the MLA Foreign Language Proficiency Tests to be held March 30, 1968.
- 11, Monday. Winter quarter final examinations begin.
- 16, Saturday. Winter quarter final examination end.
- 22, Friday. Registration closes for the Admission Test for graduate study in business to be held April 6, 1968.
- 22, Friday. Registration closes for the Law School Admission Test to be held April 6, 1968.
- 22, Friday. Registration closes for the National Teacher Examinations to be held April 6, 1968.
- 25, Monday. New Student Day. Spring quarter begins. Evening classes (5:45 P.M. or later) begin.

- 26, Tuesday. Day classes begin.
- 30, Saturday. Deadline for application for admission to Graduate School to be considered a degree candidate for Summer quarter.
- 30, Saturday. MLA Foreign Language Proficiency Tests, 8:00 A.M.-4:00 P.M.

April

- 6, Saturday. Admission Test for graduate study in business, 8:00 A.M.-1:00 P.M.
- 6, Saturday. Law School Admission Test, 8:00 A.M.-5:00 P.M.
- 6, Saturday. National Teacher Examinations, 8:00 A.M.-5:00 P.M.
- 12, Friday. Registration closes for the Graduate Record Examination to be held April 27.
- 12, Friday. Registration closes for the Dental Aptitude Test to be held April 27.
- 26, Friday. Registration closes for the MLA Foreign Language Proficiency Tests to be held May 18, 1968.
- 27, Saturday. * Graduate Record Examination—8:00 A.M. to 5:00 P.M.
- 27, Saturday. * Dental Aptitude Test—8:00 A.M. to 5:00 P.M.

May

- 4, Saturday. Deadline to file Application for June graduation.
- 11, Saturday. Foreign Language Examination. 10:00 A.M. to 12 Noon. Wheeler Hall.
- 11, Saturday. * American College Testing Program—8:00 A.M. to 1:00 P.M.
- 18, Saturday. MLA Foreign Language Proficiency Tests, 8:00 A.M.-4:00 P.M.
- 18, Saturday. Last day to submit theses and dissertations to the Graduate School for approval in order to be graduated in June.
- 30, Thursday. Memorial Day Holiday.

June

- 3, Monday. Spring Quarter final examinations begin.
- 8, Saturday. Spring Quarter final examinations end.

* Pre-registration is required. For details contact the Testing Center.

This Bulletin

contains the schedule of classes to be offered by the Carbondale Campus for the spring quarter, 1968, at Carbondale, Southern Acres, and Little Grassy Lake. It also provides information relative to admission, advisement, registration, and fees. It supersedes the spring class schedule section of *Southern Illinois University Bulletin*, Volume 9, Number 6.

Registration Calendar

Spring, 1968

January 16–March 8. Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by March 8.*

January 16–March 8 and March 25–30. Registration period for graduate students.

March 13. Undergraduate students will have their advance registrations cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

March 25. Spring quarter begins. Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date.* Any exceptions will involve late registration fee charges. Night classes (5:45 P.M. or later) begin.

March 26 & 27. Day classes begin on March 26. Program change processing only.

March 28. Late registration begins for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

March 30. Registration for the spring quarter ends for both graduate and undergraduate students. This also includes the registration into new courses or the changing of sections through the program change process.

April 5. Deadline for payment of fees by students whose fees were deferred. Graduate students will be cancelled if fees are not paid by 4:00 P.M.

April 6. Last day to officially withdraw from school to be eligible for a refund of fees.

April 20. Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

May 22. Last day for making a program change or withdrawing from school except under exceptional conditions.

General Information

1

This bulletin contains the schedule of classes for the winter quarter, 1968, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

ADMISSION

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Deadlines for admission application can be found in the Calendar of Events on the preceding pages. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

REGISTRATION & ADVISEMENT

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Sectioning Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Sectioning Center.

After advisement the student may register for classes. The registration calendar begins on page iv. Ordinarily registration offices are open from 8:00 to 12:00 noon and 1:00 to 5:00 P.M., Monday through Friday, and from 8:30 to 12:00 noon on Saturday.

During the registration process the student goes through the Sectioning Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admission Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Sectioning Center.

CURRENT STUDENTS, CARBONDALE CAMPUS

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Sectioning Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent informa-

tion about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

PAYMENT OF FEES

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier to simply mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Financial Assistance Office. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1968 spring quarter this is March 13.

FEES FOR A REGULAR QUARTER

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Beginning winter quarter, 1968, Illinois undergraduate students pay the following fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State ..	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
<i>Total—Illinois Resident</i>	<i>\$30.50</i>	<i>\$56.00</i>	<i>\$80.50</i>
<i>Total—Out of State</i>			
Resident	(46.50)	(143.00)	(210.50)

Students who register for a course for "Audit" or for a non-credit course will be assessed fees according to the imputed hours of that course. "Imputed hours" is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship

holders, faculty, and staff, will pay fees according to their particular status.

REGISTERING FOR ONLY NIGHT AND/OR SATURDAY CLASSES

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

LATE REGISTRATION

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

AUDITING OF COURSES

Students may register for courses in an "audit" status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

PROGRAM CHANGES

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. Initiating the change.
Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Sectioning Center without the necessity of securing adviser approval.
2. Sectioning.
Students must take the program change form to the Sectioning Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar's Office and then returned to the Sectioning Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

DROPPING A COURSE

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an under-

graduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

CHANGING FEE STATUS

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar beginning on page ii.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking

the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office, Building A, Washington Square.
2. Name Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment Center, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

Schedule of Classes

2

LISTING OF COURSES

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

COURSE NUMBERS AND HOURS

The column containing this information shows the number of the course first, followed by the number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

The number appearing after the dash denotes the hours of credit for the course. In some cases there may be more than one number following the course number such as 599-2 to 5. This represents a variable-hour course in which the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

- 000-099 Course not properly in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

PREREQUISITE

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the undergraduate catalog or the graduate catalog.

SECTION NUMBER, TIME, AND DAYS

The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to

be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and will be opened for registration only if staff is available.

BUILDING AND ROOM NUMBER

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by the letter *T* or *H* followed by a number.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
A:	Allyn Building	Office:	Office of the department
Abbott:	Abbott Hall (T.P.)	P:	Parkinson Building
Ag:	Agriculture Building	Pierce:	Pierce Hall (T.P.)
Alg:	Altgeld Hall	PKP-S:	Park Place, South
Arena:	SIU Arena	Pool:	University Swimming Pool
Aud:	Shryock Auditorium	Pull:	Pulliam Hall (University School)
Bailey:	Bailey Hall (T.P.)	PullII:	Pulliam Hall (Industrial Education Wing)
BLD 56:	Physical Plant	Stables:	Stables at Little Grassy Lake
Bowling Alley (in University Center)		Stad:	McAndrew Stadium
Brown:	Brown Hall (T.P.)	T:	Temporary Building
Browne:	Browne Auditorium	Tech:	Technology
Cl:	General Classroom Building	Tennis:	Tennis Courts
Comm:	Communications Building	UCTR:	University Center
Felts:	Felts Hall (T.P.)	VTI:	Vocational-Technical Institute (Southern Acres)
Gym:	Gymnasium	Warren:	Warren Hall (T.P.)
H:	Temporary Building	Wh:	Wheeler Hall
HEc:	Home Economics Building	Wham:	Wham Education Building
L:	Lawson Hall		
Lake:	Lake on the Campus		
Lib:	Morris Library		
LG:	Little Grassy Lake		
LS:	Life Science Building		
M:	Old Main		

If a building contains more than one classroom, then the number of the room follows the building's code name. For example, "T32 111" means room 111 in building T32.

EXPLANATION OF ENTRIES

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. A dotted line separates the title from the prerequisite, which appears at the right-hand end of the first line and sometimes continues to the second line.

Second Line: Special registration information, explanations, or any other remarks about the course appear on the second line. Sometimes the second line is not used.

Section-Number Lines: The first column lists section numbers for courses offered spring quarter. Following each section number are the time the class begins and the time it ends. The ending time for a class is indicated only when it exceeds the normal 50 minute period. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

¹ Art 300, Section 3, reserved for Department of Recreation and Outdoor Education Block Program.				
300-4	Art Education for Elementary Teachers [300b]			
1	3:00-5:50	ThF	Pull I 105	Lawson
302-4 to 12	Pottery			
1	1:00-3:50	T Th	A 5	Vergette
2	9:00-11:50	T Th	A 5	Vergette
306-3	Materials and Techniques in Art Education			
1	10:00-11:50	M W	Pull I 105	Barquist
307-3	Theory and Philosophy in Art Education			
1	9:00	M W F	Pull I 105	Abrahamson
308-3	Curriculum and Administration in Art Education			
1	2:00	M W F	Pull I 105	Abrahamson
320-2 to 12	Oil Painting Technique			
1	6:00-8:50	T Th		
325-2 to 15	Studio			
1	10:00-11:50	M W F	A 210	Bernstein
332-4 to 12	Jewelry and Silversmithing			
1	8:00-9:50	M W F	A 11	Kington
2	11:00-12:50	M W F	A 11	Kington
341-2 to 4	Drawing [100 or 200 or consent of instructor]			
1	7:00-9:00 pm	M W	A 202	Fink
	10:00-11:50	M	A 202	Fink
358-4	Prints [100 or 200 or consent of instructor]			
1	6:00-9:00 pm	M W	A 16	Fink
	11:00	M	A 202	Fink
365-4	Art Education in the Secondary Schools			
1	3:00-5:50	M W	Pull I 105b	Ferris
385-2 to 12	Weaving			
1	1:00-3:50	T Th	801 South Washington	Ginsberg
2	6:00-9:00 pm	T Th	801 South Washington	Ginsberg
393-4 to 12	Sculpture [100 or 200 or consent of instructor]			
1	1:00-3:50	T Th	A 6	Sullivan
401-2 to 12	Research in Painting [200, 325]			
1	8:00-11:50	M W F	To be arranged	Breland, Harris, Bernstein
405-2 to 12	Studio in Sculpture [100, 200, or consent]			
1	1:00-3:50	T Th	A 6	Sullivan
408-4	Art Education for Elementary Teachers [300a]			
1	3:00-3:50	T Th	Pull I 105	Lawson
410-2 to 12	Research in Prints [358]			
1	6:00-9:00 pm	M W	A 16	Fink
	10:00-11:50	F	A 211	Fink
420-2 to 12	Research in Pottery [302]			
1	9:00-11:50	T Th	A 5	Vergette
430-2 to 12	Research in Metal Construction [332]			
1	1:00-3:50	M W F	A 11	Kington
440-2 to 12	Research in Weaving			
1	1:00-3:50	T Th	801 South Washington	Ginsberg
447c-3	The Art of the Ancient Romans			
1	9:00	M W F	To be arranged	Lyman
448c-3	Gothic Art			
1	10:00-11:50	T	M 202	Lyman
	10:00	Th	M 202	Lyman
449c-3	The Art of the 18th Century Europe			
1	9:00	T Th S	M 202	Gluhman
460-2 to 12	Research in Art Education			
1	1:00	M W F	Pull I 105	Abrahamson
482c-3	Seminar in Renaissance Art [12 hrs]			
1	2:00-3:50	T	M 202	Magnus
	2:00	Th	M 202	Magnus
483-3 to 12	Research in Art History			
1	To be arranged			
501-2 to 12	Seminar in Painting [401, 406, consent]			
1	10:00-11:50	T	To be arranged	Breland
504-2 to 12	Research in Sculpture [443, 405 consent]			
1	To be arranged		A 6	Sullivan
511-2 to 12	Seminar in Printmaking [410, 416, or consent]			
1	6:00-9:00 pm	WTh	A 16	Fink
	10:00-11:50	F	To be arranged	

520-2 to 12 Seminar in Pottery [420 or 426]
 1 1:00-3:50 M W A 5 Vergette
 530-2 to 12 Seminar in Metal Construction [430 or 436]
 1 1:00-3:50 M W F A 11 Kington
 540-2 to 12 Seminar in Weaving [440 or 446]
 1 1:00-3:50 T Th 801 South Washington
 Ginsberg
 566-2 to 12 Research in Art Education
 1 To be arranged Pull I 105 Abrahamson
 571-2 to 12 Readings in Art History
 1 To be arranged
 573-2 to 12 Problems in Art History
 1 To be arranged
 599-5 to 9 Thesis
 1 To be arranged

B O T A N Y (BOT)
 300-3 Morphology of Non-Vascular Plants [GSA 201b]
 1 9:00 M F LS 323 Kaiser
 8:00-9:50 T LS 307
 2 9:00 M F LS 323 Kaiser
 8:00-9:50 W LS 307
 301-3 Morphology of Vascular Plants [GSA 201b]
 1 1:00 M Th LS 323 Matten
 1:00-2:50 T LS 307
 2 1:00 M Th LS 323 Matten
 1:00-2:50 W LS 307
 308-5 Taxonomy of Cultivated Plants [GSA 201b]
 1 10:00-11:50 M W F LS 307 Marberry
 320-5¹ Elements of Plant Physiology [GSA 201b]
 1 8:00 M W F LS 323 Schmid
 8:00-9:50 T Th LS 311 Schmid
 2 8:00 M W F LS 323 Schmid
 10:00-11:50 T Th LS 311 Schmid
 341-3 Autecology [GSA 201b]
 1 10:00 T F LS 323 Ashby
 10:00-11:50 Th LS 307 Ashby
 To be arranged S Ashby
 390-2 to 4 Readings in Botany
 1 To be arranged
 391-2 to 4 Special Problems in Botany
 1 To be arranged
 404-5 Algae [Bot 300]
 1 9:00 M W F LS 315 Tindall
 8:00-9:50 T Th LS 315 Tindall
 414-5 Paleobotany
 [Bot 400, 301, or consent of department]
 1 10:00 M W F LS 315
 10:00-11:50 T Th LS 313
 420-4 Physiology of Fungi [Consent of department]
 1 1:00 M W LS 315 Gray
 1:00-2:50 T Th LS 315 Gray
 425c-5 Advanced Plant Physiology [Bot 320, Chem 350]
 1 2:00 M LS 323 Schmid
 1:00 TW LS 323 Schmid
 2:00-3:50 T Th LS 311 Schmid
 440-4 Ecology of Grasses and Grasslands
 [GSA 340 or consent]
 1 8:00 T Th LS 323 Voigt
 To be arranged S LS 307 Voigt
 445-5 Ecology of Forests [GSA 340]
 1 2:00 T Th LS 323 Ashby
 To be arranged S LS 315 Ashby
 449-3 Elements of Taxonomy
 [GSA 309 or Bot 313 or consent of department]
 1 3:00 T LS 323 Ugent
 1:00-4:50 Th LS 308 Ugent
 457-4 Forest Pathology
 [Bot 456 or consent of department]
 1 3:00 M Th LS 323 Pappelis
 3:00-4:50 T F LS 315 Pappelis
 510-43 Bioecology [Consent of department]
 1 8:00 T Th LS 204 Lefebvre
 8:00-11:50 S LS 209 Lefebvre
 526-5 Cytogenetics
 [Botany 315 or consent of department]
 1 11:00 M W F LS 323 Olah
 10:00-11:50 T Th LS 315 Olah
 543-5 Experimental Ecology
 [Botany 320, GSA 340, or consent of department]

1 3:00-4:50 M F LS 307 Ashby
 4:00 W LS 307 Ashby
 3:00-4:50 T Th LS 307 Ashby
 570-2 to 5 Readings [Botany major]
 1 To be arranged
 580-1 Seminar [Consent of department, Pathology
 student, Taxonomy student]
 1 3:00 W
 2 To be arranged Pappelis
 3 To be arranged Mohlenbrock
 590-2 Introduction to Research [Pathology student,
 Taxonomy student, Botany major]
 1 To be arranged Pappelis
 2 To be arranged Mohlenbrock
 3 To be arranged
 591-1 to 9 Research [Consent of advisory committee]
 1 To be arranged
 599-1 to 9 Thesis [Consent of advisory committee]
 1 To be arranged
 600-1 to 18 Dissertation [Consent of advisory committee]
 1 To be arranged
¹Cross-listed with Plant Industries.
²Same as Plant Industries 406.
³Cross-listed with Geology.

B U S I N E S S A D M I N I S T R A T I O N (BA)
 500-4 Research Methods and Communications
 [MBA student or consent of instructor]
 1 1:00-2:50 M W Comm 112 Lock
 513-4 Certified Public Accountant and Advanced
 Accounting Problems [MBA student or consent of
 instructor]
 1 10:00-11:50 T F Cl 25 Richards
 514-4 Controllership
 [MBA student or consent of instructor]
 1 10:00-11:50 M Th Cl 25 Schmidlein
 526-4 Managerial Economics
 [MBA student or consent of instructor]
 1 3:00-4:50 Th Ag 170 Hancock
 3:00-4:50 M Ag 146
 539-4 Seminar in Finance
 [MBA student or consent of instructor]
 1 5:45-7:25 pm M W Cl 25 Winn
 540-4 Managerial and Organizational Behavior
 [MBA student or consent of instructor]
 1 1:00-2:50 T Comm 112 Hunt
 1:00-2:50 F Ag 168
 541-4 Operations Analysis and Systems Control
 [MBA student or consent of instructor]
 1 5:45-7:25 pm T Th Ag 224 Siemens
 553-4 Transportation Management
 [MBA student or consent of instructor]
 1 3:00-4:50 W F Ag 170 Hansen
 559-4 Seminar in Marketing
 [MBA student or consent of instructor]
 1 5:45-7:25 pm M W Cl 326 Mertes
 580-4 International Business Operations
 [MBA student or consent of instructor]
 1 8:00 TWThF Cl 25
 590-4 Independent Study
 [MBA student or consent of instructor]
 1 To be arranged Hindersman
 598-4 Business Policies
 [MBA student or consent of instructor]
 1 10:00-11:50 F Cl 326 Hunt
 10:00-11:50 T M 308
 599-4 or 8 Thesis
 1 To be arranged Hindersman

599-3 to 9	Thesis			
1	To be arranged			

NOTE: All private lessons (Applied Music Courses) must be arranged with the instructor concerned on the first day of each quarter. Courses in private or class instruments will be offered to qualified non music majors after consultation with the chairman of the Department of Music. Students enrolled in private or class applied courses are expected to practice at least one hour per day. Air-conditioned practice rooms will be assigned on the first day of each quarter in Altgeld 103.

*Not offered at other levels.

 305-2 Physical Education for the Atypical Student
 [GSA 301, Phs1 300]
 1 10:00 T Th Arena 125 Greene
 317-1² Life Saving and Water Safety
 [Intermediate Swimming]
 1¹ 4:00 MTWTh Pulliam Pool
 330b-2 Theory of Football Coaching [100g]
 T1 10:00 M W Arena 125 Rainsberger
 331e-2 Theory of Tennis Coaching [100c]
 1 1:00 M W Arena 123 LeFevre
 341-3 Principles of Physical Education
 [Senior standing GSA 301]
 1 11:00 M W F Arena 125 Good
 350-3 Methods and Materials of Teaching Physical
 Education in Elementary School
 1 1:00 MTWTh Arena 125 Franklin
 354-3 Organization and Administration of Physical
 Education and Athletics [Senior standing]
 1 8:00 M W F Arena 125 Shea
 355-2 Assisting Techniques [Junior standing]
 1 7:00 M Arena 121 Holt
 355-2 Laboratory [Junior standing]
 1 To be arranged
 370-4² Tests and Measurements in Physical Education
 [GSA 301, Phs1 300]
 1 12:00 MTWTh Arena 123 Franklin
 376-3 Care and Prevention of Athletic Injuries
 [PEM 303 and Phs1 300]
 1 12:00 MTWTh Arena 125 Spackman
 420-4² Physiological Effects of Motor Activity (plus 4
 extra sessions) [GSA 301]
 1³ 2:00 MTWTh Arena 125 Weber
 475a-2 to 4² Individual Research--Dance
 1 To be arranged
 501-4² Curriculum in Physical Education
 1 7:00-9:30 pm M Gym 204 Davies
 503-4² Seminar in Physical Education
 1 7:00-9:30 pm Th Arena 125 Shea
 504-4² Problems in Physical Education [500]
 1 To be arranged
 508-3 Administration of Interschool Athletics
 1 7:00-9:30 pm T Arena 125 Stotlar
 525-1 to 5² Readings in Physical Education
 1 To be arranged
 599-6 to 9² Thesis
 1 To be arranged
 600-1 to 12² Dissertation
 1 To be arranged
¹Meets first nine weeks.
²Cross-listed with Physical Education for Women.
³Undergraduate only.
⁴Cross-listed with Theater.

PHYSICAL EDUCATION FOR WOMEN (PEW)

211-1¹ Intermediate Swimming [Pass swim test]
 1 2:00 M W F Pool
 228-1¹ Tennis
 1 10:00-11:15 T Th Gym 207 Potter
 2 2:00-3:15 M W Gym 207 Davidson
 230-2² Techniques of Ballet
 1 3:00 MTWThF Gym 206 Carpenter
 273-1 Dance Workshop (public performance required)

1 7:00-9:00 pm T Gym 208 Gray
 317-1² Life Saving [GSE 111b or equivalent]
 1³ 4:00 MTWTh Pulliam Pool
 378-1 Canoeing and Boating (fee required)
 [Pass swim test]
 1 10:00-11:30 W Lake Cooper
 Professional Physical Education
 303-5² Kinesiology [Phys 300]
 1 8:00 MTWThF Gym 204 Thorpe
 2 9:00 MTWThF Arena 125 Knowlton
 304e-2 Techniques of Teaching Softball and Tennis [228]
 1 10:00-11:15 W F Gym 207 Potter
 319-4 Teaching Elementary School Group Activities
 [Guid 305 or Psyc 301]
 1 11:00 MTWTh Gym 208 Puhl
 2 2:00 MTWTh Gym 208 Zimmerman
 3 4:00-5:40 T Th Gym 208 Zimmerman
 350-5 Materials and Methods in Elementary School
 1 1:00 MTWThF Gym 207 Stehr
 353-4 Organization and Administration of Physical
 Education [354]
 1 9:00 MTWTh Gym 204 Davies
 355-3 Techniques of Teaching Swimming
 [Pass intermediate swim]
 1 3:00 M W F Pool West
 370-4² Tests and Measurements in Physical Education
 1 12:00 MTWTh Arena 123
 374-1 Advanced Dance [222]
 1 12:00 T Th Gym 114 Stehr
 T379-1 Preclassic Dance [GSE 113b]
 1 2:00-3:50 T Th Gym 206
 416-4 Current Theories and Practices in the Teaching of
 Dance [Consent of instructor]
 1 1:00-2:50 M W Gym 206 Carpenter
 475-2 to 4² Individual Research
 1 To be arranged
 475a-2 to 4² Individual Research--Dance
 1 To be arranged
 475b-2 to 4² Individual Research--Kinesiology
 1 To be arranged
 475c-2 to 4² Individual Research--Measurement
 1 To be arranged
 475d-2 to 4² Individual Research--Motor Learning
 1 To be arranged
 475e-2 to 4² Individual Research--Physiology of Exercise
 1 To be arranged
 475f-2 to 4² Individual Research--History and Philosophy
 1 To be arranged
 501-4² Curriculum in Physical Education
 1 7:00-9:30 pm M Gym 204 Davies
 503-4² Seminar in Physical Education
 1 7:00-9:30 pm Th Arena 125 Shea
 504-4² Problems in Physical Education [500]
 1 To be arranged
 525-1 to 6² Readings in Physical Education
 1 To be arranged
 599-1 to 9² Thesis
 1 To be arranged
 600-1 to 12² Dissertation
 1 To be arranged
¹Majors in Women's Physical Education only.
²Cross-listed with Physical Education for Men.
³Meets first nine weeks only.

Spring Quarter, 1968

EDWARDSVILLE CAMPUS

Registration will be held in the Enrollment Office, 1302 Peck Classroom Building.

Jan. 17-Mar. 25 General Studies Advisement, by appointment (call General Studies Office).

Feb. 19-24 Registration, by appointment. Mon-
and Fri. 8:30-11:00 A.M., 1:00-4:00 P.M.;
Mar. 1-7 Sat. 8:30-11:00. Additional hours
Mar. 4-7, 4:00-7:00 P.M.

Mar. 8-13 Open registration. Mon-Fri. 8:30-
11:00 A.M. 1:00-4:00 P.M.; Sat. 8:30-
11:00 A.M. Additional hours Mar. 11-
13, 4:00-6:30 P.M.

Mar. 25 Central registration. 8:00 A.M.-7:00
P.M.

ALTON CENTER

Registration will be held in the Student Union.

Feb. 26-27 Open registration. 8:30-11:00 A.M.,
1:00-7:00 P.M.

Mar. 21 Central registration. 8:00 A.M.-7:00
P.M.

EAST ST. LOUIS CENTER

Registration will be held in ESL 103

Feb. 28-29 Open registration. 8:30-11:00 A.M.,
1:00-7:00 P.M.

Mar. 22 Central registration. 8:00 A.M.-7:00
P.M.

ALL LOCATIONS

Mar. 25 Evening classes (4:30 P.M. or later)
begin.

Mar. 26 Day classes begin.

Mar. 30 Last day to add a class.

April 6 Last day to be eligible for a refund of
fees.

April 20 Last day to withdraw from a class
without receiving a grade.

May 22 Last day to withdraw from school or a
class.

General Information

1

THIS BULLETIN contains the schedule of classes to be offered at the Edwardsville Campus and the Alton and East St. Louis centers for the spring quarter of the 1967-68 school year. It also provides information relative to advisement and registration, fees, and allied information.

The Edwardsville Campus provides a full schedule of class offerings for day and evening students. Freshman and sophomore courses are scheduled for day and evening students at the Alton and East St. Louis centers.

GUARANTEED CENTER SCHEDULES

A program of Guaranteed Schedules for the centers has been established. Certain courses and sections at the centers are guaranteed on schedules extending through the fall, winter, and spring quarters. These classes will not be cancelled; they are coordinated to offer a variety of full-time academic programs for the incoming freshman as a day student, and they permit efficient progress for the new freshman evening student.

Classes at the centers marked with a ★ in the schedule are part of this program. For details concerning the full year's schedules, see the separate brochure for each center.

ADMISSION

Inquiries concerning admission to Southern Illinois University should be directed to the Admissions Office at Edwardsville. Applications for admission are accepted at any time during the calendar year but should be initiated at least 30 days prior to the start of the quarter which the student plans to attend.

A student must be officially admitted to the University before registration for classes will be permitted. Students who have not completed the admission requirements by the first day of the quarter will not be permitted to register. A student, to be permitted to attend classes at Southern Illinois University, must have completed registration, which includes admission, advisement, sectioning, and payment of fees.

SOCIAL SECURITY NUMBER

Each student seeking admission to the University will

need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is at 1623 Washington Street; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment Office, 111 West Vandalia, provides social security information.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in October, December, February, May, and August. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The advisement system requires all new students to have initial advisement through the General Studies Advisement Office. These offices are maintained at each of the centers for the convenience of the student. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration area. Each student is required to declare a concentration upon achieving 96 hours of credit. Probationary students are also required to receive advisement prior to registration.

Graduate students, both classified and unclassified, must have their schedule approved at the Graduate Office before registering.

Students with a declared major in the Business or

Education Divisions must receive advisement from the Division office prior to registering.

All students should arrange to have advisement early to be sure their schedules will be approved before their registration.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illinois University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Students may register at Edwardsville for classes at any location (see Edwardsville Registration Calendar, p. iv). Students wishing classes at the Alton or East St. Louis Centers, or at a Center and at Edwardsville, may register at that Center during the periods listed on the applicable Registration Calendar. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

During the registration process the student goes to the enrollment office where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admissions.

Dates for new undergraduate students, freshmen and transfer, will be selective ones in which the students are asked to come to the campus on specific registration dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted. Appointments for registration will be mailed from the Registrar's Office.

New graduate students after advisement may register during the registration period from February 19 through March 13 and March 21 through March 25. Arrangements should be cleared with the Graduate School to assure that the appropriate adviser will be available before coming to the campus.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to register

during the periods outlined in the Registration Calendar. Readmission procedures must be completed prior to registration.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

For admittance to registration students previously enrolled must present their Southern Illinois University ID cards. No one will be permitted to register without an ID card. Each student currently registered in the University will be continued in his present course of study unless a change of concentration is made. A change of concentration is initiated with the chief academic adviser. The change should be made at the time of advisement; the registrar's copy of the change form should accompany the student's registration. A change of concentration made after a registration has been processed will not be reflected in the student's record until the next registration.

Upperclass students who have declared a concentration and who are currently registered in the University may be self-advised for registration purposes. This does not apply to Business Division or Education Division students. Academic advisement is available and is very desirable. The student should prepare his desired program of classes at each registration period and process through the sectioning area of the enrollment office in accordance with the time of his appointment in order to best achieve the desired schedule of classes and time periods.

CURRENT STUDENTS, CARBONDALE CAMPUS

A student currently enrolled in and attending classes on the Carbondale Campus who desires to register on the Edwardsville Campus will initiate his registration at the sectioning area of the enrollment center in Edwardsville in accordance with the registration calendar except that he may register on the first day of the quarter. Each student will complete the intra-university transfer data form to secure information necessary for the Edwardsville data processing center preparation of registration materials. The student who registers on the first day of the quarter should present his most recent grade report to confirm scholastic eligibility to register.

For the purpose of advisement, the student may wish to have a copy of his transcript sent to the Edwardsville Campus prior to registration.

PAYMENT OF FEES

All fees are payable at the time of registration. Upon payment of fees, the fee statement and receipt card will be stamped by the Business Office and returned to the student as a fee receipt. The card should be carried at all times. It serves as official authorization to attend classes as scheduled and must be presented to obtain books and activity cards and to process program changes.

Students unable to pay fees at the time of registration

may secure short-term loans from the Student Work and Financial Assistance Office. This must be done before registering.

FEES FOR A REGULAR QUARTER

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and			
Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Total—Illinois Resident	\$30.50	\$56.00	\$80.50
Total—Out of State			
Resident	(46.50)	(143.00)	(210.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

LATE REGISTRATION FEE

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

ACADEMIC LOAD

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours to qualify for a student deferment. There is a

further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10 to 14 hrs.	9 to 12 hrs.
$\frac{1}{2}$ benefits	7 to 10 hrs.	6 to 9 hrs.

PREREQUISITES

Students are responsible for checking course prerequisites in the undergraduate and graduate catalogs and in this class schedule. Those who do not have specific prerequisites for a course may register for it only if they have had a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is to determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A student desiring to make a program change must secure approval of his adviser. He will then go to the Enrollment Center. (A student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure. (1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for pay-

ment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. NO CHANGE IS OFFICIAL UNTIL THE PRECEDING PROCEDURE IS COMPLETED.

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty.

CHANGING FEE STATUS

Students making program changes which result in their changing from one fee status to a higher fee status will be assessed additional tuition and fees. Students changing from a higher fee status to a lower fee status may apply for a refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendars on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

A registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons

if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

Changes in personal data should be reported promptly. Types of change and method of reporting are:

1. ADDRESS CHANGES. Should be reported immediately either at the time of registration or at the Enrollment Office.
2. NAME CHANGES. Should be made at the Enrollment Office. Verification is required.
3. MARITAL STATUS CHANGES. Should be made at the Enrollment Office.
4. LEGAL RESIDENCE CHANGES (whether an Illinois or out-of-state resident.) Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Students enrolling in the spring quarter who desire the insurance will be required to join the plan for both the spring and summer quarters at a total cost of \$11.20 for single and \$29.40 for family plan. Coverage will continue throughout the summer quarter period whether or not the student is enrolled in school. This insurance is available at the time of registration.

Schedule of Classes

2

Except for the Guaranteed Center Schedules, the University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Courses are listed numerically within each subject-matter area. The entry for each course is arranged as follows:

Bold-Face Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. Following the title, a dotted line separates the title from the prerequisite, if any, which appears at the right-hand end of the line and may continue to the second line.

Light-Face Lines: The first column lists the section numbers (first digit always 0) for classes offered at Edwardsville; the second lists sections (first digit always 2) for classes offered at Alton; the third lists sections (first digit always 4) offered at East St. Louis. Following each section number are the time the class begins (between 7:00 A.M. and 4:20 P.M. for daytime classes) and the time it ends. The section number of each evening class has the letter E prefixed. A ★ indicates a section which is part of the Guaranteed Center Schedule and is not subject to cancellation. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

000-099 Courses not properly falling in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the dean of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

Registration Calendars

Spring Quarter, 1968

EDWARDSVILLE CAMPUS

Registration will be held in the Enrollment Office, 1302 Peck Classroom Building.

Jan. 17-Mar. 25 General Studies Advisement, by appointment (call General Studies Office).

Feb. 19-24 Registration, by appointment. Mon-
and Fri. 8:30-11:00 A.M., 1:00-4:00 P.M.;
Mar. 1-7 Sat. 8:30-11:00. Additional hours
Mar. 4-7, 4:00-7:00 P.M.

Mar. 8-13 Open registration. Mon-Fri. 8:30-
11:00 A.M. 1:00-4:00 P.M.; Sat. 8:30-
11:00 A.M. Additional hours Mar. 11-
13, 4:00-6:30 P.M.

Mar. 25 Central registration. 8:00 A.M.-7:00
P.M.

ALTON CENTER

Registration will be held in the Student Union.

Feb. 26-27 Open registration. 8:30-11:00 A.M.,
1:00-7:00 P.M.

Mar. 21 Central registration. 8:00 A.M.-7:00
P.M.

EAST ST. LOUIS CENTER

Registration will be held in ESL 103

Feb. 28-29 Open registration. 8:30-11:00 A.M.,
1:00-7:00 P.M.

Mar. 22 Central registration. 8:00 A.M.-7:00
P.M.

ALL LOCATIONS

Mar. 25 Evening classes (4:30 P.M. or later)
begin.

Mar. 26 Day classes begin.

Mar. 30 Last day to add a class.

April 6 Last day to be eligible for a refund of
fees.

April 20 Last day to withdraw from a class
without receiving a grade.

May 22 Last day to withdraw from school or a
class.

General Information

1

THIS BULLETIN contains the schedule of classes to be offered at the Edwardsville Campus and the Alton and East St. Louis centers in the late afternoon, evening, or on Saturday for the spring quarter of the 1967-68 school year. It also provides information relative to advisement and registration, fees, and allied information.

The Edwardsville Campus provides a full schedule of class offerings for day and evening students. Freshman and sophomore courses are scheduled for day and evening students at the Alton and East St. Louis centers.

GUARANTEED CENTER SCHEDULES

A program of Guaranteed Schedules for the centers has been established. Certain courses and sections at the centers are guaranteed on schedules extending through the fall, winter, and spring quarters. These classes will not be cancelled; they are coordinated to offer a variety of full-time academic programs for the incoming freshman as a day student, and they permit efficient progress for the new freshman evening student.

Classes at the centers marked with a ★ in the schedule are part of this program. For details concerning the full year's schedules, see the separate brochure for each center.

ADMISSION

Inquiries concerning admission to Southern Illinois University should be directed to the Admissions Office at Edwardsville. Applications for admission are accepted at any time during the calendar year but should be initiated at least 30 days prior to the start of the quarter which the student plans to attend.

A student must be officially admitted to the University before registration for classes will be permitted. Students who have not completed the admission requirements by the first day of the quarter will not be permitted to register. A student, to be permitted to attend classes at Southern Illinois University, must have completed registration, which includes admission, advisement, sectioning, and payment of fees.

SOCIAL SECURITY NUMBER

Each student seeking admission to the University will

need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is at 1623 Washington Street; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment Office, 111 West Vandalia, provides social security information.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in October, December, February, May, and August. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The advisement system requires all new students to have initial advisement through the General Studies Advisement Office. These offices are maintained at each of the centers for the convenience of the student. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration area. Each student is required to declare a concentration upon achieving 96 hours of credit. Probationary students are also required to receive advisement prior to registration.

Graduate students, both classified and unclassified, must have their schedule approved at the Graduate Office before registering.

Students with a declared major in the Business or

Education Divisions must receive advisement from the Division office prior to registering.

All students should arrange to have advisement early to be sure their schedules will be approved before their registration.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illinois University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Students may register at Edwardsville for classes at any location (see Edwardsville Registration Calendar, p. iv). Students wishing classes at the Alton or East St. Louis Centers, or at a Center and at Edwardsville, may register at that Center during the periods listed on the applicable Registration Calendar. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

During the registration process the student goes to the enrollment office where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admissions.

Dates for new undergraduate students, freshmen and transfer, will be selective ones in which the students are asked to come to the campus on specific registration dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted. Appointments for registration will be mailed from the Registrar's Office.

New graduate students after advisement may register during the registration period from February 19 through March 13 and March 21 through March 25. Arrangements should be cleared with the Graduate School to assure that the appropriate adviser will be available before coming to the campus.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to register

during the periods outlined in the Registration Calendar. Readmission procedures must be completed prior to registration.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

For admittance to registration students previously enrolled must present their Southern Illinois University ID cards. No one will be permitted to register without an ID card. Each student currently registered in the University will be continued in his present course of study unless a change of concentration is made. A change of concentration is initiated with the chief academic adviser. The change should be made at the time of advisement; the registrar's copy of the change form should accompany the student's registration. A change of concentration made after a registration has been processed will not be reflected in the student's record until the next registration.

Upperclass students who have declared a concentration and who are currently registered in the University may be self-advised for registration purposes. This does not apply to Business Division or Education Division students. Academic advisement is available and is very desirable. The student should prepare his desired program of classes at each registration period and process through the sectioning area of the enrollment office in accordance with the time of his appointment in order to best achieve the desired schedule of classes and time periods.

CURRENT STUDENTS, CARBONDALE CAMPUS

A student currently enrolled in and attending classes on the Carbondale Campus who desires to register on the Edwardsville Campus will initiate his registration at the sectioning area of the enrollment center in Edwardsville in accordance with the registration calendar except that he may register on the first day of the quarter. Each student will complete the intra-university transfer data form to secure information necessary for the Edwardsville data processing center preparation of registration materials. The student who registers on the first day of the quarter should present his most recent grade report to confirm scholastic eligibility to register.

For the purpose of advisement, the student may wish to have a copy of his transcript sent to the Edwardsville Campus prior to registration.

PAYMENT OF FEES

All fees are payable at the time of registration. Upon payment of fees, the fee statement and receipt card will be stamped by the Business Office and returned to the student as a fee receipt. The card should be carried at all times. It serves as official authorization to attend classes as scheduled and must be presented to obtain books and activity cards and to process program changes.

Students unable to pay fees at the time of registration

may secure short-term loans from the Student Work and Financial Assistance Office. This must be done before registering.

F E E S F O R A R E G U L A R Q U A R T E R

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Total—Illinois Resident	\$30.50	\$56.00	\$80.50
Total—Out of State			
Resident	(46.50)	(143.00)	(210.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

L A T E R E G I S T R A T I O N F E E

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

A C A D E M I C L O A D

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours to qualify for a student deferment. There is a

further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10 to 14 hrs.	9 to 12 hrs.
$\frac{1}{2}$ benefits	7 to 10 hrs.	6 to 9 hrs.

PREREQUISITES

Students are responsible for checking course prerequisites in the undergraduate and graduate catalogs and in this class schedule. Those who do not have specific prerequisites for a course may register for it only if they have had a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is to determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A student desiring to make a program change must secure approval of his adviser. He will then go to the Enrollment Center. (A student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure. (1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for pay-

ment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. NO CHANGE IS OFFICIAL UNTIL THE PRECEDING PROCEDURE IS COMPLETED.

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty.

CHANGING FEE STATUS

Students making program changes which result in their changing from one fee status to a higher fee status will be assessed additional tuition and fees. Students changing from a higher fee status to a lower fee status may apply for a refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendars on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

A registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons

if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

Changes in personal data should be reported promptly. Types of change and method of reporting are:

1. ADDRESS CHANGES. Should be reported immediately either at the time of registration or at the Enrollment Office.
2. NAME CHANGES. Should be made at the Enrollment Office. Verification is required.
3. MARITAL STATUS CHANGES. Should be made at the Enrollment Office.
4. LEGAL RESIDENCE CHANGES (whether an Illinois or out-of-state resident.) Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Students enrolling in the spring quarter who desire the insurance will be required to join the plan for both the spring and summer quarters at a total cost of \$11.20 for single and \$29.40 for family plan. Coverage will continue throughout the summer quarter period whether or not the student is enrolled in school. This insurance is available at the time of registration.

Schedule of Classes

2

Except for the Guaranteed Center Schedules, the University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Courses are listed numerically within each subject-matter area. The entry for each course is arranged as follows:

Bold-Face Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. Following the title, a dotted line separates the title from the prerequisite, if any, which appears at the right-hand end of the line and may continue to the second line.

Light-Face Lines: The first column lists the section numbers (first digit always 0) for classes offered at Edwardsville; the second lists sections (first digit always 2) for classes offered at Alton; the third lists sections (first digit always 4) offered at East St. Louis. Following each section number are the time the class begins (between 7:00 A.M. and 4:20 P.M. for daytime classes) and the time it ends. The section number of each evening class has the letter E prefixed. A ★ indicates a section which is part of the Guaranteed Center Schedule and is not subject to cancellation. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

- 000-099 Courses not properly falling in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the dean of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

ANA	—Annex A—Alton
CB	—Communications Bldg.—Edwardsville
ESL	—East St. Louis Center
Gym	—Gymnasium—Alton
HUM	—Humanities Building—Alton

Registration Calendar, Summer, 1968

April 11–May 31.

Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by May 31.*

April 11–June 22.

Registration period for graduate students.

June 5.

Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

June 17.

Summer quarter begins. Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date, except those registering for short courses that begin after June 17. They may register on the first day of the class without a late fee payment.* Any other exceptions will involve late registration fee charges. Night class (5:45 P.M. or later) begin.

June 18–19.

Program change processing only. Day classes begin on June 18.

June 20.

Late registration begins for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

June 22.

Registration for the Summer quarter ends for both graduate and undergraduate students, except for short courses starting after this date. This also includes the registration into new courses or the changing of sections through the program change process.

June 28.

Deadline for payment of fees by students whose fees were deferred. Graduate students will be cancelled if fees are not paid by 4:00 P.M.

June 29.

Last day to officially withdraw from school to be eligible for a refund of fees.

July 6.

Last day for undergraduates to officially withdraw from an eight week course without receiving an evaluation grade. Graduate students officially dropping a course after this date need not be given an evaluation grade. Last day to change from credit to audit or vice versa in an eight week course for all students.

July 13.

Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

August 16.

Last day for making a program change or withdrawing from school except under exceptional circumstances.

Calendar of Events

June

- 8, Saturday. American College Testing Program (Residual) 8:00-1:00
- 10, Monday. International Student Testing, 1:00-5:30
- 12, Wednesday. International Student Testing, 8:00-12:30
- 14, Friday. Registration closes for National Teacher Examinations to be held July 6, 1968
- 17, Monday. Summer quarter begins (Classes begin 5:45 P.M. or later)
- 18, Tuesday. Registration closes for the Graduate Record Examination to be held July 13, 1968
- 29, Saturday. Registration closes for the Admission Test for Graduate Study in Business to be held July 13, 1968
- 29, Saturday. Graduate English Test (English speaking students), 1:00-3:00
- 29, Saturday. Graduate English Test (International students), 1:00-3:00

July

- 4, Thursday. Independence Day Holiday
- 6, Saturday. National Teacher Examinations (Registration closes June 14), 8:00-5:00
- 13, Saturday. Admission Test for Graduate Study in Business (Registration closed June 29, 1968), 8:00-1:00
- 13, Saturday. Graduate Record Examination (Registration closed June 18, 1968), 8:00-5:00
- 13, Saturday. Graduate English Theme Test, 1:00-4:00
- 15, Monday. American College Testing Program (Residual), 8:00-1:00
- 26, Friday. Deadline to file for August graduation

August

- 3, Saturday. American College Testing Program—National (Registration closed July 3, 1968), 8:00-1:00
- 9, Friday. Last day to submit theses and dissertations to the Graduate School for approval in order to be graduated in August.
- 26-30, Monday-Friday. Final examinations
- 30, Friday. Commencement (Carbondale)
- 31, Saturday. Commencement (Edwardsville)

University Calendar

<i>SUMMER, 1968</i>	Quarter Begins	Monday, June 17 *
	Independence Day Holiday	Thursday, July 4
	Final Examinations	Monday–Friday, August 26–30
	Commencement (Carbondale)	Friday, August 30
	Commencement (Edwardsville)	Saturday, August 31
<i>FALL, 1968</i>	New Student Week	Saturday–Monday, September 21–23
	Quarter Begins	Tuesday, September 24 *
	Thanksgiving Vacation	Tuesday 10 P.M.– Tuesday 8 A.M., November 26–December 3
	Final Examinations	Wednesday–Tuesday, December 11–17
<i>WINTER, 1969</i>	Quarter Begins	Thursday, January 2 *
	Final Examinations	Thursday–Wednesday, March 13–19
<i>SPRING, 1969</i>	Quarter Begins	Wednesday, March 26 *
	Memorial Day Holiday	Friday, May 30
	Final Examinations	Wednesday–Tuesday, June 4–10
	Commencement (Edwardsville)	Tuesday, June 10
	Commencement (Carbondale)	Wednesday, June 11

* Classes begin with the evening classes after 5:30 P.M. on the Carbondale campus and with the evening classes after 4:30 P.M. on the Edwardsville campus.

1 / General Information

This bulletin contains the schedule of classes for the summer quarter, 1968, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

Admission

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Sectioning Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Sectioning Center.

After advisement the student may register for classes. See the registration calendar in this bulletin. Ordinarily registration offices

are open from 8:00 to 12:00 noon and 1:00 to 5:00 P.M., Monday through Friday, and from 8:30 to 12:00 noon on Saturday.

During the registration process the student goes through the Sectioning Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Sectioning Center.

Current Students, Carbondale Campus

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Sectioning Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

Current Students, Edwardsville Campus

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier to simply mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Office of Student Work and Financial Assistance. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1968 summer quarter this is June 28.

Fees for A Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State Resident . .	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
<i>Total</i> —Illinois Resident	\$30.50	\$56.00	\$80.50
<i>Total</i> —Out of State Resident	(46.50)	(143.00)	(210.50)

Students who register for a course for “Audit” or for a non-credit course will be assessed fees according to the imputed hours of that course. “Imputed hours” is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status.

Registering for Only Night and/or Saturday Classes

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

Late Registration

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

Auditing of Courses

Students may register for courses in an “audit” status. They receive no letter grade and no credit for such courses. An auditor’s registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work

expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. **Initiating the change.**

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Sectioning Center without the necessity of securing adviser approval.

2. **Sectioning.**

Students must take the program change form to the Sectioning Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar's Office and then returned to the Sectioning Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Dean of Students.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office.
2. Names Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment Center, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 / Summer Workshops and Institutes

Workshops

Agricultural Industries

Agricultural Marketing Problems and Practices (Agricultural Industries 456b-2) June 24-July 19. Livestock. Discussion of the problems in marketing livestock; development of alternative solutions based on various assumptions concerning production, market structure, and consumption.

Agricultural Marketing Problems and Practices (Agricultural Industries 456c-2) June 24-July 19. Field Crops. Discussion of the problems in marketing field crops; development of alternative solutions under alternative conditions affecting production, market structure, and consumption.

Health Education

Workshop in Alcohol Education (Health Education 464-4). Summer course for teachers and pre-teachers derived from the conceptual approach to health instruction. Emphasis is not upon alcohol as a problem but upon the variety of motivations for man's use, non-use and misuse of alcoholic beverages. Consideration of relationships with use of other mood modifying substances. Chief functional aim is for participants to use a variety of teaching methods and develop original teaching materials.

Practicum in Health Education Workshop (Health Education 511-5). Experience in observing, evaluating, discussing, and conducting portions of a teacher-oriented workshop. Given in conjunction with 464.

Home Economics

Wage Earning Programs (Home Economics Education 416a-4) June 17-July 12, Monday through Friday, 7:30-9:20. Planning for wage earning programs at the secondary level in home economics related occupations and developing of curricular materials.

Wage Earning Programs (Home Economics Education 416b-4) July 15-August 9, Monday through Friday, 7:30-9:20. An exploration of post high school wage earnings programs for junior college and vocational technical institutes. Philosophy, curriculum,

and methods for courses in home economics related occupations at this level.

Driver Simulation (Home Economics Education 445s-4). A course designed for in-service and pre-service teachers and supervisors of driver and traffic safety education; methods of instruction, equipment familiarization, program and objectives development. Prerequisite HED 443s or consent of instructor.

Concepts and Generalizations Child Development Area (Home Economics Education 507-4) June 17-July 12, Monday through Friday, 12:30-2:20. Development of a better understanding of concepts and generalizations and their use in teaching. Preparation of curriculum materials for use in varied situations.

Philosophical Foundations of Home Economics (Home Economics Education 507-2) July 15-26, Monday through Friday, 2:30-4:30. Examining the philosophical foundations of the field of home economics; current needs and problems.

The School Lunch Program (Food and Nutrition 247-2) June 10-14, Monday through Friday, 9:00-4:00. Lecture, discussion, and demonstration of quantity food production menu planning, principles of nutrition, institutional equipment, record keeping, sanitation, principles of merchandising, and principles of administration as they apply to the school lunch personnel. The course is given in three sections of two hours each.

The Family and the Sexual Revolution (Home and Family 407-2) June 17-28, Monday through Friday, 7:30-9:30. A close look at an important movement in our present social structure. Group discussions and individual reports will focus on the effects these changes might have on family life. Some consideration will be given to future patterns of behavior.

Consumer Competencies (Home and Family 407-2 to 3) July 15-19, Monday through Friday, 9:30-11:20 and 12:30-2:20. Current legislation in Illinois requires the teaching of consumer competencies such as budgeting computation of installment credit and price comparisons in public school programs. This workshop is designed to increase the teacher's ability to work in this area through subject matter methods and materials for instruction, including films, games, and class projects.

The workshop should be of great interest to teachers in business, social studies, and home economics, and to extension and agency workers.

The Child of Poverty (Home and Family 407-2) July 29-August 9, Monday through Friday, 7:30-9:20. The purpose of this workshop will be to explore some of the characteristics of the dis-

advantaged child from low income families; particularly, influences of poverty on child relationships, acculturation of the child, and the development of his self-image. Other topics covered will include: the minority child in the urban setting; common denominators and significant differences among economically deprived groups; economic influences upon children's learning and motivation; and other areas of group interest. This workshop will be of extreme interest to directors and the personnel of nursery schools and day care centers, to students of child development and nursery education at the senior and graduate levels, and to home economics personnel.

Music

Advanced Composition (Music 531-3) June 10-12. Electronic Music Workshops. Directed by Will Gay Bottje, with Hubert Howe as guest clinician.

Choral Materials and Techniques (Music 453-3) June 17-22. Choral Workshop. Directed by Charles Taylor, with Donald Craig as guest clinician.

Opera Workshop (Music 346 and 568 2-12) June 9-August 25. Music Theater Repertoire Company. William Taylor, director.

Opera Workshop (Music 346 and 568 6-8) June 10-July 27. The workshop will be on summer location at Harmony Hills Ranch, Hot Springs, Arkansas, under the direction of Marjorie Lawrence.

Music Education Practicum (Music 420-3) July 8-19. Band Instrument Repair. Directed by Woodrow Malone.

Plant Industries

Forage Crop Management (Plant Industries 419-4) June 24-July 19. Study of the management and ecological factors involved in producing forage crops. It will cover the establishment of stands, cultural practices for maintaining stands, and the utilization of forages. There will be classroom lectures and discussions supplemented by laboratory exercises and field trips.

Rehabilitation

Rehabilitation Administration (Rehabilitation 501-4). A two week institute for professional personnel in the field of rehabilitation and related areas held on the Carbondale campus from August 18 through August 30, 1968. Basic philosophies of rehabilitation are re-examined in the light of current problems. Recent significant developments in the areas of program, facilities technology, training, legislation, and research are presented and evaluated by outstanding guest speakers and staff. Daily small group meetings, a banquet, and a barbecue provide an opportunity for stimulating and productive interactions among the participants.

Secondary Education

Workshop in Economics Education (Secondary Education 490) August 12–23, Monday through Friday, 8:30–11:20 and 1:30–3:20. The Economics Education Workshop has two central purposes: 1. Presentation of economic analysis as applied to contemporary problems. 2. A consideration of possible inclusion of economic concept in primary and secondary school subject matter. For several years the workshop has emphasized a particular theme which seems to describe the more pressing contemporary problems. The 1968 theme has not yet been selected. The 1967 theme was “The U.S. Economy: Prospects and Problems.”

The Workshop is co-sponsored by the Illinois Council on Economic Education and the Joint Council on Economic Education. In the last two years they arranged for guest speakers from business, labor unions, and government.

Workshop in Current Problems in Secondary Education (Secondary Education 591–4) June 17–28, Monday through Friday, 1:00–5:00. The one problem to be given most emphasis is that of human relations: “Problems in Cross-Cultural Education.” The objectives are to: 1) understand the scope of racial tensions and conflict in the school, 2) to improve the sensitivity of the teacher to himself and the pupil, 3) to understand the school as a social system, and 4) to understand the role of the educator as a Change Agent. Films and resource people will be used. A term paper is required. Dr. Richard Thomas is the coordinator.

Technical and Industrial Education

Advanced Skills in Technical Subjects (Technical and Industrial Education 450) Monday through Friday, 8:30–9:20. Materials and Processes. Designed for advanced students and practicing teachers who wish to add to their knowledge of wood, plastic, synthetic, metallic, and ceramic materials and processes thereto related. Individuals will study materials and processes closely related to their own teaching. Emphasis will be placed upon organization and presentation of content about materials in process to children and youth. This workshop is an eight week course.

Advanced Skills in Technical Subjects (Technical and Industrial Education 450) Monday through Friday, 9:10–12:00 and 1:00–3:00. Electronics and Instrumentation. This workshop lasts one week and follows as a ninth week to the eight week course of the same number. It will enable the advanced student or experienced teacher to add to his understanding of the electron theory and applications of same. Applications in consumer products, in commercial and industrial installations, and in space, and other research programs will be treated. Emphasis will be placed upon organization and presentation of content about electronics and instrumentation to children and youth.

Advanced Skills in Technical Subjects (Technical and Industrial Education 450) Monday through Friday, 9:00–12:00 and 1:00 to 3:00. Visual Communication. This workshop lasts one week and follows as a tenth week for the two workshops listed above. It will enable the advanced student or experienced teacher to add to his understanding of two-dimensional communications in trade, industry, and commerce. The student will select experiences to broaden and deepen his preparation in areas such as technical sketching and drawing, duplicating, copying, printing, and photography. Emphasis will be placed upon organization and presentation of content about visual communications to children and youth.

New Developments in Industrial Education (Industrial Education 560–2). This course is designed so that students may register for a two-week intensive course at four different periods during the summer session, thus earning from two to eight hours of credit. The subjects deal with significant developments, pressing problems, and emerging trends in the industrial education and technical fields. Selected subjects are handled by recognized authorities in the field.

Outstanding specialists have been selected to present lectures on the newer developments as they have become apparent during the past scholastic year. The subjects and the schedule of presentation follow:

New developments in Technological Education	June 17–August 9 Monday through Friday 9:30–10:20 and 12:30–1:20	
New concepts in Industrial Arts Education	June 17–28	Dr. Rutherford E. Lockette, Chairman, Industrial Education and Technology, Trenton State College.

This two-week workshop will deal with new approaches to industrial arts which are being developed in different areas of the country. Dr. Lockette is program chairman for the 1968 American Council on Industrial Arts Teacher Education Convention and is very much aware of curriculum developments.

New Votech Programs for School-Age Youth	July 1–12	Mr. Arthur R. Lehne, Assistant Superintendent, Vocational Education, Chicago, Illinois.
--	-----------	---

Mr. Lehne will deal with a number of new, workable, and developing concepts in vocational education for a variety of clientele.

July 15-26

To Be Arranged

Occupational Education in the Community Junior College July 29-August 9

Mr. L. Everett Belote, Associate Secretary, Illinois Junior College Board, Springfield, Illinois.

Mr. Belote will deal with a number of problems which occur with respect to the design, initiation, and development of occupational education programs in community junior colleges and institutions offering similar courses. Mr. Belote has been very active in the junior college movement in Illinois and speaks with authority on many aspects of public and/or higher education.

Summer Institute for High School Teachers

Earth Sciences

Each participant in the institute will register for the following courses:

Advanced Physical Geography (Geography 403a-4). Investigation of land forms, soils, climate, and water. Emphasis will be directed toward familiarizing the student with analytical techniques and developing his skills for utilizing the concepts and principles underlying modern physical geography.

Advanced Studies in Geoscience (Geology 540-4). Study of the component disciplines of the geosciences, with emphasis on principles and processes in operation at, and beneath, the earth's surface.

Individual Research (Secondary Education 575d-4). Selection of, investigation into, and reporting on a research topic in the pedagogy of the sciences.

Successful completion of the academic work should enable each participant by the close of the institute to:

Demonstrate topical competence in the fundamental principles and processes that exist among the earth's physical domains and solar environment.

Reveal skill in the investigative approach to solving problems in the earth sciences.

Identify and explain a general approach and procedure for the successful completion and/or pursuit of any scientific investigation.

Recognize the strengths and correct the weaknesses of his own scientific instructional and analytical competence revealed by the institute work.

Demonstrate how the man-categorized components of geology, oceanography, meteorology, and astronomy are in reality interacting, interdependent components of the earth-sun system.

English

An NDEA institute is being offered in which enrichment of teaching skills in both English and reading in high school is emphasized. An English teacher and a reading teacher from each school system will form a team for the institute. See reading institute below for further details.

Geography

The design of this institute is to give the participant a conceptual framework and first hand experience for studying the functional geographic organization of the United States. It is an integrated package to demonstrate both the unity and diversity which emerges from spatial organization of this type. At the same time it is to offer a laboratory situation for the teacher to consider specific teaching strategies relevant to individual circumstances and locations.

The first three weeks will be spent at the University of Maryland, which is located within a metropolitan core area—the Washington-New York megapolitan complex. Classroom work, which will deal with conceptualizing the U.S. system, particularly the metropolitan role, will be supplemented with three field trips to show something of the internal character of this megapolitan complex.

Weeks four and five will be built around four study stops: New York; Buffalo; Muncie, Indiana; Bloomington, Illinois. These are illustrative examples of the metropolitan-oriented producing centers and related areas. Also, they serve to show the changes from metropolitan to non-metropolitan to rural-depressed areas.

The final three weeks will be at Southern Illinois University, in a location peripheral to the metropolitan system. Economic depression and related problems of non-metropolitan orientation will be examined here.

Mathematics

This institute is designed especially for high school teachers of mathematics whose undergraduate preparation in mathematics was either weak and inadequate or lacking in material that a teacher needs in order to handle the new curricula and textbooks in secondary mathematics.

Modern Algebra for Teachers (Mathematics 440-4) June 17-August 9. An introduction to algebra as a logical system, including groups, rings, and fields.

Fundamental Concepts of Calculus (Mathematics 445-4) June 17-August 9. A study of the basic concepts of calculus with emphasis on careful definitions and proof.

Sets, Functions, and Relations (Mathematics 444-4) June 17-August 9. The concept, notation, and algebra of sets, and the use of the language of sets to give precise definitions of relations and function.

Reading

The major objective of the institute program is the preparation of teams of reading and English teachers to work in school systems as resource personnel for improving the teaching of reading and English in particular and to enhance the teaching of language in areas of mathematics, science, and social studies.

The plan of the institute is designed to provide for participants to engage in the following learning situations: 1. formal instruction; 2. informal discussions and activities; 3. observation of teaching; 4. evaluation of students to diagnostically determine students' level of reading performance and instructional needs; 5. instruction of students in small groups in order to experiment with new and different techniques, materials, and organizational plans for teaching; 6. evaluation of new and different materials for instruction; and 7. teacher self-evaluation as a continuous process.

Foundation in Reading (Secondary Education 503-5) June 24-August 2, Monday through Friday, 8:00-9:00. Content of the course will emphasize newer methods and techniques for teaching including attention to adaptation of techniques which are commonly accepted as successful in modern reading and English instructional programs; relationships to principles and laws of learning, research findings, and applications, giving attention to why selected methods and techniques are useful in various types of learning situations or with particular types of students; exploration, examination, and critical evaluation of new and different approaches and materials for the teaching of reading and English correlated into appropriate settings, situations, and aspects of the total program. Allen Berger instructor.

Language and Literature Components (Secondary Education 504-4) June 24-August 2, Monday through Friday, 11:00-12:00. Content of the course will focus on language and literature. Language content will include some knowledge of the history of the English language, with appropriate examples of its phonological, morphological, and syntactic changes. Language study will include the nature and uses of English, as well as the differences between the spoken language and the written language. Language study will also include such topics as dialectology and levels of usage (with cultural and psychological implications), research in language learning, semantics, and English grammars in order to increase each participant's awareness of the broad spectrum of language.

3 / Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

- 000-099 Course not properly in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

Prerequisite

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the Undergraduate Catalog, Carbondale, or the Graduate School Catalog.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and will be opened for registration only if staff is available.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by a four digit number.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
A:	Allyn Building	OBf:	Old Baptist Foundation

Explanation of Entries

The entry for each course is arranged as follows:
First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.
Second Line: The prerequisite (if applicable).
Section-Number Lines: The first column lists section numbers for courses offered summer quarter. An asterisk on the section number denotes an eight-week course. Eight-week courses meet from June 17 through August 9. Following each section number are the time the class begins and the time it ends. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

NOTE: All private lessons (Applied Music Courses) are restricted and must be approved by the Fine Arts Adviser. Courses in private or class instruments will be offered to qualified non-music majors after consultation with the chairman of the Department of Music. Students enrolled in private or class applied courses are expected to practice at least one hour per day. Air-conditioned practice rooms will be assigned on the first day of each quarter in Altgeld 103.

Registration Calendars

Summer Quarter, 1968

EDWARDSVILLE CAMPUS

Registration will be held in the Enrollment Office, 1302 Peck Classroom Building.

- May 20-29 and June 1 Registration by appointment. Continuing students are given an appointment at time of Spring Registration. New and reentering students are given an appointment when admitted. Mon.-Fri. 8:00-11:00 A.M., 1:00-4:00 P.M.; Sat. 8:00 A.M.-12:00 Noon.
- June 3-5 and June 12-13 Registration. No appointment necessary. Mon.-Fri. 8:00-11:00 A.M., 1:00-6:30 P.M.
- June 14 Registration. No appointment necessary. 8:00-11:00 A.M., 1:00-4:00 P.M.
- June 15 Registration. No appointment necessary. 8:00 A.M.-2:00 P.M.
- June 17 Registration. No appointment necessary. 8:00 A.M.-6:30 P.M.

EAST ST. LOUIS CENTER

Registration will be held in ESL 103.

- May 31 Registration. No appointment necessary. 8:30 A.M.-12:00 Noon, 1:00-6:30 P.M.

BOTH LOCATIONS

- June 17 Summer quarter begins. Evening classes (4:30 P.M. or later) begin.
- June 18 Day classes begin.
- June 22 Last day to add classes.
- June 28 Last day to be eligible for a refund of fees.
- July 4 Independence Day Holiday.
- July 15 Last day to withdraw from class without receiving a grade.
- Aug. 12 Last day to withdraw from school.
- Aug. 26-31 Final examinations.

General Information

1

The Edwardsville Campus of Southern Illinois University has scheduled a summer quarter, June 17 to August 31. Courses designed specifically to meet the needs of teachers are scheduled for shorter periods with the majority planned to meet for eight weeks.

The Edwardsville Campus offers courses leading toward associate, bachelor's, and master's degrees in selected fields.

A variety of course offerings have been scheduled to meet the specific needs of (1) teachers in service, (2) freshmen—beginning and refresher courses, (3) upper-classmen—basic requirements, (4) graduate students, and (5) liberal arts graduates and individuals on temporary certificates desiring teacher certification.

For additional information, write to the Admissions Office, Southern Illinois University, Edwardsville, Illinois 62025.

ADMISSION

Application for admission to the summer quarter should be initiated with the Admissions Office on or before June 1 to permit all necessary processing work to be completed by the start of the quarter. A general admission requirement is the filing of a transcript of record covering all previous high school and college work. Transcripts should be mailed to the Admissions Office from the institution(s) attended and should reach the Admissions Office prior to June 4, 1968.

An undergraduate student attending another institution who expects to graduate therefrom and who desires to attend here during the summer only will be admitted as a special student on the basis of a letter of good standing from the registrar of the institution the student is attending. The letter of good standing should be sent directly to the Admissions Office in Edwardsville and must be received prior to registration. The special student's application should be submitted to the Admissions Office by June 1, 1968. A high school senior who ranks in the lowest third (lower 60 percentiles for out-of-state students) of his graduating class who is permitted to enter (on scholastic probation) for the summer quarter must register for 8 hours or more in order to continue in attendance during the fall quarter and must earn a C average or above during the summer quarter.

A student attending the Carbondale Campus spring quarter who plans to attend the Edwardsville Campus during the 1968 summer quarter must initiate his registration process by contacting the Admissions Office at Edwardsville.

S O C I A L S E C U R I T Y N U M B E R

Each student seeking admission to the University will need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is in the Germania Savings Building, 543 East Broadway; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment office, 111 West Vandalia, provides social security information.

R E Q U I R E D T E S T S

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in February and May. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa 52240.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

R E G I S T R A T I O N

All General Studies students must make up their schedule with approval of General Studies Advisement Office. Recent changes have been made in the General Studies Program which result in reduced loads. All students

should secure the help of General Studies Advisement Office to learn of these changes.

F E E S F O R A R E G U L A R Q U A R T E R

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Total—Illinois Resident	\$30.50	\$56.00	\$80.50
Total—Out of State			
Resident	(46.50)	(143.00)	(210.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

L A T E R E G I S T R A T I O N F E E

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

A C A D E M I C L O A D

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours to qualify for a student deferment. There is a further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10 to 14 hrs.	9 to 12 hrs.
$\frac{1}{2}$ benefits	7 to 10 hrs.	6 to 9 hrs.

P R O G R A M C H A N G E S

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. A student is officially registered only for those courses appearing on his registration cards. Any change therefrom can be made only after fees are paid and must be made through an official program change. A student is considered officially registered after he has cleared his payment of fees at the Bursar's Office.

A program change must be made in order to drop or add a course. A student may not drop a course merely by stopping attendance. If a student desires to drop a course during the second, third, or fourth week of a quarter, the change will be approved only when the reasons appear valid. If a student desires to drop a course after the fourth week, the change will be approved only under unusual conditions. In the last three weeks changes will be approved only in extreme emergencies.

A General Studies student desiring to make a program change must secure approval of the General Studies Advisement Office. He, and any other student desiring to make a program change, will then go to the Enrollment Center. (Starting the second week of the quarter an evening student at East St. Louis may initiate his request to drop a course by going to the General Office in East St. Louis.) He is required to present his fee receipt program card and must complete the following procedure. After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. A student has not completed his program change until he presents it to the Enrollment Center. No change is official until the preceding procedure is completed.

W I T H D R A W A L F R O M S C H O O L

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action.

No withdrawal will be permitted during the last two

weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office by June 28, 1968. See the registration calendar for specific dates concerning withdrawal and refunding of fees.

STUDENT RESPONSIBILITY

Each student must assume responsibility for his progress by keeping an up-to-date record of the courses he has taken and by checking periodically with his adviser and the Registrar's Office. Responsibility for errors in program or in interpretation of regulations of the University rests entirely with the student.

GRADUATION

Each student planning to graduate at the summer commencement must apply for graduation at the time of registration for summer classes. All applications for graduation must be received by June 17, 1968, by the Registrar's Office.

STUDENT EMPLOYMENT

Students interested in part-time employment on campus during the summer should make early application to the Office of Student Employment, Southern Illinois University, Edwardsville, Illinois.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Cost for the summer quarter is \$5.60 for single and \$14.70 for family plan. This is available at the time of registration.

Workshops and Special Programs

2

Workshop on Teaching the American Political Heritage, GOVT 486-3, June 19-July 3, 1:30-4:20 P.M., PB 1412.

The purpose of this workshop is twofold. First, it aims at increasing knowledge of the substantive content of the American political heritage. Second, it also aims at improving methodological abilities so that, once understood, such concepts as myth, signal, symbol, natural rights, limited government, libertarianism, totalitarianism, communism, etc., can be disseminated to elementary and secondary students in palatable and comprehensible form.

Workshop on the Community Junior College, ED AD 565-4, August 12-23, 8:30 A.M.-4:00 P.M., PB 2412.

Instructor: Dr. Henry T. Boss.

An intensive workshop that aims to assist the professional educator to understand the role and function of the modern community junior college within the total structure of education in our country, from public school years to graduate school. Specialists will be on hand to contribute to this broad overview of a comparatively new educational institution.

Attention will be given to the objectives of the community college, the roles of faculty, administration and the lay public, current forms of college organization, and processes of curriculum development.

Art Workshop for Boys and Girls Ages 7 to 11 Years, June 11-August 1, Tuesdays and Thursdays, 2:00-4:00 P.M., SL 0209.

This class will offer an opportunity for exploration and experimentation in a variety of materials. The motivation will be varied and in keeping with individual needs as well as group activity. When possible, the class will be divided into small groups by ages and compatibility of interest. The emphasis will be on the development in the individual of his creative power through art activity.

The class will be observed by members in the adult class of Art Education 300a. Fee: \$12.00. No academic credit will be granted. For further information, contact Mrs. Evelyn T. Buddemeyer on campus—692-3076.

Workshop in Common Learnings in Music, MUS 453-4 to 6, June 17-July 12, 9:30-11:20 A.M. and 12:30-3:20 P.M., PB 0312.

This workshop will be designed to explore and em-

phasize the commonality of learning concepts and philosophies of Music Education as evidenced by the Jacques-Dalcroze Eurhythmics, the Suzuki-Kendal approach to study of violin, the Carl Orff and the Zoltan Kodaly methods of use of instruments, bodily movement and approaches to notation. Other related areas of learning will be explored. Intensive work will be done in each of these several areas and in-depth laboratory experiences. Each member of the workshop will participate in the learning procedures of each area and through research explore their commonalities of the learning concepts. Recognized authorities in each of these areas will serve as consultants and be available for conferences. For further information, write to Dr. Lloyd G. Blakely, Chairman of Faculty of Music, Southern Illinois University, Edwardsville, Illinois 62025.

Survey Course in Marriage Counseling, SOC 484-4, June 17-July 3, 6:30-10:20 P.M., PB 0307.

This workshop will consist of lectures, case discussions, and personal supervision of case analyses. Persons who may wish to enroll in this workshop should actively be engaged in counseling or be preparing to do counseling as a part of their professional practice. Admission by consent of instructor.

Seminar on Film and the Crisis of Value, June 17-28, Monday, Wednesday, and Friday at 7:30 P.M., Conference Fee of \$3.00.

This seminar is designed to examine the crisis in modern values and man's response to that conflict as reflected in current films. Six films will be shown expressing the viewpoints of Nihilism, Alienation, Frustration, Anxiety, Hedonism, and Acceptance. Guest speakers will precede each film and a discussion will follow. Directed by Professor George W. Linden, Humanities Division, 692-2250.

Workshop in Physical Education and Recreation for the Handicapped, PE 427-4 or SP ED 427-4, June 17-28, 9:00 A.M.-3:00 P.M., ESL 104 and 009.

Instructors: Dr. Mark Tucker and Mr. Larry Moehn.

Characteristics of handicapped children as they affect the feasibility of physical education and recreation activities. Values of specific activities for certain types of children, and methods and materials for teaching physical education and recreation skills. Emphasis on activities suitable to classroom, home, and institution.

First Aid Workshop, H ED 334s-4, June 17-28, 1:00-5:00 P.M., PB 2405.

Instructor: Dr. Walter Klein.

Red Cross First Aid Course with lectures, demonstrations, and practical applications. Red Cross Instructor's Certificate given.

Workshop in Sex Education in the Elementary School, H ED 470-3, July 8-19, 6:30-9:20 P.M., PB 0304.

Instructor: Dr. Donald L. Taylor.

This workshop is designed to encourage elementary school teachers to integrate sex education concepts into their teaching program. Current theories and knowledge concerning the psycho-social aspects of the maturation process will be related to the content used for teaching pupils at various grade levels. Specialists in the areas of psychology, public health, and social welfare offer a multi-discipline approach to help teachers plan a program based upon the characteristics and needs of pupils.

Workshop in Teaching Athletic Skills, PE 476-2 to 4, June 17-June 28, 9:30 A.M.-12:00 Noon and 1:30-4:00 P.M., PB 2412.

Instructors: Mr. Robert Guelker and Mr. Roy Lee.

Mr. Harry Gallatin and Mr. William Brick.

This workshop is designed to provide for physical education teachers modern teaching techniques of skills, conditioning, and strategies for elementary, junior high, and senior high school students. The course material could also be helpful to physical education teachers of college students, as well as to prospective coaches in the subject matter field. The first week of the workshop will cover soccer and baseball, and the second week will cover golf and basketball. Individuals may register for the entire two-week period for 4 quarter hours credit or for one week for 2 hours credit.

Workshop in Dance for In-Service Teachers, PE 404-2, June 17-28, 8:00 A.M.-12:30 P.M., CB 1024.

Instructor: Sara Carpenter.

This workshop will include history of dance, values of dance, interpretation of music for dance, teaching techniques and facilities, and fundamental dance movements leading to knowledge and command of dance skills.

Workshop in Methods and Materials for Teaching Physical Education Activities in the Elementary School, PE 350-4, July 29-August 16, 1:00-5:30 P.M., PB 1412.

Instructor: Mr. Larry Moehn.

This workshop is for supervisors and teachers of physical education. Curriculum planning based on grade characteristics and educational philosophy, presentation of skills including skill tests, lead-up games, stunts and tumbling, games of low organization, creative rhythms, singing games, and folk dance are the content area.

Physical Conditioning Workshop for High School and College Athletes, GSE 102-1, June 17-August 9, Arranged.

Instructor: Mr. Larry Moehn.

The purpose of this workshop is to condition the athlete through physical training by developing his condi-

tion, agility, flexibility, strength, balance, and cardio-respiratory endurance. The major method of preventing and reducing athletic injuries is to condition the body soundly through the application of isotonic and isometric exercises. The program stresses exercise and weight circuit training, grass drills, variation to exercise, and fitness "games."

Physical Fitness Workshop for Elementary School Age Children, August 19-23, 9:00-11:30 A.M.

Instructor: Mr. Larry Moehn.

The primary purpose of this program is to provide fun and games for children through participation in selected recreational activities. The children will be exposed to many new games and innovations in the area of elementary physical education; primarily outdoor activities will be emphasized. The program will be for boys and girls, grades one through seven.

Workshop on Cataloging Non-Book Materials, IM 413-4, June 17-28, 1:00-5:00 P.M., PB 0410.

Films, filmstrips, records, pictures, models, slides, etc., present problems of organization and housing. Cataloging this material will be practiced in the laboratory sessions. Methods of storing and distributing the materials will be discussed in several roundtables.

Workshop in Business Education, BS ED 505-3, (1) June 8-15, (2) August 10-17, 8:00 A.M.-5:00 P.M., PB 3417.

Workshop in Applications and Fundamentals of Data Processing in Business Education, BS ED 507-4, July 1-12, 1:00-5:00 P.M., PB 3417.

Workshop in Improvement of Instruction in Secretarial Subjects, BS ED 510-4, July 15-26, 1:00-5:00 P.M., PB 3417.

Workshop in Improvement of Instruction in General (Basic) Business Subjects, BS ED 509-4, July 29-August 9, 1:00-5:00 P.M., PB 3417.

Block Scheduling for Certain Master of Science in Education Courses.

Four courses have been scheduled in a manner that permits a student to come to the campus two days a week for eight weeks and earn 8 hours of required credits. ED AD 500, Educational Research, Section 001, and ED AD 554, Contrasting Philosophies of Education, Section 001, meet from 7:30 A.M. to 12:15 P.M. on Mondays and Wednesdays. ED AD 503, Seminar in Philosophy of Education, and ED EL 561, The Elementary School Curriculum, meet from 2:30 to 7:15 P.M. on Tuesdays and Thursdays.

National Science Foundation Mathematics Institute, June 19–August 13.

This eight-week institute for high school teachers has been planned specifically to meet the subject matter needs of teachers who have been out of college for a number of years. Each teacher may take courses giving 10 to 12 hours of credit in mathematics that count toward a Master of Science in Education degree. In addition to the regular activities of the Institute, a series of lectures is planned to bring noted speakers from both Europe and the United States before the teachers in attendance.

National Science Foundation Physics Institute, July 8–August 16.

This six-week institute has been designed to develop and maintain a strong physics instruction program in the junior and senior high school. The secondary school teacher may take courses giving 10 quarter hours of credit. The institute will sponsor other activities of interest.

Schedule of Classes

3

The University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Courses are listed numerically within each subject-matter area. The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. The prerequisites, if any, appear in brackets after the title on either the first or second line.

Section-Number Lines: The first column lists the section numbers. Those sections offered at Edwardsville always begin with 0; those sections offered at East St. Louis always begin with 4. Following each section number is the time the class begins, between 7:00 A.M. and 4:20 P.M. for daytime classes. An ending time is listed only if the class period is longer than 50 minutes. The section number of each evening class has the letter *e* prefixed. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

000-099 Courses not properly falling in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the head of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

ESL —East St. Louis Center

PB —John Mason Peck General Classroom Building, Edwardsville

LB —Lovejoy Memorial Library, Edwardsville

SL —Science Laboratory Building, Edwardsville
Wagner—Wagner Building, Edwardsville
UC —University Center, Edwardsville
CB —Communications Building, Edwardsville

Final Examination Schedule, Summer Quarter, 1968

Twelve-Week Courses August 26-31, 1968

Examinations in other than twelve-week courses will be given during the regularly scheduled periods during the last week of the course.

	Mon. Aug. 26	Tues. Aug. 27	Wed. Aug. 28	Thurs. Aug. 29	Fri. Aug. 30	Sat. Aug. 31

Registration Calendar, Fall, 1968

April 15–May 24 and July 8–August 23.

Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by August 23.*

April 11–September 30.

Registration period for graduate students.

August 28.

Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

September 23.

Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date.* Any exceptions will involve late registration fee charges.

September 24.

Fall quarter begins. Program change processing only. Night classes (5:45 P.M. or later) begin.

September 25.

Program change processing only. Day classes begin on June 18.

September 26.

Late registration begins for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

September 30.

Registration for the Fall quarter ends for both graduate and undergraduate students. This also includes the registration into new courses or the changing of sections through the program change process.

October 7.

Deadline for payment of fees by students whose fees were deferred. Graduate students will be cancelled if fees are not paid by 4:00 P.M.

October 7.

Last day to officially withdraw from school to be eligible for a refund of fees.

October 21.

Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

November 27.

Last day for making a program change or withdrawing from school except under exceptional circumstances.

Calendar of Events

September

- 21, Saturday.** New Student Days begin
- 23, Monday.** New Student Days end
- 24, Tuesday.** Fall quarter begins. Evening classes (5:45 p.m. or later) begin
- 25, Wednesday.** Day classes begin

October

- 5, Saturday.** Annual Faculty Meeting
- 5, Saturday.** * Dental Aptitude Test
- 19, Saturday.** * American College Test
- 19, Saturday.** * Medical College Admission Test
- 26, Saturday.** * Graduate Record Examination
- 31, Thursday.** Homecoming begins

November

- 2, Saturday.** Homecoming ends
- 2, Saturday.** Admission Test for Graduate Study in Business
- 9, Saturday.** Law School Admission Test
- 23, Saturday.** Parent's Day
- 26, Tuesday.** Thanksgiving Vacation begins 10:00 p.m.

December

- 3, Tuesday.** Thanksgiving Vacation ends 8:00 a.m.
- 11, Wednesday.** Final Examinations begin
- 14, Saturday.** * American College Test
- 14, Saturday.** * Graduate Record Examination
- 17, Tuesday.** Final Examinations end

* Please note that pre-registration is required. For details as to registration procedure, contact the Counseling and Testing Center at least four weeks prior to the test date.

University Calendar

<i>FALL, 1968</i>	New Student Week	Saturday–Monday, September 21–23
	Quarter Begins	Tuesday, September 24 *
	Thanksgiving Vacation	Tuesday 10 P.M.– Tuesday 8 A.M., November 26–December 3
	Final Examinations	Wednesday–Tuesday, December 11–17
<i>WINTER, 1969</i>	Quarter Begins	Thursday, January 2 *
	Final Examinations	Thursday–Wednesday, March 13–19
<i>SPRING, 1969</i>	Quarter Begins	Wednesday, March 26 *
	Memorial Day Holiday	Friday, May 30
	Final Examinations	Wednesday–Tuesday, June 4–10
	Commencement (Edwardsville)	Tuesday, June 10
	Commencement (Carbondale)	Wednesday, June 11
<i>SUMMER, 1969</i>	Quarter Begins	Tuesday, June 17 *
	Independence Day Holiday	Friday, July 4
	Final Examinations	Monday–Friday, August 25–29
	Commencement (Edwardsville)	Friday, August 29
	Commencement (Carbondale)	Saturday, August 30
<i>FALL, 1969</i>	New Student Week	Sunday–Tuesday, September 21–23
	Quarter Begins	Wednesday, September 24 *
	Faculty Meeting (Carbondale)	Saturday, October 4
	Homecoming (Carbondale)	Thursday– Saturday, October 23–25
	Homecoming (Edwardsville)	Thursday– Saturday, October 30–November 1
	Parents' Day	Saturday, November 15
	Thanksgiving Vacation	Tuesday, 10 P.M.– Monday, 8 A.M., November 25–December 1
	Final Examinations	Monday–Saturday, December 15–20

* Classes begin with the evening classes after 5:30 P.M. on the Carbondale campus and with the evening classes after 4:30 P.M. on the Edwardsville campus.

1 / General Information

This bulletin contains the schedule of classes for the fall quarter, 1968, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

Admission

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Sectioning Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Sectioning Center.

After advisement the student may register for classes. See the registration calendar in this bulletin. Ordinarily registration offices

are open from 8:00 to 12:00 noon and 1:00 to 5:00 P.M., Monday through Friday, and from 8:30 to 12:00 noon on Saturday.

During the registration process the student goes through the Sectioning Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Sectioning Center.

Current Students, Carbondale Campus

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Sectioning Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

Current Students, Edwardsville Campus

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier to simply mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Office of Student Work and Financial Assistance. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1968 fall quarter this is October 7.

Fees for A Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State Resident . .	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
<i>Total</i> —Illinois Resident	\$30.50	\$56.00	\$80.50
<i>Total</i> —Out of State Resident	(46.50)	(143.00)	(210.50)

Students who register for a course for “Audit” or for a non-credit course will be assessed fees according to the imputed hours of that course. “Imputed hours” is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status.

Registering for Only Night and/or Saturday Classes

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

Late Registration

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

Auditing of Courses

Students may register for courses in an “audit” status. They receive no letter grade and no credit for such courses. An auditor’s registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work

expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. Initiating the change.

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Sectioning Center without the necessity of securing adviser approval.

2. Sectioning.

Students must take the program change form to the Sectioning Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar's Office and then returned to the Sectioning Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Dean of Students.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office.
2. Names Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment Center, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 / Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

000-099	Course not properly in the following categories
100-199	For freshmen
200-299	For sophomores
300-399	For juniors and seniors
400-499	For seniors and graduate students
500-600	For graduate students only

Prerequisite

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the Undergraduate Catalog, Carbondale, or the Graduate School Catalog.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and will be opened for registration only if staff is available.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by a four digit number.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
A:	Allyn Building	OBf:	Old Baptist Foundation
Abbott:	Abbott Hall (T.P.)	Office:	Office of the department
Ag:	Agriculture Building	P:	Parkinson Building

Explanation of Entries

The entry for each course is arranged as follows:
 First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.
 Second Line: The prerequisite (if applicable).
 Section-Number Lines: The first column lists section numbers for courses offered fall quarter. Following each section number are the time the class begins and the time it ends. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

NOTE: All private lessons (Applied Music Courses) are restricted and must be approved by the Fine Arts Adviser. Courses in private or class instruments will be offered to qualified non music majors after consultation with the chairman of the Department of Music. Students enrolled in private or class applied courses are expected to practice at least one hour per day. Airconditioned practice rooms will be assigned on the first day of each quarter in Altgeld 103.

Southern Illinois
University

Bulletin

*Teacher Education Programs
Carbondale Campus
1968/1970*

OBJECTIVES OF SOUTHERN ILLINOIS UNIVERSITY

TO EXALT BEAUTY

*In God,
in nature, and
in art;
Teaching how to love the best
but to keep the human touch;*

TO ADVANCE LEARNING

*In all lines of truth
wherever they may lead,
Showing how to think
rather than what to think,
Assisting the powers
of the mind
In their self-development;*

TO FORWARD IDEAS AND IDEALS

*In our democracy,
Inspiring respect for others
as for ourselves,
Ever promoting freedom
with responsibility;*

TO BECOME A CENTER OF ORDER AND LIGHT

*That knowledge may lead
to understanding
And understanding
to wisdom.*

SOUTHERN ILLINOIS UNIVERSITY
BULLETIN / Vol. 10, No. 7, May,
1968. Second-class postage paid at Car-
bondale, Illinois 62901. Published by
Southern Illinois University, Carbondale,
Illinois 62901, monthly except March
and April, when published semi-monthly.

This Issue

of the *Southern Illinois University Bulletin* covers in detail general and specific information on the academic preparation of teachers in elementary, secondary, and special education programs on the Carbondale Campus.

THE FOLLOWING issues of the *Southern Illinois University Bulletin* may be obtained free from Central Publications, Southern Illinois University, Carbondale, Illinois 62901.

Schedule of Classes. Please specify *quarter* (fall, winter, spring, or summer) and *campus* (Carbondale or Edwardsville).

Graduate School Catalog.

Division of Technical and Adult Education.

Student Work and Financial Assistance.

Undergraduate Catalog. The catalog is available for examination in high school guidance offices and libraries throughout Illinois and in some other states. Copies will be furnished free to educational institutions upon request and to new students upon matriculation. A copy of either edition (Carbondale or Edwardsville) of the catalog may be purchased at the University Bookstore for \$1; mail orders should be sent to Central Publications and must include remittance payable to Southern Illinois University.

1 / Teacher Education Programs

Introduction

This official document of Southern Illinois University, Carbondale Campus, presents general and specific information on the preparation of teachers in elementary, secondary, and special programs. It has been developed to serve as a guide for the student preparing for a career in the teaching profession.

Admission to, retention in, and completion of an approved teacher education program of Southern Illinois University, Carbondale Campus, are administered by the dean of the College of Education. All inquiries about the various programs may be directed to his office.

New Administration Procedure

When a student decides on the teacher education program of his choice, he may make application according to the regulations stated herein. Formal application for admission to a teacher education program must be made through the assistant dean's office of the College of Education and *approval must be granted prior to entrance* into professional education coursework (either Elementary Education 314 or Elementary Education 316 for elementary, early childhood, and special education students; Secondary Education 310 for secondary and some special education students).

Application forms for admission to a teacher education program at Southern Illinois University, Carbondale Campus, may be secured at the dean's office, College of Education, Wham Education Building, Room 115.

General Information

Teacher education programs are an important part of a growing list of professional programs in higher education. The uniqueness of a profession is that it assumes responsibility for its own standards of performance. The student entering the teaching profession will find it is better characterized by how

2 / Teacher Education Programs

it is operated than by any special course of preparation. The teaching profession has a further responsibility. It is the means through which society receives its formal training. Thus teacher preparation of the highest quality must be the first concern of the teaching profession.

The National Education Association has established the following goals toward which the teaching profession should move:

1. The development of high standards for entrance into teaching;

2. The legal adoption of certification requirements to assure competent service;

3. The maintenance of plans for accrediting institutions for teacher education;

4. The enforcement of the requirements that final certification be based on evidence of successful teaching during probation.

There is no way to insure that all prospective teachers will be good teachers, but a step in that direction can be taken by enrolling in the best teacher education program available. A good teacher education program has been described as one including general education, specialization, and professional education.

The caliber of a teacher education program is determined to a large degree by the admission and retention policies as evidenced by requirements, standards, and procedures. Obviously, the indiscriminate use of provisional or probationary status as an entrance to teacher education is generally viewed as unsound admission practice. The sincerity with which an institution complies with its entrance requirements is extremely important.

Some Characteristics of a Good Teacher

An essential and persistent question asked is "What makes a good teacher?" There is no single quality which can be used to describe a good teacher. However, some characteristics advanced by the National Education Association and generally considered to be essential for a good teacher are as follows:

1. General intelligence, that includes the ability to pass college work, to assimilate learning, to understand cultural backgrounds, and to understand students and how the learning process takes place;

2. A thorough understanding and basic knowledge of and about the subject matter taught;

3. Good verbal facilities that enable the teacher to express himself and present his subject matter well;

4. Creative ingenuity that allows the teacher to make class work so interesting that the student will want to learn;

5. Physical energy and drive;

6. Moral and personal prerequisites such as patience, considerateness, emotional stability, good judgment, and leadership.¹

Admittance to a teacher education program is determined to a large degree by how well one measures up in terms of possessing these essential characteristics.

Students seeking admission to a teacher education program through transfer from another institution or another program at Southern Illinois University must meet the standards required of regularly enrolled students.

Standards For Admission To A Teacher Education Program

Unconditional Admission

A student may apply for admission to a teacher education program with a minimum of 64 quarter hours of academic work. To be eligible for unconditional admission a student with from 64 to 102 quarter hours must have a cumulative grade point average of at least 3.00 on a 5.00 scale. A student applying for admission with 103 to 143 quarter hours must have at least a 3.10 cumulative grade point average. A student with more than 143 quarter hours at the time of application for admission must have at least a 3.20 cumulative grade point average. To apply for a student teaching assignment, a student must have been unconditionally admitted to a teacher education program. Before beginning a student teaching assignment, the student must have at least a 3.25 cumulative grade point average.

Provisional Admission

A student may seek provisional admission to a teacher education program under the following conditions:

1. If he has 103 to 143 quarter hours of credit with a cumulative grade point average between 3.00 and 3.09 provided the grade point average in his teaching specialization is at least 3.20.

2. If he has more than 143 quarter hours of credit with a cumulative grade point average between 3.10

¹ National Education Association, *Teaching Career Fact Book*, 1964.

4 / Teacher Education Programs

and 3.19 provided the grade point average in his teaching specialization is at least 3.30.

3. For a student planning to teach at the secondary level, the teaching specialization will include the subject matter concentration plus all education courses.

Student Teaching Prerequisites

1. Preliminary application should be made to the director of Student Teaching during the *winter quarter one year prior to graduation*.

2. A final, detailed application must be completed *two quarters* in advance of the student teaching assignment.

3. A student must have 128 quarter hours of credit with a minimum of a 3.25 cumulative average before beginning work in student teaching.

4. The student is responsible for having all transcripts of credit earned at colleges or universities other than Southern Illinois University on file in the office of the director of Student Teaching. (This requirement does *not* apply for hours of credit earned at Southern Illinois University.)

5. Before student teaching, the student in secondary education must have at least 16 quarter hours of credits in the subject which he proposes to teach. Such credit must meet the approval of the respective department chairman. The subject or subjects must be "public school major" teaching subjects.

6. Each student must have at least 11 quarter hours in professional education courses prior to doing student teaching. He must have successfully completed a course in each of the subjects listed under the appropriate heading below:

SECONDARY: general psychology, educational or adolescent psychology, secondary teaching methods (a special secondary methods course is accepted only for teaching in the respective major teaching area), and history and principles of secondary education.

ELEMENTARY: general psychology, educational or child psychology, reading methods and elementary methods.

EARLY CHILDHOOD EDUCATION: general psychology, educational or child psychology, reading methods, and kindergarten-primary methods. Each student in early childhood education must also be approved in class piano and must take secretarial and business education 241.

7. Each student must have major academic training in a public school teaching subject which meets the approval of the respective department chairman.

8. At the end of the fall quarter, 1966, English 391 and the Undergraduate English Qualifying Examination were replaced with a new General Studies series. Students majoring or minoring in English must complete English 300a and 300b securing a grade of C or better. All other students must have completed GSD 101, 102, and GSC 103 with a composite average of C or better. Students who have a C average in the former English series (GSD 101a, 101b, and GSC 103) will have met the English proficiency requirement. Students who failed to receive a C average or better in the old English composition series, will need to contact the director of English for General Studies, to determine how the English proficiency requirement is to be satisfied. In no case can a student receive credit for both GSC 103 (old content) and GSC 103 (new content).

9. The student must have established at least one quarter of residence at Southern Illinois University, earning a minimum of 16 quarter hours of credit, prior to any student teaching assignment.

10. Every student teacher must have a health clearance from the University Health Service. The health clearance consists of a tuberculin test. If it is not convenient to come to the Health Service in Carbondale, the student may have a tuberculin test by his own medical doctor. The report must be filed with the Health Service.

11. Application for admittance to the Student Teaching program will be made with respect to the above mentioned prerequisites two quarters in advance of the student teaching assignment.

12. A Student Teaching program which grants 16 hours of credit does not permit additional hours to be earned without the approval of the professional quarter committee.

Procedure For Admission To A Teacher Education Program

Undergraduate Students

Any student who expects to complete a program of teacher education at Southern Illinois University must be officially admitted to a teacher education program. Application forms for admission to a teacher education program for an undergraduate student can be secured from the dean's office of the College of Education, Wham Education Building. These forms must be completed by the student and then given to (1) his academic adviser, (2) the chairman of the department of his major teaching area, for secondary and special education students only, (3) either the chairman of the Department of Elementary Education or Secondary Education, and (4) the assistant dean for undergraduate studies, College of Education, for their review and recommendation for approval (or disapproval). The forms must then be returned to the assistant dean for undergraduate studies for the official record of approved students in teacher education programs. This entire transaction *must take place prior to entrance* into the professional sequence of education coursework. The professional education coursework starts with Elementary Education 314 or 316 for elementary, special, and early childhood education students. For secondary education and some special education students it starts with Secondary Education 310.

Graduate Students

Application forms for admission to a teacher education program for a post-baccalaureate student who desires teaching certification can also be secured in the dean's office of the College of Education, Wham

Education Building, Room 115. These forms must be completed by the student and then given to the graduate dean, the assistant dean for undergraduate studies of the College of Education, and the graduate adviser (if the student has been admitted to a program leading to a master's degree) for their review and recommendation for approval (or disapproval). These forms must then be returned to the assistant dean for undergraduate studies for the official record of approved students in teacher education programs.

Certification of Teachers

A teaching certificate is, for all practical purposes, a license to teach in a given state, at a specific level and in a certain type of job. Illinois, like other states, requires its public elementary and secondary teachers, as well as other specialized personnel, to hold certificates to ensure that pupils are taught only by persons who meet specified standards of preparation, health, age, citizenship, and character. Being certified by one state does not necessarily mean that a teacher will qualify for certification in any other state. One reason for this situation is that even minimum requirements for the lowest teaching certificate vary widely from state to state. However, more than half the states accept the certificates of teachers who graduate from teacher education programs in other states if the programs are accredited by the National Council for Accreditation of Teacher Education (NCATE). Southern Illinois University is accredited by NCATE. Three general types of teaching certificates are being issued to school personnel in Illinois: the Standard Elementary School Certificate, the Standard Special Certificate, and the Standard High School Certificate.

General Requirements for All Teacher Education Programs

To qualify for any of these certificates it is required by law that a person must complete a course in American history and/or American government. A further requirement is that anyone renewing a teacher's certificate in the State of Illinois must pass an examination "upon the provisions and principles of the Constitution of the United States and of the State of Illinois."¹ Both of these requirements may be met by successfully completing one of the follow-

¹ The School Code of Illinois, Circulation Series A, No. 170, Issued by the Office of the Superintendent of Public Instruction, State of Illinois, P.211, 1965.

8 / Teacher Education Programs

ing courses: GSB 211b (government), Government 231, Government 300, GSB 300a (history).

Standards for Recommendation for Certification

A student in a teacher education program must file an application requesting recommendation for certification with the dean of the College of Education. This application must be filed prior to the beginning of his final quarter.

The student's record must show evidence of meeting the University's graduation requirements, professional education requirements and requirements in his teaching area. For final recommendation, the student must have a grade point average of 3.25, evidence of satisfactorily completing student teaching, and the recommendation of his department and his dean.

Elementary School Certification

Although the elementary school teacher's certificate covers grades kindergarten through nine, the most common type of elementary school organization is kindergarten through grade six. In elementary schools, teachers usually are assigned to a home-room group of children with the responsibility for the major share of the classroom teaching for a particular grade. The individual teacher preparation program is slanted toward the age group level selected by the potential teacher as his teaching grade level preference, whether primary, intermediate, or junior high. Secondary school teachers also qualify for junior high school teaching by meeting the high school certification standards.

Various plans of organization are under consideration and in operation in many schools which are departures from the traditional self-contained classroom. Innovations in school organization, curriculum, and instructional techniques, including some departmentalization and team teaching, have pointed to a need for more specialized training of elementary school teachers. Special teachers of art, music, physical education, remedial reading, speech, and foreign languages are examples of departures from the self-contained classroom. The cooperative teaching approach is based upon the assumption that any teacher may excel in some but probably not all, of the instructional areas in teaching skills and techniques. With the emphasis toward more specialization for elementary school teachers, teacher education institutions are faced with the responsibility to provide the kind of program neces-

sary to prepare teachers for the schools of tomorrow. These trends call for continuous revision of teacher-preparation programs and state certification standards.

The existing programs at Southern Illinois University for training of elementary school teachers, as far as general and professional course requirements are concerned, are as follows:

Area of Specialization

Each student in Elementary and Early Childhood Education selects one of the areas listed below and completes at least 12 quarter hours of course work in addition to courses used to meet requirements for the degree. This work will apply toward the minimum of 192 quarter hours required for graduation. The approved areas include: art, foreign languages, health and physical education, language arts, library science, mathematics, music, psychology, recreation, science, social studies, and special education.

The Standard Special Certificate

The Standard Special Certificate is valid for teaching the special subject or subjects named on the certificate in grades kindergarten through 12. This certificate may be issued to anyone who has been admitted to a teacher education program and who has completed the General Studies Requirements for All Bachelor's Degree Candidates as listed on page 5 and the General Requirements for All Teacher Education Programs as listed on page 7.

Industrial Education 408, Teaching Aids in Technological Education	3
---	---

The teaching major must consist of at least 48 quarter hours in the academic specialization. The Standard Special Certificate is most often issued to teachers who teach the same subject at both elementary and secondary school levels. The most common subject areas where the Standard Special Certificate is used are music, art, and physical education.

High School Certification

Secondary school teachers work in both junior and senior high schools, with students in grades six through twelve. The majority of high schools are general or comprehensive schools providing a wide range of curricular offerings. A decision to teach in secondary schools should be based on at least two considerations: whether one likes teenagers and feels he can work well with them and whether he wants to limit the subject matter he teaches to a core of related subjects or a single speciality. In both junior and senior high schools a teacher's subject specialty will probably be confined to one or two related areas. It is usually a practice for schools to assign teachers to teach only in the subject in which they are most expert. However, the small schools confronted with teacher shortage sometimes assign teachers to teach in multiple specialties.

PROFESSIONAL EDUCATION REQUIREMENTS— STANDARD HIGH SCHOOL CERTIFICATE

The following professional education sequence will meet the professional course requirements as well as Southern Illinois University's approved program for the Standard High School Certificate.

Guidance 305, ¹ Educational Psychology	4
Secondary Education 310, ² History & Principles of Secondary Education ...	4
Secondary Education 315, ² High School Methods or Special Methods	3-4
Secondary Education 352, ³ Student Teaching	12-16

MAJOR TEACHING AREAS

The major teaching area is a field of specialization built on a clearly formulated statement of the competencies needed by teachers in a specific teaching area. The academic specialty should include the attitudes, knowledge, understandings, and skills required, as well as the degree of expertness necessary for a beginning teacher.

A major teaching area must consist of at least 48 quarter hours in an academic area. It should reflect a planned program which allows a student to achieve the teaching competencies necessary. It is possible for a person to qualify for a secondary certificate with three minor teaching areas. These minor areas must meet, at least, the minimum hours required for teaching in the academic areas selected. In every case the field of specialization should include provisions for a systematic evaluation to determine the degree to which the student has achieved the teaching competencies necessary for successful teaching in each particular area.

ACADEMIC SPECIALIZATION

One major area of specialization	48
--	----

or

Three minor areas of specialization with a sufficient number of hours to meet the minimum requirements for teaching in each area. (24-27-30-36)	72-108
Some courses which are counted as General Studies may also be counted as part of the hours required for major and/or minor areas of specialization	

14 / Teacher Education Programs

The academic major and minor teaching areas and the appropriate coursework as required at this printing, May, 1968, are listed in the following two chapters.

2 / Major Teaching Areas

Many of the courses listed in this chapter and the next one will be followed by this symbol *. This is to denote that this course may be taken to meet General Studies and professional education requirements. These requirements range from 116 to 131 quarter hours but are subject to change. Your adviser will be aware of the most recent revisions, so kindly check with him at registration time.

Some of the numbers in the quarter hours column will be in parentheses. This indicates that the number of hours in the parentheses has been counted, for this course, as General Studies requirements and cannot be counted again in the required hours for a teaching area.

For examples of the use of these markings see the agricultural education section listed directly below.

Agricultural Education

	QUARTER HOURS
GSA 101	(8)
GSD 103, 108, 110 or Mathematics 111	(13)
Agricultural Industries 204, 210, 215, 309,* 311,* 312a,* 312b,* 350, ¹ 373, ² 375, ³ and one additional course	46
Animal Industries 105, 315, and one additional course	12
Plant Industries 103, ⁴ 309, ⁵ and one additional course	12
Electives in Agriculture	24
Total required for major teaching area	94

¹ Prerequisite: Ag. I. 204.

² Prerequisite: GSD 108b.*

³ Prerequisite: GSD 108b.*

⁴ Prerequisite: High School or Concurrent College Chemistry.

⁵ Prerequisite: GSA 201a.*

Art Education

GSC 341,* 342 *	6
Art 100,* 200, 225a,* 225b,* 225c,* 302, 307, 308,* 300a or 365,* 332, 385	61
Electives in Art	14
Total required for major teaching area	81

Biological Sciences

GSA 201a, 201b or 210a, 210b, and 303 and 312	(14)
GSA 340 or, Botany 341, or Zoology 310 ..	3-5
GSA 301 and Botany 320, or Physiology 315a,b and c	9-15
Botany 315 or Zoology 401	4-5
Botany 300, 301	6
Chemistry (Must include equivalent of Chemistry 111b,c)	15
Microbiology 301, 302	10
Zoology 102, 103, 402 or 403	14
Electives from Botany, Microbiology, Physiology, and Zoology	2-11
Total required for major teaching area	63-81

Botany

GSA 201a,* 201b,* or 210a, 210b	8
GSA 340 * and 345 *	6
Botany 300, 301	6
Electives in Botany	28
Total required for major teaching area	48

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for biological science or general science teaching certification, and a minor teaching area in zoology is recommended to enable the student to certify to teach biology and botany.

Business Teacher Education

Accounting 251a	4
Economics 214, 215	8
Management 340	4
Marketing 301	4
Secretarial and Business Education 201a	3
Total required for the above courses	23

Preparation to teach in at least four but preferably five of the following areas:

Area 1—Typewriting: Secretarial 201b, 201c, 241, 304, 403 ¹	13
Area 2—Shorthand and Transcription: Secretarial 221a, 221b, 221c, 324a, 324b, 404 ¹	23
Area 3—Bookkeeping, Accounting and Record Keeping: Accounting 251b, 261, 351a, Secretarial 408 ¹	11

Area 4—General and Consumer Business Subjects: Finance 305, 325, 371, Sec- retarial 405 ¹	15
Area 5—Office Practice and Machines: Required courses for Area 1, Manage- ment 271, Secretarial 326, 341, 406 ¹ .	29
Area 6—Business Law: Finance 371, 372, 373, Secretarial 405 ¹	15
Area 7—Distributive Education: Mar- keting 363, 401, Marketing Elective-4, Secretarial 414a, 414b ¹	15
Area 8—Electronic Data Processing: Secretarial 341, 417 or (Data Process- ing 101a and 104), Accounting 415, Data Processing 103a	17-21
Total required from the above areas	37
Total required for major teaching area	60

Nine hours of typewriting and 16 hours of short-
hand may be acquired through proficiency. Credit
given for college courses only. Students who com-
plete Areas 1, 2, and 5 are prepared for secretarial
and related office positions. Upon graduation, they
have job opportunities in two fields: (1) business
teaching and (2) secretarial and related office
work.

To qualify as a vocational business teacher or co-
ordinator of office occupations and distributive oc-
cupations, students are required to take Secretarial
414-6 and Secretarial 415-6 in addition to the
courses in the four teaching areas selected.

¹ Two methods courses are required. Secondary Education 315-4
may be substituted for one of the business education methods
courses.

Chemistry

Chemistry 111b ¹ and 111c	10
Chemistry 235, 305a, 305b or 341a, 341b, 341c	9-15
Chemistry 460 ² or 461a, ³ 461b, 461c	5-12
Electives in major area	11-24
Total required for major teaching area	48

Students electing both the 305 and 460 options will
find it difficult to find 48 hours of chemistry for
which they have the prerequisites.

It is recommended that the student elect courses to
meet the Illinois Office of Public Instruction's re-
quirements for the General Science certification.

¹ Prerequisites: Chemistry 111a or High School Chemistry.

² Prerequisites: A year of college physics and Math 111a and 111b.

³ Prerequisites: A year of college physics and Math 252b.

Economics

GSB 311 *	3
GSD 110 * ¹	3
Economics 214, 215, 310, 315, 330, 440, 441 .	28
Electives (except Economics 301, 433, 479, and 490) to total required hours	14-16
Total required for major teaching area	48

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for social studies certificate.

¹ Prerequisites: GSD 108b * or 114b.*

English

GSC 201,* ¹ 202,* ¹ and 210,* ¹	9
English 300a, 300b, 302a, 302b, 302c, 309a and 309b, or 309a and 309c, 390, and 485,* plus 495a or 495b, 471b and one 400-level English course from each of the following: Poetry or Fiction ²	49
Two years of college work in one foreign language	18
Total required for major teaching area	76

¹ Prerequisite: GSC 103.

² Departmental honors program students may take English 497a,b, c (12 hours).

Foreign Languages

GSD 140a,* 140b,* 140c*	9
Spanish 201a, 201b, 201c, ¹ 310a, 310b, 310c (or 333a, 333b, 333c—at least four of the six courses required), 320a, 320b, 320c	27
Spanish electives (400 level) minimum of nine hours (may include Romance Philology)	9
Methods of Teaching a Foreign Language (FL-353) (German 353, Russian 353, Spanish 353, French 353)	4
Total for major teaching area	49

Concentrations are available in French, German, Spanish, Russian, Greek and Latin. Other concentrations follow the model presented. Students having four years of high school language generally begin with 300-level courses.

¹ Prerequisites: one year college foreign language or successful passing of placement tests in the case of students with three years or less of high school foreign language work.

Geography

GSA 331	3
Geography 300, 302, ^{1 2} 304, ¹ 306, ¹ 310a, ¹ 490a, 490b	24
Geography—at least one sequence at 400-level	7
Geography electives ³	14
Total required for major teaching area	48

It is recommended that the student complete the Illinois Office of Public Instruction's requirements for a social studies major teaching area.

¹ Prerequisite: Geography 300 (concurrent enrollment permitted).
² Prerequisite: GSA 331-3.
³ GSB 355 and Geography 443 strongly recommended.

Government

48 hours to be selected from the following:	
GSB 211b, GSB 385 * and 390 *	10
Government 231, 232, 305, 315, 330, 360, 371, 379, 380, 420, 466, 467, 472, 495	38
Total required for major teaching area	48

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for a social studies major teaching area.

Health Education

Health Education 300, 301, 305, 312, 325, 334s, 400, 405, 471, 491	37
Electives in Health Education	11
Total required for major teaching area	48

Students interested in Community Health Education should choose electives from Health Education 355, 488, 489, and 490.

Students electing majors in health education are encouraged to secure 36 quarter hours in natural science or, if preferred, to secure a secondary concentration in biological sciences consisting of GSA 201a,* 201b,* and GSA 301 *; Botany 300, 301, 313, 449; Zoology 102, 103; and Microbiology 301.* Other suggested concentrations in related fields are physical education, home economics education and recreation.

Electives in journalism (Recommended electives are: Journalism 214, 260a, 370, 391)	20
Total required for major teaching area	48

Language Arts (with Social Studies, for Junior High School)

GSC 101a,* 101b,* 102b,* 201a,* 201b,* 211a,* or 211b,* 300a,* 300b,* 300c*	33
GSC 201,* 202,* 210,* 345 *	12
GSC elective in Literature *	3
GSD 101a,* 101b,* 103 *	9
GSE 201 *	3
English 300, 302a, or 302b (or) 302b, 302c, 309a, 309b, 390	22
Journalism 101	3
Instructional Materials 406	4
Government 232	5
Geography 300	4
Electives	11
Total required for major teaching area	109

Mathematics

Mathematics 111a,* 111b,* 150a, 150b, 252a, 252b	29
Physics 211a (211b and 211c recommended) ..	5
Electives in Mathematics 30 hours of 300 level courses (excluding Mathematics 310 and 410). Nine hours of courses must be 400 level or higher	30
Total required for major teaching area	64

A reading knowledge of a foreign language is required.

The student must earn a *C* or better for courses number 150 or higher to count towards the major.

Music

GSC 357a, 357b, 357c	(6) + 3
Music (theory) 105-12, 205-9, 326-4 or 441-4	(3) + 22
Music (applied) 11 quarters of major ensemble	11
9 quarters of primary instrument or voice	18
Piano proficiency or class	0-6
Voice Proficiency or class	0-1
Music (education)	
Choral: 300a, 305v, 309a, 318a,c, 451 or Instrumental: 305i, 309a, 318a,b, 451, and class strings, woodwinds, brass and percussion	(6) 15-18
Music electives	9-6
Total required for major teaching area .	78-85

Physical Education—Men

GSE * (Any three of the one-hour activity courses, or	
Physical Education—Men 100A through M, ¹ 101, 303, 305, 341, 350,* 354, 355, 370, 376, 420 ²	46
Physiology 300	4
Physical Education—Men: Any one sports theory course	2
Total required for major teaching area	52

¹ Four quarter hours of the total may be counted in the previously listed teaching methods requirements.

² Prerequisite: GSA 301.

370 substitutes for Guidance 422 on professional education requirements for majors.

22 / Teacher Education Programs

Physical Education—Women

Physical Education—Women 113, 114, 211, 212, 222, 224, 228, 242, 244, 303, ¹ 304a, 304b, 304c, 304d, 304e, 309, ² 350, 351, 352, 353, 354, 355, 370	53
Health Education 334s and 460 (or 350 for Elementary Education)	8
Electives	5
Total required for major teaching area	66

¹ Prerequisite: Physiology 300–3.

² Four hours have been counted previously in meeting the general education methods requirements.

Physical Science

GSA 201a,* 201b,* 301,* 312 *	15
Botany 300, 301	6
Chemistry 111a, 111b, 111c, 325, 305a, 305b, 350	28
Microbiology 301	5
Physics ¹ 211a, 211b, 211c, 310	18
Zoology 102, 103	10
Physics Electives	7
Total required for major teaching area	89

¹ Prerequisites: GSD 114a, 114b, 114c.

Physics

Physics 111a,b,c and 112a,b,c or 206a,b,c and 207a,b,c or 211a,b,c	12–15
33 hours of 300-level or above Physics courses including 301, 305a, 305b, 415a, 415b, 415c, 415d and six hours of laboratory courses selected from 307, 311, 312, 418	27
Electives	9–10
Total required for major teaching area	48–52

Social Studies

GSA 331 *	3 ¹
GSB 101b,* 101c,* 201b,* 201c,* 211a,* 211b,* or Government 300 or Government 231, 300a,* 300b,* 300c *	33 ¹ –34
Economics 214, 215	8
Government 232	5
Sociology 301	4
Geography 300, 302, 304, 306	16

Electives: To total a minimum of 12 hours in each of the following: American history, civics and political science, economics, geography, sociology, world history, and 8 additional hours from American history	27
Total required for major teaching area	96-97

¹ 27 hours of this total may be used to meet general studies requirements as follows: GSB 24 hours, GSA 3 hours.

Special Education

Education of the Mentally Retarded

Special Education 410b, 411, 413b, 414, 420b . .	20
Elementary Education 351b (Student teaching mentally retarded)	12
Guidance 412, 422a	8
Psychology 301	4
Speech Pathology and Audiology 428	4
Electives (300-level or above)	8
Total required for major teaching area	56

Education of Maladjusted Children

Special Education 410a, 411, 413a, 414, 420a	20
Elementary Education 351b (Student teaching with Emotionally Disturbed), 337 . .	16
Guidance 305	4
Psychology 301, 305, 431, 465	16
Sociology 373	4

¹ Hours depend upon number of months of trade experience.

Zoology

Mathematics 111a, 111b	(9) + 1
Chemistry 111b, 111c	(4) + 6
GSA 201a,* 201b * or 210a,* 210b *	(4) + 4
Zoology 102, 103, 202, 300, 310, 382, 401	31
Electives (May include GSA 312,* 313,* or 315 *)	13
Total required for major teaching area	55

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for biological science or general science teaching certification, and a minor teaching area in botany is recommended to enable the student to certify to teach biology and botany.

3 / Minor Teaching Areas

Biological Sciences

	QUARTER HOURS
GSA 201a,* b * or 202a,* b *	8
Botany 300, 301	6
Microbiology 301	5
Zoology 102, 103	10
Biology Electives	5
Total required for minor teaching area	<u>36</u>

Botany

GSA 201a,* 201b,* 340,* 345 *	(4) + 10
Botany 300, 301	6
Electives in botany	<u>12</u>
Total required for minor teaching area	28

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for biological science or general science teaching certification, and a major teaching area of zoology is recommended to enable the student to certify to teach biology and botany.

Chemistry

GSA 101b * with Chemistry 101b (equivalent to Chemistry 110)	4
Chemistry 111b and Chemistry 111c	10
Chemistry Electives: A minimum of 13 hours from at least two of the following: 235, 305a, 305b, 341a, 341b, 341c, 350	<u>13</u>
Total required for minor teaching area	27

Driver and Safety Education

Health Education 302s, 313s, 442s, 443s, 475s, 323s or 334s	24
Electives in Driver and Safety Education or Approved Cognate Courses	<u>6</u>
Total required for minor teaching area	30

Economics

GSB 211a *	3
GSD 110 * ¹	3
Economics 214, 215, 315	10
Electives (any three): Economics 310, 330, 429, 440 and 441	12
Total required for minor teaching area	28

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for social studies certificate.

¹ Prerequisite: GSD 108b * or 114b *

English

GSC 202, * and 201 * or 210 *	6
English 300a, 300b, 302a or 302c, 302b, 309a, 390	21
Electives from the following: GSC 317,* 318,* 345a,b,c,* 351a,b,* 365 *	3
Total required from minor teaching area	30

Foreign Languages

GSD 140a,* 140b,* (3,3,3 but counted toward foreign language minor as only)	6
Spanish 201a, 201b, 201c; ¹ 310a, 310b, 310c; 320a, 320b, 320c; or 333a, 333b, 333c	24
Electives (May include 2-6 hours of Spanish conversation/composition, which electives should be in 300- or 400-level courses or FL-353: Methods of Teaching a Foreign Language)	6
Total required for minor teaching area	30-36

Concentrations are available in French, German, Spanish, Russian, Greek, and Latin. Other concentrations follow the model presented. Students having four years of high school Spanish begin with 300-level courses.

¹ Prerequisites: one year college FL or successful passing of placement tests in the case of students with three years or less of high school foreign language work.

Geography

GSA 331	3
Geography 300, 302, ^{1 2} 304, ¹ 306, ¹ one 400-level course ¹	20

Electives in Geography ³	4
Total required for minor teaching area	27

- ¹ Prerequisite: Geography 300 (concurrent enrollment permitted).
² Prerequisite: GSA 331-3.
³ Geography 443 strongly recommended.

Government

GSB 385,* 390 *	6
Government 231, 232, 305, 315, 330, 360, 371, 379, 380, 420, 466, 467, 472, 495	21
Total required for minor teaching area	27

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for a social science teaching certificate.

Health Education

GSA 301 *	4
Health Education 300, 305, 312, 334s, 350 or 460, 471	23
Electives in Health Education	7
Total required for minor teaching area	30

History

GSB 101b,* 101c,* 300a,* 300b,* 300c *	17
Electives: 300- or 400-level history courses balanced between American and foreign his- tory, at least six hours on the 400-level to total	13
Total required for minor teaching area	30

Home Economics

Home Economics Education 309	6
Electives from the following, 25 hours: Clothing and Textiles 127, 131, 135, 233, 323, 327 Food and Nutrition 105, 206, 320, 335 Home and Family 227, 237, 332, 324, 341	25
Total required for minor teaching area	31

Instructional Materials

Instructional Materials 308, 403, 405, 406, 407, 417,* 420	28
Total required for minor teaching area	28

30 / Teacher Education Programs

Mathematics

GSD 114b,* 114c *	6
Mathematics 150a, 150b, 252a	15
Electives (above 252 except 410)	12
Total required for minor teaching area	33

Students must earn a C or better for courses numbered 150 or higher to count towards the minor teaching area.

Microbiology

Microbiology 301 and 302	10
Electives in Microbiology	14
Total required for minor teaching area	24

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for a biological science teaching certificate.

Philosophy

GSC 102,* 207,* 208,* 301,* 382,* 483 *	18
Philosophy 301 and 340	8
Electives	4
Total required for minor teaching area	30

This must be taken in conjunction with some other major teaching area. The student should consult with his adviser for appropriate combinations.

Physical Education—Men

GSA 301 *	4
Physical Education—Men 100A through M, ¹ 303, 305, 350, 354, 370, 376	36
Physiology 300	4
Total required for minor teaching area	44

¹ Four hours of the total may be counted in the previously listed teaching methods requirements.

Physical Education—Women

Secondary School Teaching

Physical Education—Women 113, 212, 222, 224, 242, 304a, 304b, 304c, 304d, 304e, 309, ¹ 353, 354	24
Health Education 334s	4

Physical Education—Women / 31

Electives (activity courses)	2
------------------------------------	---

Elementary School Teaching

Physical Education—Women 113, 212, 222 or GSE 112, 113b,d, 304a, 304b, 309, ¹ 350 or 319, 353, 354	22
Health Education 334s	4
Electives (Activity Courses)	4

Teaching Minor (Dance)

Physical Education—Women 212, 222, 242 or GSE 113a,b,d,e, 273, 309, ¹ 312, 313, 374, 376, 405	23
Music 200	3
Electives	2-4
Total required for minor teaching area	30

¹ Four hours have been counted previously in meeting the general education methods requirements.

Physics

Physics 206a,b,c, and 207 or 211a,b,c	12-15
Electives from the following: Physics 300, 301a, 305a,b, 310, or 405	12
Total required for minor teaching area	27

The prerequisite for each course in the left hand column below is listed in the middle column below. The prerequisites for the courses in the middle column are listed in the right hand column.

<i>Physics</i>	<i>Prerequisites</i>	<i>Math Prerequisites</i>
206a,b	GSD 114c*	3 sem. hrs. H.S. Algebra
211a,b	Math 150b	Math 150a

301a	Math 305a	Math 252b
305	Math 305a	Math 252b
405	Math 305a	Math 252b

Physiology

GSA 302 *	3
Physiology 315a, 315b, 315c ¹	15
Electives: (Courses in botany and zoology are recommended)	9
Total required for minor teaching area	27

It is recommended that the student complete the Illinois Office of Public Instruction's requirements for the biological science major teaching area.

¹ Prerequisite: GSA 201a, 201b, 201c.

32 / Teacher Education Programs

Speech

Speech 102, ¹ 202, 205, 209, 323, ¹ 406	21-22
Theater 208 or 308, 402a	4-6
Electives with departmental approval	2-5
Total required for minor teaching area	30

¹ Prerequisite: GSC 200, GSD 103.

Technical and Industrial Education

Industrial Arts Teaching

Technology 100, 101a, 101c	8
Industrial Technology 309a, 312a, 320a, 322a, 327a, 332a, 343a	24
Technical and Industrial Education 491a * ..	3
Elective	1
Total required for minor teaching area	36

Zoology

GSA 201a,* 201b *	(4) + 4
Zoology 102, 103, plus one lab numbered above 199	14-15
Electives to total required hours	8-9
Total required for minor teaching area	27

It is recommended that the student elect courses to meet the Illinois Office of Public Instruction's requirements for biological science or general science teaching certification, and a major teaching area in botany is recommended to enable the student to certify to teach biology and botany.

Southern Illinois University Bulletin

Guidelines

FOR PROSPECTIVE STUDENTS

OBJECTIVES OF SOUTHERN ILLINOIS UNIVERSITY

TO EXALT BEAUTY

*In God,
in nature, and
in art;
Teaching how to love the best
but to keep the human touch;*

TO ADVANCE LEARNING

*In all lines of truth
wherever they may lead,
Showing how to think
rather than what to think,
Assisting the powers
of the mind
In their self-development;*

TO FORWARD IDEAS AND IDEALS

*In our democracy,
Inspiring respect for others
as for ourselves,
Ever promoting freedom
with responsibility;*

TO BECOME A CENTER OF ORDER AND LIGHT

*That knowledge may lead
to understanding
And understanding
to wisdom.*

To the Prospective Student....

"GOING AWAY TO COLLEGE" is one of the most exciting expressions in the American language. And the actual experience is just as exciting whether you attend Southern Illinois University or one of the more than 2,200 other colleges and universities in America. "Going away to college" is year by year growing more applicable to millions of Americans because today a college education is not only the logical but the necessary extension of your high school education. The extension is necessary in order that you acquire more knowledge and skills which will help you contribute to and cope with an increasingly complex and technological society.

But "going away to college" can be a bewildering experience because you may not be sure what questions to ask, fearing to expose your innocence in such matters. It was for this very reason *Guidelines for the Prospective Student* was designed. In it we hope to anticipate your questions and to supply you with information which we think you should know in order to make an intelligent choice of schools. There are very few larger decisions you will make in life than choosing a college, larger in the sense of giving your life direction, purpose, substance, and pleasure. Conceivably your choice of college could be the largest single decision you will make in your lifetime.

If you choose to attend Southern Illinois University, every effort will be made to stimulate you intellectually, to help you develop an appetite for ideas, to present you with new ideas that will cause you to re-examine your own, and to inculcate in you a proper respect for learning. Life will become a blend of lectures and laboratories, a series of reading bouts with books and debating sessions with friends, a period of discoveries, some with shattering implications, some with soothing affirmations.

But learning is not confined to the classroom. It takes place wherever you go, to the "Muny" Opera in St. Louis, a sporting event, an art exhibit, a concert, a play, a modern dance performance, a jazz-and-poetry concert, yes, even a hootenanny. Southern Illinois University will provide opportunities for you to experience such events. You will be urged to take advantage of as many of them as you reasonably can.

Whatever your choice of school, we wish you well with your classes and extracurricular activities and know you will find "going away to college" both exciting and rewarding.

Southern Illinois University

CARBONDALE/EDWARDSVILLE

S O U T H E R N I L L I N O I S U N I V E R S I T Y
is a multi-purpose and diversified university that, since its establishment in 1869, has sought to meet the educational needs of the times for the people which it serves as a public institution. It is fully accredited by the North Central Association of Colleges and Secondary Schools.

History

Though the student population has increased manifold from its beginnings, the formation of schools, colleges, divisions, and departments within the University enables the institution to concentrate on the special interests of its individual students. The University in enrollment ranks twenty-first in the nation. It offers facilities and faculty to give general and professional training to you ranging from a two-year associate degree program to the doctoral degree level.

Because of the growing demand for educational opportunities in the Madison-St. Clair counties area, the University established the Alton Residence Center and the East St. Louis Residence

campus there are two state parks and four lakes. The largest of the lakes is Crab Orchard Lake, four miles east of Carbondale. It has a shoreline of 125 miles and is frequented by students for swimming, water skiing, motor boating, sail boating, fishing, picnicking, camping, and hunting. Immediately south of Carbondale begins some of the roughest, most picturesque terrain in the state of Illinois.

Sixty miles north of Carbondale is the population center of the United States, while sixty miles south is the colorful and historic confluence of the Ohio and Mississippi rivers, the two forming the border of the southern tip of Little Egypt, the fourteen southernmost counties in Illinois.

The campus is undergoing extensive expansion. In addition to approximately eighty large permanent buildings and several hundred small temporary buildings, the following have recently been completed or are in varying stages of completion: the arena (seating capacity 11,000 under a 300-ft. diameter dome), general classroom buildings, communications building, School of Technology complex of buildings, and the University Park residence halls group (which consists of nine four-story residences, three seventeen-story residence halls, and complete dining facilities in adjacent dining commons), a physical science building, and a forestry research building.

4

Southern Acres contains the educational facilities of the Vocational-Technical Institute, some apartments for married students, and some residence halls for single students.

The Outdoor Education Laboratory consists of nine square miles of land adjacent to Little Grassy Lake and approximately seventy permanent structures. Although the programs conducted at Little Grassy are primarily devoted to instruction and training in recreation and outdoor education, many units of the University utilize its facilities in various ways.

EDWARDSVILLE CAMPUS

THE CENTRAL CAMPUS is comprised of 2,600 acres of rolling farm land and wooded valleys along the bluffs flanking the Mississippi River southwest of Edwardsville, Illinois.

The master plan for the Edwardsville site provides facilities for a student body of 18,000. Current enrollment exceeds 8,000.

Present buildings finished or under construction in the first phase are the library, general classroom building, communications building, science building, administration building, and a university center building.

Initially parking space for 3,000 cars will be provided and ultimately space for 12,000 cars.

The facilities of the former Shurtleff College have been leased by the University for the operation of the Alton Center. Eight permanent buildings form the nucleus of this 40-acre campus. Nine additional buildings have been prepared on a temporary basis to meet the needs of current expansion.

4

5

The East St. Louis Center is located on Ohio Street at Ninth and Tenth. Laboratories, classrooms, libraries, and other facilities of a former senior high school have been redesigned and equipped to provide for an undergraduate program at this campus. Several residences have been leased for faculty offices.

6

8

7

IF YOU SHOULD become a student at Southern Illinois University, you may be bewildered at first by the complexity of the academic, the administrative, and even the extracurricular organization of the University. Naturally it will take you some time to familiarize yourself with the schools, colleges, divisions, institutes, fields of study, services, libraries, and course offerings. Even some of the terminology will be unfamiliar to you.

Complexity

However, you can readily acquire a basic vocabulary by making yourself familiar with the terms listed in the Glossary. This familiarity will prove helpful no matter what college or university you choose to attend.

FIELDS OF STUDY

BELOW ARE the fields of study in which Southern Illinois University grants bachelor's degrees to Carbondale Campus students (indicated by the letter *C* following the field) or Edwardsville

Campus students (indicated by *E*) or both (*no letter*). A bachelor's degree normally requires four years of study.

Bachelor's Degree

Accounting c	Language Arts c
Agricultural Education c	Management c
Agricultural Industries c	Marketing c
Agriculture, General c	Mathematics
American Studies E	Microbiology c
Animal Industries c	Music
Anthropology	Nursing E
Applied Science	Philosophy
Art	Photography c
Biological Sciences c	Physical Education for Men
Biology E	Physical Education for Women
Botany c	Physics

Preprofessional

BELOW ARE preprofessional fields in which you may take one year or more of work at Southern Illinois University and then transfer to another university for professional training.

Dentistry	Occupational Therapy
Engineering	Pharmacy
Law	Physical Therapy
Medical Illustration	Public Health
Medical Technology	Theology
Medicine	Veterinary Science

Associate Degree

AT THE Vocational-Technical Institute, the following options in the two-year associate degree program are available:

BUSINESS	
Accounting	Secretarial (Executive, Legal, Medical)
Co-operative Retailing	
Electronic Data Processing	

TECHNOLOGY	
Electronic Data Processing	
Electronics Technology	
Forest Products Technology	
Highway and Civil Technology	
Machine Drafting and Design	
Technology	
Tool and Manufacturing	
Technology	
Mortuary Science	
Printing Technology	

On the Edwardsville Campus the following options in the associate degree program are available :

BUSINESS	
Accounting	Industrial Management
Child Care Services	Secretarial Studies

AT THE Vocational-Technical Institute, the following options leading to one-year certificates are available: bookkeeping-clerical, stenography, cosmetology, practical nursing, and welding. *Certificate*

ADMISSION REQUIREMENTS AND PROCEDURE

INQUIRIES concerning admission to Southern Illinois University should be directed to the Admissions Office at Carbondale or Edwardsville, depending on which campus you plan to attend. Applications for admission are accepted any time during the calendar year. *Applications and Information*

Before making formal application for admission you will probably want to know more about the University. Your first step then is to write *both* for application forms and for additional information in your field of interest.

THE PROBLEM OF what constitutes a good general education has been debated for centuries. It still continues. However, in its effort to provide you with what it considers a good general education, Southern Illinois University instituted in the fall of 1962 a program known as General Studies. This program is required of all students who are bachelor's degree candidates. *General Studies*

Therefore, you should understand: (1) why the University instituted the General Studies program, (2) what the program consists of, (3) how it will affect you as a student, and (4) how you can achieve advanced standing in General Studies both before and after enrolling in the University.

Prior to the institution of General Studies, the student was allowed to sample many different subjects without regard to their natural relationships or the time sequence in which they were taken. Too often the result was that the student wound up with a considerable number of unrelated blocks of knowledge that simply floated about in time and space.

Today, however, General Studies is structured to achieve a better understanding of the whole of knowledge by preserving unity in time and space relationships, by providing a broad base of knowledge from which you can choose and upon which you can build your life's work, and by enabling you to become a citizen capable of advancing not only technical but also social and cultural life.

Of special significance are these aspects of the General Studies

9 10

12

program: (1) it provides you with an integrated body of knowledge, (2) within this body of knowledge you will have opportunity to choose your area of concentration if you have not already done so, and (3) if you are already certain (NOTE: *surveys show that well over half of all college students change their areas of specialization at least once in their college careers*) as to what you want to specialize in, the very nature of General Studies will help counterbalance this specialization. Today specialists themselves realize that rigid concentration within any field of study may not only deprive you of broader understanding so important for participation in life as enlightened citizens and parents but *can also even result in reduced creativity in the very area of specialization.*

General Studies consists of five areas (often referred to as GSA, GSB, GSC, GSD, & GSE), which are listed below with the number of hours required:

Man's Physical Environment and Biological Inheritance	22
Man's Social Inheritance and Social Responsibilities	22
Man's Insights and Appreciations	22
Organization and Communication of Ideas	18
Health and Physical Development	6

It should be clearly understood that bachelor's degree candidates must take two years of General Studies, or approximately one-half the time required for graduation. This work is spread over at least three years, however, so that a student with a special interest may from the first test out this interest by taking a number of special courses.

Consequently, a student entering the University as a freshman or sophomore is enrolled in General Studies (except one entering the Vocational-Technical Institute). You may or may not indicate a tentative choice of your primary field of interest, but you may not formally apply for admission into a specialized field until after you have completed a minimum of 64 quarter hours.

However, *advanced standing* in specific General Studies courses may be granted to students who have had sufficient high school class work in these subjects and who score high enough on required entrance examinations. Also you are entitled to *waive* third-level General Studies courses in the area which is to be your area of concentration. And still other requirements may be met through *proficiency examinations* resulting in exemption from portions of the General Studies requirements.

For information relevant to General Studies, write to the General Studies Office on the appropriate campus. (See GENERAL STUDIES in the Glossary)

13

14

Admission of Freshmen

TO BE ELIGIBLE for admission, you either must be a graduate of a recognized high school (a graduate of a non-recognized high school may be admitted by the Director of Admissions by examination), or must have passed the General Education Development Test. A person seeking admission through the latter procedure will be considered only after his high school class would have been graduated.

All prospective freshmen must submit scores on the American College Testing Program (A.C.T.). A student has not completed his admission to the University until he has completed the A.C.T. and the results are known. The A.C.T. and other criteria are used in connection with such functions as course placement, awarding of scholarships, selection of honor students, and counseling.

An in-state high school graduate who ranks in the upper half of his graduating class or who achieves high scores on the A.C.T. is eligible for admission for the fall quarter. A student who is not eligible for the fall quarter because of low test scores and class rank is eligible for the winter quarter if he ranks in the upper two-thirds of his graduating class or if he has achieved high scores on the A.C.T. All Illinois high school graduates are eligible for admission to the summer quarter or the spring quarter. A student who ranks in the lowest one-third of his graduating class and has low test scores will be admitted on probation.

A graduate of an out-of-state high school who ranks in the upper forty per cent of his graduating class will be permitted to enter any quarter, while one in the lower sixty per cent will be permitted to enter, on academic probation, for the summer quarter provided that he shows high scores on the A.C.T.

An in-state or out-of-state lower-ranking student admissible only on probation who elects to enter during the summer quarter can qualify for fall quarter attendance by carrying at least 8 hours and completing them with at least a *C* average.

Any high school student may apply for admission after completion of the sixth semester. One who seeks admission after the sixth semester must furnish University entrance examination scores prior to his first registration. All other students must furnish examination scores prior to being admitted to the University.

16

15

Any admission granted a high school student is subject to the completion of his high school work and maintenance of rank upon which the admission was made.

Admission of Transfer Students

TO BE CONSIDERED FOR admission by transfer, you must present a full record of your previous academic work. This record includes evidence of graduation from high school and transcripts and evidence of good standing from *every* college and university attended.

Admission by transfer does not necessarily mean that all credit presented for transfer will be accepted. Transferable credit is determined through evaluation after a student has been admitted. In all cases, at least three-fourths of transferable credit from each institution must be *C* quality or above. Credit transferred from an accredited two-year institution is limited only by the provision that the student must earn the last 96 quarter hours required for graduation at Southern Illinois University or at any other approved four-year institution, except that a student must meet the residency requirement for a degree from the University.

An undergraduate transfer student with a 3.00 average may be eligible for unconditional admission in any quarter. One who does not have a 3.00 average but is in good academic standing at the school of last attendance will be considered for admission for summer, winter, or spring. One who does not have a 3.00 average and is not in good academic standing at the school of last attendance will be considered for admission for summer or spring provided there has been an interruption of schooling of

18

19

20

at least one quarter's duration and there is tangible evidence to indicate that additional education can be successfully undertaken by the student.

A transfer student suspended for any reason other than academic failure must be cleared by the Student Affairs Division before admission will be granted.

EACH FOREIGN STUDENT must submit, in addition to the regular admission papers, a questionnaire for foreign students showing all previous schooling. The foreign student must also submit an official statement attesting to sufficient proficiency in English to do successful college work. Such a student should make adequate provision for his financial needs; the University does not assume responsibility for a student who arrives with inadequate financial resources.

Admission of Foreign Students

A FORMER STUDENT of Southern Illinois University not in attendance on either campus at the close of the quarter preceding application for admission must apply to the Admissions Office for re-entrance prior to registration.

Admission of Former Students

A former student who is not in good standing must clear his status before the Admissions Office will prepare his registra-

tion permit. It is advisable for such a student to initiate re-entrance clearance early so that all inquiries may be answered and the applicant can find time to complete any requirements that may be imposed upon him.

21

22

Admission of Unclassified Students

A PERSON, not working toward a degree here or elsewhere, who wishes to register for particular courses without undertaking all of the regular plans of study may be admitted as an unclassified student. Such a student must present satisfactory evidence that he is prepared to take *advantageously* the work required.

Application for admission as an unclassified student should be made at the proper campus Admissions Office. Such a student must sign a statement indicating that he is not a degree student and that credit received cannot be applied toward a degree at this University while he is enrolled as an unclassified student.

A person desiring to register for only one or two courses may do so in the Admissions Office. A person desiring to take more than this is referred to the regular academic adviser for unclassified students. A person who has already received a bachelor's degree and wishes to register as an unclassified student is referred to the Graduate School.

27

26

23

25

A STUDENT who feels a strong desire to have an automobile at the University but who has no real need for one should accept the fact that he will not be permitted to have an automobile at the University's Carbondale Campus. This does not apply at the Edwardsville Campus.

Automobiles

Only graduate students, married students, commuters, and students with exceptional need enrolled at the Carbondale Campus, including facilities at Southern Acres and Little Grassy, shall be permitted to use, operate, or possess an automobile in the campus community. The approved use of a motor vehicle is a privilege, the abuse of which will result in the loss of this privilege. All motor vehicles owned or operated by Carbondale Campus students must be registered with the Student Affairs Division.

ADVISEMENT

AFTER YOU HAVE BEEN ADMITTED to the University, you should talk with an adviser about your educational plans and complete your registration for the quarter you expect to enter the University.

To insure that you are properly advised concerning the choice of a course of study which will fulfill the requirements of the University and prepare you for your chosen career, academic advisement has been made the special responsibility of a selected group from the teaching faculty. During your first two years you will receive prime advice from an adviser responsible to the dean of the General Studies Division. Then, when you declare a special field of interest, your General Studies adviser will refer you to an adviser representing your special field of interest. Thus, as pointed out earlier, *your formal admission to a specific field of interest will be deferred until you have attained at least 64 hours*. Furthermore, you will not be permitted to register in General Studies once you have attained 96 hours.

REGISTRATION

ADVANCED registration, during the third through the tenth week of each quarter, is used for advisement and registration for the following quarter. For example, a student who plans to attend during the winter quarter may register between the third and the tenth week, inclusive, of the fall quarter. All students are urged to take advantage of the advance registration period.

Registration for any session of the University is contingent upon being eligible for registration. Thus, a registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register for scholastic reasons, or for financial or disciplinary reasons if certified to the Registrar by the Student Affairs Division.

Detailed information about the dates and procedures for advisement and registration appears in the Schedule of Classes, available from Central Publications, Southern Illinois University, Carbondale, Illinois 62901.

If you plan to enroll in the Vocational-Technical Institute, you should write the Director, Vocational-Technical Institute,

28

Southern Illinois University, Carbondale, Illinois 62901, for information relative to advisement and registration procedures and dates. (See vTi in the Glossary) Admission is initiated through the Admissions Office at Carbondale or Edwardsville.

YOU WILL NEED A SOCIAL SECURITY NUMBER for identification purposes. If you do not have a Social Security card consult your local post office for proper procedure in procuring one.

*Social Security
Identification Number*

29

30

31

IF YOU ARE entering from high school you must furnish scores on the test battery administered by the American College Testing Program (A.C.T.) as part of the entrance process. However, Illinois students in the lowest third of their high school class seeking admission to the fall quarter must submit such test scores

Required Tests

before their eligibility for admission can be determined. Out-of-state students who rank in the lower 60 per cent of their graduating classes must submit such test scores before their eligibility for admission can be determined. High school students are encouraged to take these tests during the fall of their senior year and thus be ready for academic advisement during the following summer. Information concerning the dates when the tests will be administered at regional centers is available from the Registrar's Office at either campus.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Center, Box 451, Iowa City, Iowa 52240.) If the scores are on file at the student's former school, a request should be made for their forwarding. They are not normally sent with a transcript of grades so must be requested separately from the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

Academic Load

THE NORMAL CLASS LOAD at Southern Illinois University is 16 hours with a maximum of 18. However, a student with a 4.25 average or above for the preceding quarter may be allowed by the head of his academic unit to take as many as 21 hours. In no case may you carry, or be credited with, more than 21 hours in any quarter. (See the Glossary for ACADEMIC, ACADEMIC LOAD, GRADE POINT, GRADE POINT AVERAGE)

A student on probation may not take more than 14 hours.

To be a full-time student, one must carry 12 or more hours per quarter. A part-time student carries fewer than 12 hours.

A student may not register for more than 8 hours if he is employed full-time.

Students desiring selective service deferment must be registered as full-time students. The Registrar's Office must report to the Selective Service Board when a student changes from full to part time, drops out of school, or graduates. For graduate students, 8 quarter hours is considered full time, in most cases, for Selective Service purposes.

Grading System

IN ADDITION TO the letter grades of *A*, *B*, *C*, *D*, and *E*, Southern Illinois University employs *W*, meaning authorized withdrawal; *Ab*, meaning unauthorized withdrawal; and *Inc.*, meaning incomplete work is to be completed later. A grade of *W* given at

the end of a course is final and may not be raised by preparing any additional work.

Any student who withdraws from a class without following the prescribed procedure will receive a grade of *Ab* (which counts as an *E*) in the course regardless of when the withdrawal occurs. Official withdrawal from a course is initiated with the student's academic adviser. Withdrawal from the University is initiated with the Student Affairs Division.

Any change of grade, as upon the completion of an *Inc.*, must be reported within a year after the close of the quarter in which the course was taken.

(See Glossary for *E*, GRADE POINT, GRADE POINT AVERAGE, HONORS, HOUR, HOUR OF CREDIT, CUM LAUDE, MAGNA CUM LAUDE, SUMMA CUM LAUDE)

A student who for some reason must miss the final examination may not take an examination before the one scheduled for the class. In this case, either *Inc.* or *W* is recorded by the instructor.

The official record of a student's academic work is maintained in the Registrar's Office.

IN ORDER TO WARN STUDENTS when they are not meeting the graduation requirement of a 3.0 (*C*) average, they are placed on scholastic probation. When a student's record is near scholastic probation the words "scholastic warning" are placed on his grade report.

Scholastic Probation

Quarter-to-Quarter Progress.—A student who is in good standing will be placed on good standing-scholastic warning at the end of a quarter in which he fails to earn a 3.00 average, provided he has calculated hours and an accumulative grade point average as follows:

CALCULATED HOURS	AVERAGE
Fewer than 96	below 3.00
96 but fewer than 144	below 3.100
144 or more	below 3.150

A student on good standing-scholastic warning is returned to good standing at the end of a quarter in which he earns a 3.00 average or above. If he fails to earn a 3.00 average, he is placed on scholastic probation. A student on scholastic probation is returned to good standing-scholastic warning at the end of a quarter in which he earns a 3.00 average or above, unless he earns a sufficiently high average to return his accumulative

average above the minimum limits listed above, in which case he returns to good standing. If he fails to earn a 3.00 average, he is subject to suspension from the University. (See the Glossary for PROBATION)

Yearly Progress.—At the end of each spring quarter a student is expected to have earned a progressively higher accumulative grade point average. If he has not, he will be suspended from the University for scholastic reasons. He may seek reinstatement after a minimum of two quarters interruption, but he must furnish tangible evidence that additional education can be successfully undertaken. The end of the spring quarter hours and averages are as follows:

CALCULATED HOURS	AVERAGE
48 but fewer than 96	2.400
96 but fewer than 120	2.700
120 but fewer than 144	2.800
144 but fewer than 160	2.900
160 or more	2.950

32

33

HONORS DAY AND GRADUATION HONORS

IN RECOGNITION of high scholarship, an Honors Day convocation is held each spring. A candidate for a bachelor's degree in June or August who has maintained an average of 4.25 or more for all of his work through the winter quarter of his senior year receives special honor. Each junior having a 4.25 average and each sophomore and freshman having a 4.50 average is also honored at the convocation. Except in the case of a graduating senior, a student must be attending full time to be eligible. A transfer student must have earned the average indicated for work here only, as well as for the total record.

Graduating seniors are also recognized at commencement on the graduation program, and their diplomas designate honors granted on the following basis: Highest Honors, 4.90–5.00; High Honors, 4.75–4.89; Honors, 4.50–4.74.

(See the Glossary for "CONVO," CUM LAUDE, MAGNA CUM LAUDE, SUMMA CUM LAUDE)

AIR FORCE RESERVE OFFICERS TRAINING CORPS (AF ROTC)

AEROSPACE STUDIES courses are available to all Carbondale and Edwardsville Campus male students who qualify by meeting certain mental and physical requirements. This series of courses leads to a commission as a Second Lieutenant, United States Air Force, for the student who satisfactorily completes the Professional Officer Course.

Involved is a two-year program at the Edwardsville Campus for juniors and seniors and/or graduate students, and either the two-year or four-year program for Carbondale Campus students.

A limited number of Financial Assistance Grants are also available for qualified four-year program students.

For details of the course of study and credit hours, see the Undergraduate Catalog.

SPECIAL PROGRAMS FOR CREDIT

President's Scholar Program

THE PRESIDENT'S SCHOLAR PROGRAM (Carbondale only) helps highly able students to exploit fully the potential of the University and of each other to enrich their academic experience. Participation in the program indicates high scholastic achievement and represents a full use of the varied educational resources of the University. The program includes honors sections, informal discussions between scholars and faculty, a President's Scholars' Center and staff, and special advisement procedures.

Intercul

INTERCUL IS a new undergraduate program for intercultural study on the Carbondale Campus. Most of the courses, or special sections of courses, selected for Intercul credit are in the General Studies areas. They provide a good background for the four area studies programs: Inter-American Studies, Asian Studies, African Studies, and European and Russian Studies. It is possible for a student interested in one of the specific area studies, or Intercul generally, to receive a special major or minor in his selected field.

Outside of the framework of routine academic courses, the Intercul staff helps students plan out-of-country study and travel as well as individual self-instruction courses.

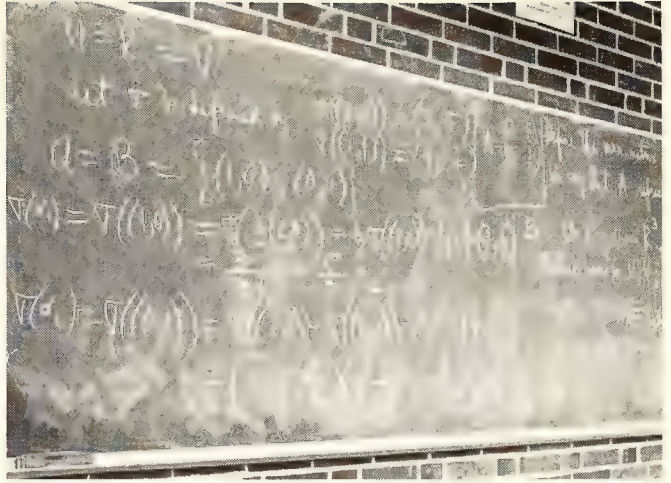

Individual Honors Work

INDIVIDUAL HONORS WORK stresses research and independent study during the junior and senior years. Chairmen may compile lists of students eligible, or through conferences they may encourage outstanding students to do honors work. A qualified student may elect to take neither fewer than 9 nor more than 21 hours toward his concentration in independent research and investigation.

Proficiency Examinations

THE UNIVERSITY recognizes the importance of providing adequate encouragement for academically talented students. It also realizes that some students come to the University with experiences or self-study that can be equated with formal classroom experiences. Thus, such students are permitted to make application to demonstrate the mastery of certain courses through proficiency examinations.

A student who wishes for the privilege of taking a proficiency examination should apply at the Registrar's Office.

The following general rules govern the program of proficiency examinations for granting undergraduate credit.

1. Any student who feels qualified to take a proficiency examination is eligible to do so; students scoring in the top ten per cent of A.C.T. are particularly encouraged to avail themselves of this opportunity.

2. Credit not to exceed 48 hours, including credit through the College Entrance Examination Board, Advanced Placement Program, may be earned through proficiency examinations. Credit will be nonresident.

3. Upon completing a proficiency examination in a course with a credit of *passing*, you will be granted regular credit toward graduation or toward any other legitimate objective. Your record will show the name of the course, the hours of credit granted, and a notation *credit granted by proficiency examination*. However, this credit will be neutral in the calculation of grade point average. If you fail a proficiency examination, your record will show nothing, but the report will be appropriately filed.

39

High School Advanced Placement Program

4. You may not take a proficiency examination for the same course more than one time. Neither may you take a proficiency examination in a course in which you have previously received a grade.

5. No credit granted by proficiency examination will be recorded until you have earned at least 16 hours of credit of C grade or above in residence at Southern Illinois University.

6. A student applying to take a test for advanced standing only should follow the same procedure. No credit is recorded regardless of grade earned.

IF YOU ARE QUALIFIED through registration in an advanced placement course in your high school or through other special educational experience, you may apply for advanced placement and college credit through the Advanced Placement Program of the College Entrance Examination Board, 475 Riverside Drive, New York, New York 10027. If you are interested, write to the University's Admissions Office to learn the current listing of courses for which credit may be earned through this program. Credit granted through advanced placement is nonresident credit,

41

40

44

42

43

46

45

47

48

49

does not carry a grade, and is not used in computing the student's average grade. Ordinarily, the maximum credit allowed through placement examination is 16 hours.

ADVANCED STANDING in General Studies can be achieved on the basis of A.C.T. scores and the high school record or through passing a special advanced-standing examination in a particular course. Once advanced standing is granted, you may not take that course for credit.

This should not be confused with the previously described High School Advanced Placement Program. (See GENERAL STUDIES in the Glossary)

*Advanced Standing
in General Studies*

FACILITIES FOR INSTRUCTION

Material Resources

IN ADDITION TO the Carbondale Campus (Carbondale, Southern Acres, Little Grassy) and the Edwardsville Campus (East St. Louis, Alton, Edwardsville), the University also operates experimental farms, fish hatcheries, wild life preserves, and a survey station in the Shawnee National Forest.

The hundreds of University buildings range from seventeen-story high-rise residence halls on the Carbondale Campus to low, flat buildings housing small animals used for experimental purposes, from the University Centers with their acres of floor space to the tiny bungalow whose kitchen is now used to prepare butterfly specimens.

Facilities range from the stubby piece of chalk to solve a difficult mathematics problem to the highly complicated electron microscope to probe the mysteries of matter, from access to over a million books in open-stack libraries to the privacy of a listening booth in a language laboratory, from an auditorium containing a class of 500 to what was previously an upstairs bedroom but is now a seminar room, from a clothing dummy to a playground full of lively children, from a print of a world-famous painting that can be checked out of a library to miniature dioramas depicting pioneer life.

And of course there are music rehearsal rooms, projection rooms, reading rooms, map rooms, rare book rooms, laboratories, listening booths, open- and closed-circuit television, programmed instruction machines in booths, and there are barns, bins, silos, and hen-houses.

But more important than land, buildings, and facilities is the faculty.

Faculty Resources

THE FACULTY at Southern Illinois University, now numbering over sixteen hundred and fifty, has been recruited from all over the United States and from around the world. It is composed of teachers, scholars, researchers, and others who have dedicated themselves to work not only on area problems but also on national, international, and "space" problems. Faculty interests are as varied as life itself, ranging alphabetically from anthropology to zoology, ranging chronologically from the study of life's beginnings to predicting population patterns ten years from now, ranging historically from the study of ancient Greek culture to

present-day economic problems in a town in *Little Egypt*, ranging artistically from the close examination of a Japanese water color to the casual appraisal of a hog.

Individual faculty members and faculty teams are at work teaching, training, and researching in dozens of nations on all the continents, while still others are training Peace Corps contingents for assignments that will in turn take them overseas.

Southern Illinois University provides the material resources and the faculty resources.

But the success of the enterprise depends mightily on what you bring to the campus and what you take away.

WHAT WILL YOUR EDUCATION COST?

THE UNIVERSITY cannot tell you precisely what your education will cost. Individual tastes vary in clothes, food, and amusements. These variations will naturally be reflected in the budgets of the individuals. One student will spend as much on a single suit as another will on his entire wardrobe, will dine on the steak circuit while another goes the hamburger route, and will lavish his cash on commercial amusements while another spends only his time on rounds of conversation or games of chess. These are cost factors about which you must decide for yourself.

However, we can list basic items which are definite, and we can supply you with some rough approximations as to what you might expect an average budget to look like.

THE FEES CHARGED STUDENTS are established by the Board of Trustees and are subject to change when necessary. At the present time, the fees charged each undergraduate student for a quarter are as listed below. Graduate students (all students who have completed bachelor's degree requirements) pay the same fees except for the Book Rental Fee; they purchase their books.

Fees and Other Expenses

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State	(30.00)	(115.00)	(172.00)
Student Welfare & Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fund Fee	3.00	6.50	10.00
<i>Total</i> —Illinois Resident *	\$33.50	\$62.50	\$90.50
<i>Total</i> —Out of State Resident	(49.50)	(149.50)	(220.50)

51

52

53

In addition to the above fees, a student is subject to certain other charges under the conditions listed below:

1. An AF ROTC equipment deposit of \$5 is assessed the first time a student registers if he is taking ROTC. This deposit,

* If you have questions about what constitutes legal residence write to the Registrar's Office for an "Application to Be Classified as an Illinois Resident."

less any charge for lost equipment, is refunded to him at the end of the year.

- 2. The fee for late registration is \$2-\$5.
- 3. A student who changes his program from the one for which he originally registered must pay \$2, unless the change is made for the convenience of the University.
- 4. The graduation fee is \$17.
- 5. A graduate student who is a graduate of a school other than Southern Illinois University pays a matriculation fee of \$5. (See MATRICULATE in the Glossary)

Students holding valid state scholarships are exempt from the above fees to the extent provided by the terms of the specific scholarship held. An Illinois State Teacher Education Scholarship, an Illinois Military Scholarship, or an Illinois General Assembly Scholarship exempts the student from paying tuition, student activity fee, and the graduation fee.

The student activity fee includes fees for limited hospitalization, entertainment, athletics, student publications, and such other privileges as may be provided.

Faculty members and university civil service employees taking courses are not charged tuition and activity fees. However, they pay the other fees as outlined above based upon whether they

56

57

58

are paying fees on a full or part-time basis, and whether they are graduate or undergraduate students.

Extension course fees are \$6 per hour plus a \$1.05 book rental fee per course.

Adult education course fees are usually computed on the basis of approximately sixty cents per contact hour.

Other charges which a student may incur are those for field trips, library fines, and excess breakage. Also, a student taking a course involving use of materials, as distinct from equipment, will ordinarily pay for such materials, for example, art supplies.

A student registering for work on an audit basis is assessed fees on the same basis as when registering on a credit basis. (See AUDIT in the Glossary)

You are entitled to a free transcript of your university record each time you have added academically to your record through work taken on either campus, provided you have fulfilled all your financial obligations to the University. There is a charge of \$1 for each additional transcript.

Payment and Refunding of Fees

FEES ARE payable quarterly during the academic year. A student who registers in advance receives a fee statement by mail and may pay either by mail or in person at the Bursar's Office in accordance with instructions accompanying the fee statement. A student who does not register in advance or who registers

during the last week of the advance registration period must pay fees at the time of registration.

Refunding of fees is possible only if a student has withdrawn from school, officially, within the first ten academic days of a quarter and only if the application for a refund is received in the Registrar's Office within ten school days following the last regular registration day. This means that for quarters starting on Monday the withdrawal from school must have been officially made within the first two calendar weeks of the quarter and the refund application received by Monday of the third week. No refunding of fees is made for a withdrawal occurring after the first two weeks.

A student who originally pays full fees and then reduces his program to fewer than eleven hours may receive a partial refund of fees, provided the reduction is officially made during the first ten days of the quarter. Refund payment will be delayed in such case until after the fourth week of the quarter.

THE STUDENT WORK PROGRAM, operating on the Carbondale and Edwardsville campuses, offers a wide variety of job opportunities. The rate of pay varies depending on the job, the skills, qualifications, and work experience of the student employee. Also the Student Work Office assists students in obtaining off-campus jobs and full-time summer employment.

Student Work

CARBONDALE CAMPUS

Estimated Expenses for Three Quarters

Approximate total of estimated expenses for three quarters is \$1,400 to \$1,900. LOW HIGH

<i>Fees</i> for full-time students are normally \$90.50 per quarter. They are, of course, higher if special fees apply.	\$272	\$272*
<i>Room rent</i> per week varies from \$7.00 to \$12.50, for 36 weeks.	252	450
<i>Food</i> may cost \$3 or more per day.	756	882
<i>Miscellaneous expenses</i> , such as school supplies, transportation, and dates, vary widely—perhaps even from \$4 to \$8 per week.	144	288

EDWARDSVILLE CAMPUS

Because there are currently *no housing facilities* on the Edwardsville Campus, the majority of the students are daily commuters. Transportation costs to and from school vary widely, and arrangements for room and board are usually made in one's own home. The estimated expenses, therefore, would be (\$272*) for tuition and fees plus transportation costs and other miscellaneous expenses.

University Housing at the Edwardsville campus is being planned.

HOUSING

University Housing

ON THE EDWARDSVILLE CAMPUS, students who wish to live away from their homes may obtain assistance and information concerning University approved living facilities from the University's Housing Office at Edwardsville.

A student desiring University Housing at Carbondale should apply to the Housing Office as early as possible because contracts are awarded in order of receipt of applications. Housing applications for an academic year are accepted anytime after September 1, of the preceding year. However, housing contracts are not awarded until admission requirements have been satis-

fied. You should refer to the admissions section of this catalog for information as to when you may make admission application. In order to assure favorable housing conditions you are advised to complete your admission processing as early as possible in the permissible time period.

63

62

64

THE HOUSING OFFICE inspects and evaluates all supervised off-campus housing accommodations. Single undergraduate students must live in Accepted Living Centers or receive special permission for an exception. Anyone seeking off-campus housing should first contact the Housing Office and request a copy of the current listing of off-campus facilities. Staff members of the Housing Office are available to help students locate off-campus facilities.

A signed contract is required for Accepted Living Centers. Be-

Off-Campus Housing

fore signing a contract or making any agreement with a householder, one should make a personal visit to the living area. If he is in doubt regarding the facilities or the contract, he should consult the Housing Office.

For information concerning University approved off-campus living facilities (Accepted Living Centers) in Carbondale consult the Housing Office.

Financial Considerations

CHARGES FOR off-campus facilities vary with the distance from the campus, furnishings provided, provisions for cooking privileges, size of room, and other related factors. Off-campus facilities which do not provide meals generally cost \$78-\$145 per quarter. However, meals can be readily obtained from local cafeterias and from the University Center on campus. A student residing off-campus should expect to spend approximately \$14 per week for meals.

Present rates (per quarter) for University Housing for a single student vary from \$292 for permanent residence halls to room only charges of \$139 for group housing, depending on room and area. Family housing rates range upward from \$95 per month with utilities in the two-bedroom apartments. Trailer space is \$24 per month plus utilities.

The University is cognizant of the fact that the costs of board and room constitute, most often, the major source of expenses in relation to the student's total education. Therefore, the rates charged by the University for the various housing units are established on the basis of current costs, and a sincere effort is made to maintain these costs at the lowest possible level. Nevertheless, *all rates for University Housing are subject to change from time to time, depending upon the prevailing cost structure and approval by the Board of Trustees.*

STUDENT SERVICES

THE UNIVERSITY does have concern for the individual student and his personal interests. Special activities and services provided include: (1) Health Service, (2) Counseling and Testing Center, (3) Academic Advisement Center, (4) Placement Service, (5) Student Activities Center, (6) special services for disabled students, (7) religious foundations' activities, (8) athletic programs, such as varsity sports in ten areas (Carbondale only), and

intramural programs, (9) academic and service clubs, (10) honorary and professional fraternities.

FINANCIAL ASSISTANCE

INSOFAR AS POSSIBLE, the University attempts to assist needy and deserving students with their financial obligations. The program of financial assistance includes scholarships, awards, prizes, grants-in-aid, and student loan funds. As part of the award program, the Board of Trustees of the University has established tuition awards known as Southern Illinois University Scholarship and Activity Awards. To apply for awards, entering freshmen are required to have ranked in the upper half of their graduating class and to have achieved a minimum comprehensive high school average of *C*.

The comparative limitations of such forms of assistance make it inadvisable for an undergraduate student to expect to meet all university expenses from such sources. The student himself normally supplies one-third to one-half of his finances through work during the summer or during school, and through his savings. (See page 31 for STUDENT WORK.)

65

66

THE LIFE OF THE STUDENT

Extracurricular Activities

STUDY is the serious business of the University student. However, the University also provides an array of extracurricular activities. And one of your problems will be deciding which of the many you will wish to cultivate. Here is a sampling of some of the areas providing extracurricular activities: student body membership, publications, athletics, music, theater, religion, and literally hundreds of clubs, including honor societies and service clubs. You will find it a bewildering array to choose from but also an excellent test of your powers of judgment of yourself and of activities.

Social Fraternities

67

FRATERNITIES AND SORORITIES are recognized by the university as an enrichment of college life. Membership is a social experience arrived at by mutual choice and selection. Each fraternal group is founded on ideals which dedicate its members to learning, leadership, brotherhood or sisterhood, character development, and social and cultural opportunity. A few of the fraternal activities include participation in homecoming and spring festival, Greek Week, Theta Xi Variety Show, Greek Track Meet, TEKE Ole-impics, Sigma Pi Volleyball Tournament, and Interfraternity and Panhellenic Councils.

A close reading of the picture captions will provide you with considerable insights into student life as well as other aspects of the total University.

68

69

THE FOLLOWING LIST of clubs will give you some idea of the variety and range of such organizations. It is by no means a complete listing but rather an alphabetical random sampling from both campuses. Which ones do you think *you* might be interested in?

Clubs

Advertising Club	Flying Salukis Club	Korean Students Club
Alton Center Players	Geology Club	Modern Dance Club
Block and Bridle Club	History Club	Psychology Club
Chinese Students Club	Humanities Club	Russian Club
Der Deutsch Club	Instructional Materials	Sagasu Judo Club
English Club	Club	Writer's Playshop
Finer Films Group		

THERE IS at least one organization in each of these areas at Southern Illinois University.

*Honorary and
Professional Organizations*

Academic Scholarship	Debate	Music
Accounting	Economics	Photography
Advertising	Education	Physics
Agriculture	Geography	Publications
Architecture	Government	Radio-Television
Business Administration	Home Economics	Sales Management
Business Education	Industrial Education	Secretarial Science
Chemistry	Journalism	Speech Correction
Commerce	Mathematics	Speech

AGAIN, random sampling shows such interest areas as:

Special Interest Groups

Amateur radio	Fencing	Politics
Campus service	Fine arts	Rocketry
Cheerleading	Folk art	Spelunking
Civil rights	Herpetology	Square dancing
Computing machinery	International relations	Synchronized
Cricket	Parachuting	swimming
Debating	Peace	

THE UNIVERSITY CENTER building is the non-academic center of each campus. Its Student Programming Board provides cultural, social, and recreational programs.

University Center Buildings

The Center provides facilities for dances, banquets, receptions, gallery exhibitions, and meetings. There are also cafeterias, lounges, a TV lounge, a music-listening lounge, study rooms, bowling lanes, pool and billiard tables, Ping-Pong tables, card and study tables, barber shop, snack bar, craft shop, locker storage space, and vending machines.

Also in the Center is the University Book Store, where you may browse or buy or both. The merchandise varies from unabridged dictionaries to ash trays.

Glossary*

The following is a list of words, phrases, abbreviations, titles, etc., most of which are to be found in use on practically every campus in America. A few have specific applicability only to Southern Illinois University, *e.g.*, *Obelisk*, which is the Carbondale Campus yearbook, or *Alestle*, the Edwardsville Campus weekly student newspaper.

Familiarity with these terms, many of which you already know, will help you no matter what school you choose to attend.

You can test your familiarity with college jargon by “translating” this sentence. You will find a “translation” of it at the end of the Glossary.

Because he took too many cuts he flunked a seminar that should have been a snap and consequently he was dropped from the Dean’s List that quarter and thereby became ineligible for a *cum laude*.

Absence policy. (See **cut**) There is no such thing as an excused absence at Southern Illinois University. Excessive absences may bring a recommendation from the instructor to the student’s dean that the offender be dropped from the class. NOTE: Everyone recognizes that there are such things as extenuating circumstances. Faculty members are always happy to hear of bona fide extenuating circumstances. Nevertheless, the first sentence stands.

Academic. In college it usually means related to class work. Example: “Academically he’s in bad shape but physically he’s great!”

Academic load. Number of hours of course work. The normal academic load here is 16 hours per quarter. (See **hour**)

AF ROTC. Abbreviation for Air Force Reserve Officers Training Corps. (See **ROTC**)

Alestle. The student newspaper on the Edwardsville Campus.

Area of Concentration. A subject or field of study chosen by a student to represent his principal interest and upon which he concentrates a large share of his efforts, preferably academic.

Audit. To attend class and do prescribed work but not receive a letter grade or credit.

Beanie. Green cap worn by freshmen a prescribed length of time and disposed of in a prescribed manner, the manner differing from school to school.

BMOC. (See **wheel**) Initials for Big Man On Campus.

Book Rental Fee. Instead of purchasing their texts, undergraduate students at Southern Illinois University pay a rental fee of \$8 per quarter.

Bursar’s Office. Students pay tuition, fees, and

* A list of basic terms with definitions.

residence hall charges, and organization officers deposit funds here.

Campus. The grounds of a college. Southern Illinois University has campuses at Carbondale, Edwardsville, Alton, East St. Louis, Little Grassy Lake, and Southern Acres. (See **VTI**)

Campused. The restriction imposed on coeds for "late minutes" on closing hours; usually entails remaining in room or residence area for a stipulated period of time. Can be imposed for other minor reasons as well.

Coed. A woman attending a college or university.

College. (See **university**) An institution of higher learning. Colleges and schools are major educational divisions of the Carbondale Campus. One may petition to enter a college or school from General Studies after completing 64 hours. (See **General Studies**)

Colloquium. Speaking together informally. (See **seminar**)

Convo. (Short for **convocation**) A cultural program open to all students but required of all freshmen on the Carbondale Campus. The program series varies from talks by foreign correspondents to performances by outstanding jazz artists. There is also an honors day convocation. (See **honors day**)

Curriculum. The aggregate of courses of study given in a university; the regular or particular course of study in a school, college, etc. Example: The English curriculum in the College of Liberal Arts and Sciences. (Plural: curriculums or curricula)

Counseling Center. A center staffed with professional counselors with whom a student may discuss freely any problem or plan that may concern him, be it personal, academic, or vocational.

Course. Any one of the studies in a systematized or prescribed series. Examples: Chemistry 111a,b,c (a year course); Speech Correction 428, Playwriting 411 (term courses).

Cum Laude. With Honor. The designation at Southern Illinois University is Honors. The lowest of three special honors for grades above average, requiring a grade point average of between 4.50 and 4.74. (See **honors**)

Cut. The vountary non-attendance of class, "convo," lecture, etc.

Daily Egyptian. The student newspaper on the Carbondale Campus.

Dean's List. The academic honor roll.

Decal (or Sticker). A gummed label applied to a prescribed place on the vehicle (depending on the model) indicating the owner or operator has University approval to use, operate, and possess said vehicle—and has paid his fee.

Degrees. Although there are many kinds of degrees, the basic ones are associate degree, usually requiring two years; bachelor's degree, ordinarily requiring four years of undergraduate work; master's degree, ordinarily requiring one year beyond the bachelor's degree; specialist's degree, requiring one year beyond the master's degree; and the Doctor of Philosophy degree, ordinarily requiring two years work beyond the master's degree.

Division. One of the parts into which the University is divided. This term is employed on both campuses, e.g., Education Division (Edwardsville), Student Affairs Division (Carbondale).

Dorm, Dormitory. Technically, a building containing a number of sleeping rooms. Obviously this dictionary definition is inadequate today. At Southern Illinois University we usually speak of a residence hall rather than a dormitory since in addition to containing sleeping quarters often it has cafeterias, classrooms, library, laundromat, TV viewing rooms, meeting rooms, and sometimes study rooms. Primarily we think of a residence hall as your college residence, which connotes the importance of developing or maintaining a meaningful way of living while at college.

E. (meaning letter grade) (See **grade point system**) The grading scale runs: A, B, C, D, and E. Thus E means fail or flunk; F is employed by many colleges and universities as its equivalent.

Elective. A course that counts toward a degree but is not required. So called because the student "elected" or chose to take it.

Emerita or Emeritus. Retired or honorably discharged from active duty because of age, infirmity, or long service, but retained on the rolls.

Extracurricular. School activities not taught in the classroom, though functioning under the guidance of the faculty, such as sports, clubs,

etc. On the Carbondale Campus there are approximately 350 such organizations and 100 on the Edwardsville Campus. Activities range from sky diving to spelunking.

Freshman. Technically, a (first-year) student who has completed less than 48 hours of course work. Academically, one who has just begun the long process of discovering how little he knows.

General Studies. (Also known as GS. See description of General Studies under "Admission Requirements and Procedure.") A required series of courses designed to provide the student with relevant and continuous subject matter, to aid him in understanding and relating discoveries, to instruct him in the use of knowledge to advance social and cultural life, and to prepare him to assume his proper responsibilities in society.

Grade Point System. The letter grade translated into a number. This University uses the five-point system: A equals 5 points; B, 4; C, 3; D, 2; E, 1. Some schools employ the four-point system, some the three-point. Obviously it is important to know what grade point system the college or university employs when discussing grade point averages. (See **grade point average**)

Grade Point Average. To find your grade point average divide your total grade points by your total hours. Example: 16 hours into 48 grade points goes exactly three times, thus a 3 point average, or, translated into a letter grade (on the five-point system), precisely a C average. Or, supposing you have amassed a total of 96 hours and your grade point total is 336. You divide 96 into 336 and the result is 3.5, or, precisely midway between a C (3.0) and a B (4.0).

Grant-in-aid. Like a scholarship in that the student is not obligated to return the money. However, a grant-in-aid may be on the basis of the student's talents and leadership rather than on high grades. For example, a recipient might excel in debate, music, leadership. Technically, scholarship implies high academic rating. However, loose use of the word has resulted in such expressions as "He's going on an athletic scholarship." It would be more precise to say, "He's going on a grant-in-aid." Simply, the terms have become blurred.

Honoraries. (Honor Societies) Organizations designed to honor students, usually for academic excellence.

Honors. (See *cum laude*, *magna cum laude*, and *summa cum laude*)

Honors day. A convocation held each spring at which outstanding student scholars are publicly recognized.

Hour. At Southern Illinois University an "hour" of class work means 50 minutes, not 60. However, though classes are preponderantly 50 minutes long, some are considerably longer, for example, lab sessions, seminars, etc. (See **seminar**)

Hour of credit. An hour of credit represents the work done by a student in a lecture course attended one hour per week for one quarter, and in the case of laboratory and activity courses, the stated additional time. A quarter hour. Example: A student attends his GSD 101a (Composition) class three hours a week. Rather than a literal total of 3×60 , or 180 minutes, he will spend 3×50 , or 150 minutes in class. Class period lengths vary considerably throughout the nation, but the 50-minute period is the most common.

Identification card or ID. You should have your identification card handy at all times. You must have it to check out books, to gain admission to various events, and even to identify yourself. Losing an ID card is the equivalent of losing a credit card. On the ID card appears your Social Security number. If you do not have a Social Security number, consult your local post office. You cannot complete registration without one.

Institute. A unit within the University organized for advanced instruction and research in an interdisciplinary subject. Permanent instructional institutes on the Carbondale Campus are in inter-American studies, labor, rehabilitation, small business management, community development, and transportation. Also there is a variety of short-term institutes ranging from banking practices to motel management.

Intercul. A new intercultural studies program for undergraduates.

Intramural. Engaged in or pertaining to a single college, or its students. Literally the word

means "within the walls." Intramural sports as compared with sports "between colleges."

Jud board or **J. board.** Committee of student members selected by residents of their living area to handle violations of regulations.

Junior. A student who has from 96 through 143 quarter hours.

LA&S. Short for Liberal Arts and Sciences. The College of LA&S offers courses in seventeen areas on the Carbondale Campus. (See **division**)

Magna cum Laude. The second highest of the honors granted at graduation requiring a grade point average of from 4.75 to 4.89. The designation at Southern Illinois University is High Honors.

Matriculate. To enroll in a college or university.

Muse, The. Edwardsville student yearbook.

Obelisk. Carbondale student yearbook.

President's Scholar Program. A special invitational program for students of high academic potential. It includes special course sections, extra-curricular discussions, and special advisement procedures.

Pop quiz. An unannounced, short test.

Probation, Scholastic. A trial period in which the student is permitted to try to redeem his academic failures.

Probation, Disciplinary. A trial period in which the student is permitted to try to redeem his failure(s) in conduct by developing a more mature approach to his personal behavior.

Proficiency, to. To be excused from taking a course by demonstrating sufficient expertness by examination. A proficiency test connotes credit as contrasted to no credit in an examination for advanced standing.

Quad. (short for **quadrangle**) a quadrangular space or court wholly or nearly surrounded by a building or buildings. Found on many campuses, particularly older ones.

Quarter. (See **semester**) One of the periods into which instruction is organized, generally 10 to 12 weeks in length. Southern Illinois University now operates on a four-quarter system.

Quiet Week. On the Edwardsville Campus, the three calendar days prior to the day on which final examinations begin. No activities or meetings of any kind shall occur then.

Registrar. The University officer who processes student admissions, coordinates the total registration process, keeps the students' academic records, and assists in certifying students for graduation.

Rhetoric. The art of prose in general. Sometimes applied to freshman composition courses and/or the text.

ROTC. (Verbalized as rot-see) Short for Reserve Officers Training Corps.

Saluki. (Pronounced suh-loo'kee) Elegant Egyptian dog adopted as the University's mascot and symbol. It resembles a greyhound and is reputed to be the fastest of all dogs.

Scholarship, on. The position of a student who, because of academic merit, leadership, athletic ability, etc. is granted money or other aid to pursue his studies. (For further obfuscatory remarks see **grant-in-aid**)

School. A particular faculty or academic unit of the University having the right to recommend candidates for degrees. On the Carbondale Campus there are schools of agriculture, business, communications, fine arts, home economics, and technology.

Section. The particular class (group of individual students) taking a course. There may be as high as a hundred sections (individual classes) taking a single course. A section might range in size from a half dozen students to hundreds of students.

Sectioning Center. Where students are assigned to particular sections, after being advised. Not to be confused with Counseling and Testing Center.

Semester. (See **quarter**) One of the periods into which instruction is organized, usually consisting of 15 to 18 weeks. One must resist the temptation to call three semesters a "trimester" because "trimester" literally means "period of three months." Southern Illinois University is on the quarter system.

Seminar. A small group of students engaged in advanced study and original research under a member of the faculty.

Senior. A student who has completed 144 quarter hours or more.

Snap. (Slang) Easy quiz, examination, even applicable to an entire course.

Sophomore. A student who has completed at least 48 but less than 96 quarter hours.

Sou'wester. Student literary magazine published on the Edwardsville Campus.

Spring break. The vacation period between winter and spring quarters.

Summa cum Laude. With the highest honor. Which means the student achieved a scholastic record during his four years of 4.90 or better. The designation commonly employed is Highest Honors.

Syllabus. A brief statement of the main points of a course. (Plural: syllabuses or syllabi)

Symposium. A collection of opinions expressed, or articles contributed, by several persons on a given subject or topic.

Term paper. As the name indicates, a paper exacted of a student by an instructor and usually due late in the term. Such papers vary so greatly in length, depth, breadth, and form as to deny specific description. Not all courses require the writing of a term paper. Often it is left to the discretion of the individual instructor.

Thesis. The word has varied meanings such as: (1) a subject for a composition or essay, (2) a dissertation usually presented by a candidate for a degree (M.A., Ph.D.), and (3) a proposition to be maintained or proved. (Plural: theses)

Thompson Point. (Short: TP) Residence area on the Carbondale Campus located on the edge of Lake-on-the-Campus, the latter large enough to permit fishing, boating, and swimming. The lake is wholly within the confines of the campus.

University. An institution of learning of the highest grade, having a college of liberal arts

and a program of graduate studies, together with several professional schools and faculties and authorized to confer degrees. Continental European universities usually have only graduate and/or professional schools.

University School. The University's research-oriented grade school located on the Carbondale Campus in Pulliam Hall.

USC. University Student Council.

VTI. Initials for Vocational-Technical Institute, located ten miles east of Carbondale on the site of the former Illinois Ordnance plant, near Crab Orchard Lake. This campus is referred to as Southern Acres. The program at VTI provides high school graduates with one and two-year college-level terminal options for training technicians. These options are designed to prepare men and women to fill the positions in business and industry between the skilled worker and the engineer or professional man.

Waive. To put aside or dismiss in connection with a course. In particular this means approval to omit some required course and take related work in the same subject area.

Wheel, a. A "Big Shot" or important person. However, this estimate might be subject to debate.

Work load. (See **hour**) Recommended maximum work load is 80 hours per month for students carrying 15 or more hours, 100 hours per month for those carrying 12 to 14 hours.

WSIU-FM. University's FM radio station (91.9 megacycles) on the Carbondale Campus.

WSIU-TV. University's television station (Channel 8) on the Carbondale Campus.

Translation of Jargon at the Beginning of the Glossary

Because he failed to attend many meetings of the class that consisted of a small group of students engaged in advanced study and original research under the direction of a member of the faculty (which in reality was an easy course to pass), he failed it, thus making himself ineligible for the academic honor roll that quarter because his grade point average fell below the necessary 4.25 required (5 points for an *A*, 4 for a *B*, etc.) and it also made him ineligible to graduate "With Honors" because to have that distinction one must maintain a four-year average of at least 4.5, which is precisely halfway between an *A* and a *B*.

Picture Captions

PARTICULAR PICTURES, discretely chosen and sequentially placed, present more vividly the memorable events, and customs which may belong to you. The picture captions, then, become a third dimension, with the written history and present procedures, and pictures, in not only preserving more completely the richness of the University's past but also giving clarity to your questions.

The captions belong to their particular number as found throughout the bulletin.

1. Morris Library, intellectual hub of the University, Carbondale Campus. "I onely endeavour to find out the knowledge that teacheth or handleth the knowledge of my selfe and which may instruct me how to die well, and how to live well." . . . Michel de Montaigne

2. Students lounge, listen, look, and talk on University Center patio during summer Symphonic Band Concert. In good weather the patio is a popular place for coke or coffee sipping and debating or just plain gossiping.

3. Aerial view of recently completed Arena Building (seating capacity 11,000), banjo-shaped building with 300-foot diameter dome.

4. Boy meets girl under umbrella fountain just outside Old Main, Carbondale Campus. The last time we looked there were some coins in the pool. However, we do not know if they were tossed to bring good luck on an exam or good luck in an affair of the heart. Either way, we wish good luck.

5. Lovejoy Library, on the Edwardsville campus, houses more than 280,000 volumes, mostly in open stacks. Before completion of the cafeteria, in the University Center, food vending machines were located in the library. These

hungry people are participating in the dedication of Lovejoy Library. Outdoor dining facilities now are roofed (Edwardsville does have rain, often at meal time) and cafeteria lines are short.

6. Landmark on the Alton campus, a wishing well. Its history goes back into the days of Shurtleff College, which is now leased by the University for its Alton Center. It is a favorite spot for students to gather and—well, wish.

7. Every campus has its customs, legends, and landmarks. This antique canon that squats blindly outside Old Main on the Carbondale Campus is perhaps the most famous landmark on that campus. Over the years it has received hundreds of coats of paint—all applied in the dead of night. By whom? That too is part of the legend.

8. This particular Saluki doesn't seem particularly elated with the way the ball game's going. Nevertheless, he is the University mascot and the Saluki dog is the school symbol. Saluki dogs are graceful, gentle, terribly speedy, and terribly expensive and rare. (See SALUKI in the GLOSSARY)

9. Typical spring, summer, and fall scene at Lake-on-the-Campus, Carbondale campus. The

beach is directly across the lake from the Thompson Point residence halls. There are a change and shower house, life guards, diving raft, children's wading area, picnicking tables under domes, and even a tiny island with a big tree. Within walking distance? Certainly.

10. Every fall this scene can be duplicated at thousands of depots across the nation as thousands of students head for the two thousand colleges and universities in America. The stickers are different but the contents of the suitcases and accompanying dreams are pretty much alike. It's one of the most memorable moments you will live through.

11. Thompson Point residence halls clustered on a headland that juts into Lake-on-the-Campus. You can boat on the lake, swim and fish in it, picnic by it, hike around it, and sometimes ice skate on it, though we cannot guarantee the skating.

12. Aerial view of part of Crab Orchard Lake's 125 miles of shore line. The lake, four miles east of Carbondale, is frequented by students for swimming, water skiing, boating, and picnicking. The lake is the largest body of water in southern Illinois.

13. An example of the latest in auditorium design: curved walls for improved acoustics, illumination via in-set lights, air conditioning, wide center aisle running crosswise rather than lengthwise. Too, the rows are so spaced as to obviate stepping on other people's feet.

14. Neely Hall, women's residence hall on the Carbondale campus. Its seventeen stories (170 ft.) make it the tallest building designed for human occupancy in the state of Illinois south of Springfield—except for Grinnell Hall and Smith Hall. These three towers can house more than 1,600 women and 800 men. Elevators? Come and see.

15. Home Economics Building: contains classrooms, seminar rooms, laboratories, offices, a home management house on the roof, child development laboratory, elevators, two fireplaces, and is air-conditioned. The iron fence in the foreground will remind you that Southern Illinois University is nearly a century old.

16. As the University annexes property for its expanding campuses, it also annexes homes which are sometimes used as temporary quarters

for various departments. Eventually all departments will find permanent homes in permanent buildings. Until then, these will continue to be signs of the times.

17. Night classes, some lasting until past ten o'clock, and Saturday classes are offered for those who work all day. The current schedule of late afternoon, evening, and Saturday classes at Edwardsville includes more than 300 courses. The library is open weeknights. Extended hours help also to prevent overcrowding of classrooms and libraries.

18. How about a college degree in two years? The Vocational-Technical Institute offers associate degrees in business and technical fields ranging from accounting and aviation technology to retailing and mortuary science. Check pages 6 & 7 for the complete list. (Also see VTI in the GLOSSARY)

19. View from the second floor of Old Main and reminding that it does snow at the University on occasion. And that somebody is proud to be from Benton. You are wondering about overshoes? By all means bring them. Skates? A fifty-fifty chance. Skis? Don't bother.

20. Students heading for class on a winter morning by way of Thompson Woods, proving again you will encounter snow at the University though not the deep, long-lingering variety. So at Southern Illinois University you will find four distinct seasons and four matching school quarters: fall, winter, spring, and summer.

21. Twenty miles east of the city of St. Louis this orchard and bean field have blossomed into the Edwardsville campus. It is a completely planned campus, from the actual location of the site to the precise location of a TV screen for closed circuit classroom viewing.

22. An aerial photograph of the buildings that make up the Edwardsville campus complex. A unique feature of this planned campus is that it is a commuter's university, without residence hall facilities. However, strategically located and ample parking lots are being constructed to serve a student body of 18,000.

23. You will find your fellow students vary in their study habits. Some prefer a noisy clutter, some a more orderly arrangement of familiar keepsakes, and some prefer simply quiet and a bare desk top. In the final analysis, you, and only

you, will do the learning. Objects learn little, if anything.

24. Proving that you can study just about anywhere, this coed occupies her time by studying while waiting in a car. You too will find yourself studying in many places other than in the quiet of the library or your room.

25. There comes a time in the day's occupation when a bit of "shuteye" is not only excusable but necessary. This is not uncommon sight during the last week of the quarter. Still, one of the three is quietly "hitting the books."

26. Perhaps you will like to study in the midst of an orderly display of pictures, dance programs, organization insignia, mementos of all kinds. Perhaps the greatest study aid, however, is still a bright roommate or friend. Maybe **you** will be that roommate or friend.

27. Although this coed has to pay for the use of a commercial laundromat, she is making it pay off by utilizing her time in study. One thing you will learn in college is: you can study just about anywhere.

28. Familiar sight outside Shryock Auditorium after university convocation. The freshman class has grown so large as to require a 10 a.m. and 1 p.m. "convo" each Thursday. Only outstanding public figures and top performers and personalities appear on these programs. (See CONVO in the GLOSSARY)

29. Well lighted classrooms, like this one, help to brighten many potentially dreary Monday mornings. Think of starting your weeks at 8:30 in this class in conducting, taught by Dr. Warren Joseph, professor of music in the Fine Arts Division, Edwardsville Campus.

30. Dr. Luis Baralt teaching a seminar on the philosophy of Henri Bergson. Dr. Baralt before coming to Southern Illinois University was Dean of the School of Philosophy and Letters, University of Havana. (See SEMINAR in the GLOSSARY)

31. Professor Thomas Cassidy, 1962 Recipient of the Great Teacher Award voted by the SIU Alumni Association, lecturing to his GSC 103 class titled Masterpieces of Literature. Every third meeting the class is broken up into small discussion or "quiz" groups. Note: The "Periodic Chart of the Elements" is a reminder that Browne Auditorium is primarily a science lecture

and demonstration auditorium. (See GS in GLOSSARY)

32. In an attempt to meet ever-mounting enrollments with high quality instruction and efficiency, Southern Illinois University employs closed-circuit television in some courses. Ordinarily these taped programs run a half hour with the classroom teacher taking over for the remaining twenty minutes. Programs are taped by the University's TV station, WSIU-TV, Channel 8. (See HOUR in the GLOSSARY)

33. Dr. Harry T. Moore, international authority on authors D. H. Lawrence and James Joyce, conducts a two-way telephone lecture-interview to classes on a half dozen campuses in Mid-West states. Dr. Moore conducted this far-flung class from his home in Carterville, Illinois.

34. There is no picture for this number.

35. Programmed instruction employing the latest machines is employed wherever feasible and demonstrably capable of doing the job. The University's instructional materials department has been pioneering in this area for years with the assistance of Federal grants.

36. The aftermath of a Linear Algebra I math class. As you can see, all the time-honored classroom ingredients are present: blackboard (only brown), chalk, eraser, and a very much alive teacher.

37. It seems the clarinet section is staying after the regular rehearsal for some private direction. They are not rehearsing in the street. Background is downtown London, part of the set for the musical **My Fair Lady**.

38. Not all class work is done in the classroom, the laboratory, the auditorium, or the studio. Weather permitting, considerable sculpturing is done in the outdoors. The sound of hammer on chisel and chisel on wood or stone is a familiar one.

39. The bicycle is now an integral part of practically every college town and campus. The University provides special bike racks in chained off areas and even special sidewalks for cyclists. Today in a bike basket you will find the wisdom of the world—often in paperback.

40. Students walking to class through Thompson Woods from their residence halls on Thompson Point, Carbondale campus. Paved paths pro-

vide pleasant walking through the lush wooded area in the heart of the campus. (See TP in GLOSSARY)

41. More and more students are acquiring the habit of browsing in the University Book Store in the University Center. Students are encouraged to form their own private libraries, something highly desirable and not altogether bankrupting, thanks to paperbacks.

42. Not all paddling is done by fraternities. This couple are out for a canoe ride on Lake-on-the-Campus. In the background is a student angler standing on one of the fifteen concrete piers that make fishing here a dry-footed sport. Canoes, rowboats, and bicycles can be rented at the boat dock.

43. Coed studying in a far corner of the Roman Room, main cafeteria of the University Center, Carbondale campus. One of the secrets of a successful college career is the utilization of those "free" hours between classes.

44. A photography student's triple exposure impression of student life at the University: 1) boy meets girl, 2) a local theater showing an "art" film at the Late Show beckons, but 3) so do many blazing neon signs.

45. Not all work and not all play, that's the recipe for a happy and successful college career. These students are taking time out to stage a turtle race. Tastes vary. Perhaps you would prefer a picnic, a game of softball, a ride on a tandem bike, or just a simple nap?

46. A generation ago college students would have hooted at the very idea of a hootenanny (*American College Dictionary*, 1948, didn't carry the word). As on campuses all over America, the hootenanny is a popular and swingin' affair. The banjo is back and so is the dulcimer and so are many fine old folk tunes. If you're wondering about that instrument, bring it!

47. A delegation from AF ROTC calls upon President Delyte W. Morris to present him with tickets to the upcoming "Revue in Blue," staged annually by the AF ROTC. The revue consists of talent from members of the cadet corps and the Angel Flight, coed singing group attached to the corps. The following night the Military Ball is held.

48. It takes a trophy to bring about smiles like

these. Winners in the All-School Theta Xi Variety Show. The winter quarter show features only the best group and individual acts. During intermission the Service to Southern Illinois University awards are presented to two outstanding students in recognition of their service.

49. Members of the Southern Players getting ready to tour American army bases in the North Atlantic sponsored by the American Education Theater Association in association with the USO. The players performed **Born Yesterday**. The month-long tour took them to Labrador, Newfoundland, Iceland, and to within the Arctic Circle in Greenland.

50. Small fry reacting variously to what the Southern Players are doing on stage. Every fall the Department of Theater sends a troupe of Southern Players on the road to perform an adult and a children's play. The tour though preponderantly in southern Illinois has taken the troupe to northern Illinois and Michigan. It's possible you recognize someone in this picture.

51. National Collegiate Championship in gymnastics, 1964, Southern Illinois University's first national university division title. The title was especially sweet as the Salukis had finished second in the three previous years. College division championships were won in tennis, golf, and baseball. The University is consistently a "powerhouse" in track, swimming, and wrestling as well.

52. This is the kind of form that has made Southern Illinois University gymnasts famous and brought the school the national championship. The University now attracts top high school gymnasts from all over the United States and has won three NCAA titles.

53. A saluki cager dunks one in the closing minutes of the last basketball game played in the Men's Gym. Basketball games are now played in the Arena. Saluki basketball teams consistently rank in the Top Ten small college ratings and finish high in the NCAA college division tournament at Evansville, Indiana. In 1967 they captured the National Invitation Tournament at Madison Square Garden.

54. The women's gymnastics program though only introduced recently at the University has already produced some of the best women gymnasts in the country. Proof of the popularity of

the sport with the student body is the filled bleachers in the Men's Gym. Maybe that daring young man will turn out to be a daring young coed on the flying trapeze.

55. One of the highlights of the summer quarter is the performance of a Broadway musical. Among musicals produced have been **Oklahoma**, **South Pacific**, **Most Happy Fella**, **Pajama Game**, and **Music Man**. Southern Illinois University was among the first amateur groups to perform **My Fair Lady** after its release.

56. The marching Saluki Band big brass give out with the big sound during half-time festivities while a majorette synchronizes her actions with six other majorettes. Saluki band uniforms vary, depending on the section of the band. Majorette uniforms vary too but are in harmony with the band uniforms.

57. Jazz drummer Dave Black, backed up by the Marching Saluki trumpeters, puts on a dazzling exhibition during the half-time entertainment at a night football game. The University presently has no league affiliation in football, but the schedule finds the Salukis facing teams from eight states, ranging from Texas to Michigan.

58. We can't tell if this coed is pleased or displeased. However, it is obvious she is making her sentiments known. And that's why we have cheering sections and cheer leaders—so you won't just sit there!

59. Homecoming: decorations, coronation, concert, play, parade, bands, floats, football game, stage show with nationally known comic and/or musical group, and, of course, the homecoming dance in the ballroom with a Big Name Band.

60. Some idea of the scope of the student work program is found in these figures: on the Carbondale Campus alone over 4,000 students work at 166 different jobs; average earnings range between \$650 and \$700; 1,400 were employed part-time by area employers. **The University believes that the academically capable, financially needy high school graduate should have an opportunity to develop his potentialities in an institution of higher learning because both the individual and society benefit from such an education program.**

61. When judges pick beauty queens these days they look for more than just pulchritude.

It seems a lass must also be able to dance or play an instrument or emote a spate of lines from *The Bard*. This queenly contestant's talent ran to blues singing. Of course, pulchritude is definitely not a handicap.

62. Big Name entertainers are brought to the campus. Among the many in recent years were Charles Laughton, Johnny Mathis, Dick Gregory, Count Basie, Shelley Berman, Basil Rathbone, New Christy Minstrels, Josh White, Al Hirt, The Tijuana Brass, and—of course, the Smothers Brothers.

63. If you like to play, compose, or simply listen to music, you'll find ample opportunity to do any or all three, from soloing to playing with a full symphony orchestra, from informal singing with a quartet to formal participation in a glee club, from experimenting with mechanical sounds to submitting to the rigorous demands of grand opera.

64. There is no doubt that campus life has become more informal, especially in matters sartorial. The saddle sport shoe has given way to the sandal, the pump to the thong and flat, the long, full skirt to something considerably less than full and long, the tux to the sport jacket. But it's still possible to be strictly formal with tails and tie, as is this young man on his way to a concert—to sing.

65. Group of students rehearsing a reading for the recently activated Interpreters Theater. They perform before campus, community, and even area organizations. Readings range from poetry to prose, from comedy to tragedy. Sometimes the readers are accompanied by jazz musicians or even dancers.

66. A dozen red roses, a crown, and the title of Queen, they are all yours if you have the talent—and the pulchritude. The University has had perhaps more than its share of contenders for Miss Illinois and Miss America. We have no intention of reducing this share if we can help it.

67. Like these two sorority sisters, you never know what you might be doing—or when—in preparing a float for the Homecoming parade or decorations for the sorority house. But we feel reasonably safe in predicting you will probably also be wearing a sweatshirt and Levi's.

And one thing more. You will come to know the many uses for which chicken wire is most admirable.

68. Student editor of the **Daily Egyptian**, student newspaper on the Carbondale Campus, editing a piece of copy turned in by a student reporter. Experience can be gained in every phase of journalism, from reporting to editing, from selling ads to reviewing plays, from inter-

viewing a national figure to lampooning with a cartoon.

69. At Southern Illinois University is perhaps one of the most extensive student work programs in all America. A random sampling shows students working as: model, tutor, trailer court manager, projectionist, taxidermist, library clerk, typist, mail carrier, meat carver, bus driver, sign painter, and cashier.

| Dec. 2 | Last day to withdraw from school or a class. |

General Information

1

THIS BULLETIN contains the schedule of classes to be offered at the Edwardsville Campus and the Alton and East St. Louis centers for the fall quarter of the 1968-69 school year. It also provides information relative to advisement and registration, fees, and allied information.

The Edwardsville Campus provides a full schedule of class offerings for day and evening students. Freshman and sophomore courses are scheduled for day and evening students at the Alton and East St. Louis centers.

GUARANTEED CENTER SCHEDULES

A program of Guaranteed Schedules for the centers has been established. Certain courses and sections at the centers are guaranteed on schedules extending through the fall, winter, and spring quarters. These classes will not be cancelled; they are coordinated to offer a variety of full-time academic programs for the incoming freshman as a day student, and they permit efficient progress for the new freshman evening student.

Classes at the centers marked with a + in the schedule are part of this program. For details concerning the full year's schedules, see the separate brochure for each center.

ADMISSION

Inquiries concerning admission to Southern Illinois University should be directed to the Admissions Office at Edwardsville. Applications for admission are accepted at any time during the calendar year but should be initiated at least 30 days prior to the start of the quarter which the student plans to attend.

A student must be officially admitted to the University before registration for classes will be permitted. Students who have not completed the admission requirements by the first day of the quarter will not be permitted to register. A student, to be permitted to attend classes at Southern Illinois University, must have completed registration, which includes admission, advisement, sectioning, and payment of fees.

SOCIAL SECURITY NUMBER

Each student seeking admission to the University will

need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is at 1623 Washington Street; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment Office, 111 West Vandalia, provides social security information.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in October, December, February, May, and August. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The advisement system requires all new students to have initial advisement through the General Studies Advisement Office. These offices are maintained at each of the centers for the convenience of the student. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration area. Each student is required to declare a concentration upon achieving 96 hours of credit. Probationary students are also required to receive advisement prior to registration.

Graduate students, both classified and unclassified, must have their schedule approved at the Graduate Office before registering.

Students with a declared major in the Education

Division must receive advisement from the Division office prior to registering.

All students should arrange to have advisement early to be sure their schedules will be approved before their registration.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illinois University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Students may register at Edwardsville for classes at any location (see Edwardsville Registration Calendar, p. iv). Students wishing classes at the Alton or East St. Louis Centers, or at a Center and at Edwardsville, may register at that Center during the periods listed on the applicable Registration Calendar. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

Each classified graduate student must have his schedule approved by his adviser and the Dean of the Graduate School before registering for classes at the Enrollment Center. Unclassified graduate students need only the approval of the Dean of the Graduate School. Special cards for this purpose are available at the Graduate Office, 3420 Peck Classroom Building.

During the registration process the student goes to the enrollment office where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admissions.

Dates for new undergraduate students, freshmen and transfer, will be selective ones in which the students are asked to come to the campus on specific registration dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted. Appointments for registration will be mailed from the Registrar's Office.

New graduate students after advisement may register during the registration period as shown on the Registration Calendars on page iv. Arrangements should be cleared

with the Graduate School to assure that the appropriate adviser will be available before coming to the campus.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to register during the periods outlined in the Registration Calendar. Readmission procedures must be completed prior to registration.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

For admittance to registration students previously enrolled must present their Southern Illinois University ID cards. No one will be permitted to register without an ID card. Each student currently registered in the University will be continued in his present course of study unless a change of concentration is made. A change of concentration is initiated with the chief academic adviser. The change should be made at the time of advisement; the registrar's copy of the change form should accompany the student's registration. A change of concentration made after a registration has been processed will not be reflected in the student's record until the next registration.

Upperclass students who have declared a concentration and who are currently registered in the University may be self-advised for registration purposes. This does not apply to Business Division or Education Division students. Academic advisement is available and is very desirable. The student should prepare his desired program of classes at each registration period and process through the sectioning area of the enrollment office in accordance with the time of his appointment in order to best achieve the desired schedule of classes and time periods.

CURRENT STUDENTS, CARBONDALE CAMPUS

A student currently enrolled in and attending classes on the Carbondale Campus who desires to register on the Edwardsville Campus will initiate his registration at the sectioning area of the enrollment center in Edwardsville in accordance with the registration calendar except that he may register on the first day of the quarter. Each student will complete the intra-university transfer data form to secure information necessary for the Edwardsville data processing center preparation of registration materials. The student who registers on the first day of the quarter should present his most recent grade report to confirm scholastic eligibility to register.

For the purpose of advisement, the student may wish to have a copy of his transcript sent to the Edwardsville Campus prior to registration.

PAYMENT OF FEES

All fees are payable at the time of registration. Upon payment of fees, the fee statement and receipt card will

be stamped by the Business Office and returned to the student as a fee receipt. The card should be carried at all times. It serves as official authorization to attend classes as scheduled and must be presented to obtain books and activity cards and to process program changes.

Students unable to pay fees at the time of registration may secure short-term loans from the Student Work and Financial Assistance Office. This must be done before registering.

F E E S F O R A R E G U L A R Q U A R T E R

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fee	3.00	6.50	10.00
Total—Illinois Resident	\$33.50	\$62.50	\$90.50
Total—Out of State			
Resident	(49.50)	(149.50)	(220.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

L A T E R E G I S T R A T I O N F E E

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

A C A D E M I C L O A D

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by written permission of the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours to qualify for a student deferment. There is a further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10-13 hrs.	9-11 hrs.
$\frac{1}{2}$ benefits	7-9 hrs.	6-8 hrs.

PREREQUISITES

Students are responsible for checking course prerequisites in the undergraduate and graduate catalogs and in this class schedule. Those who do not have specific prerequisites for a course may register for it only if they have had a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is to determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A student desiring to make a program change must secure approval of his adviser. He will then go to the Enrollment Center. (A student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure.

(1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. **NO CHANGE IS OFFICIAL UNTIL THE PRECEDING PROCEDURE IS COMPLETED.**

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty.

CHANGING FEE STATUS

Students making program changes which result in their changing from one fee status to a higher fee status will be assessed additional tuition and fees. Students changing from a higher fee status to a lower fee status may apply for a refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendars on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

A registration including the payment of tuition and fees may be considered invalid if the student is declared to be

ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

Changes in personal data should be reported promptly. Types of change and method of reporting are:

1. ADDRESS CHANGES. Should be reported immediately either at the time of registration or at the Enrollment Office.
2. NAME CHANGES. Should be made at the Enrollment Office. Verification is required.
3. MARITAL STATUS CHANGES. Should be made at the Enrollment Office.
4. LEGAL RESIDENCE CHANGES (whether an Illinois or out-of-state resident.) Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Students enrolling in the fall quarter who desire the insurance will join the plan for the four-quarter school year through summer, 1969. Cost of the insurance is \$22.50 for single and \$58.80 for family plan. Coverage will continue throughout the summer quarter period whether or not the student is enrolled in school. This insurance is available at the time of registration.

Schedule of Classes

2

Except for the Guaranteed Center Schedules, the University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Courses are listed numerically within each subject-matter area. The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. The prerequisites, if any, appear in brackets after the title on either the first or second line.

Section-Number Lines: The first column lists the section numbers. Those sections offered at Edwardsville always begin with 0; those sections offered at Alton always begin with 2; those sections offered at East St. Louis always begin with 4. Following each section number is the time the class begins, between 7:00 A.M. and 4:20 P.M. for daytime classes. An ending time is listed only if the class period is longer than 50 minutes. The section number of each evening class has the letter *e* prefixed. A + indicates a section which is part of the Guaranteed Center Schedule and is not subject to cancellation. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

000-099 Courses not properly falling in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the head of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

Registration Calendars

Fall Quarter, 1968

EDWARDSVILLE CAMPUS

Registration will be held in the Enrollment Office, 1302 Peck Classroom Building.

June 27–Sept. 24	General Studies Advisement, by appointment (call General Studies Office).
Aug. 12–21; 24; 26–28; Sept 7	Registration, by appointment. Mon.–Fri. 8:00 A.M.–12:00 noon, 1:00–4:00 P.M.; Sat. 8:00 A.M.–12:00 noon. Additional hours Sept. 26–28, 4:00–6:30 P.M.
Sept. 9–14	Open registration. Mon.–Fri. 8:00–11:00 A.M., 1:00–4:00 P.M.; Sat. 8:00 A.M.–12:00 noon.
Sept. 16–18	Open registration. 8:00–11:00 A.M.
Sept. 24	Central registration. 8:00 A.M.–6:30 P.M.

ALTON CENTER

Registration will be held in the Student Union.

Aug. 22–23	Open registration. 8:00 A.M.–12:00 noon, 1:00–6:30 P.M.
Sept. 19	Central registration. 8:00 A.M.–6:30 P.M.

EAST ST. LOUIS CENTER

Registration will be held in ESL 103.

Sept. 5–6	Open registration. 8:00 A.M.–12:00 noon, 1:00–6:30 P.M.
Sept. 23	Central registration. 8:00 A.M.–6:30 P.M.

ALL LOCATIONS

Sept. 24	Evening classes (4:30 P.M. or later) begin.
Sept. 25	Day classes begin.
Oct. 1	Last day to add a class.
Oct. 7	Last day to be eligible for a refund of fees.
Oct. 15	Last day to withdraw from a class without receiving a grade.
Dec. 2	Last day to withdraw from school or a class.

General Information

1

THIS BULLETIN contains the schedule of classes to be offered at the Edwardsville Campus and the Alton and East St. Louis centers in the late afternoon, evening, or on Saturday for the fall quarter of the 1968-69 school year. It also provides information relative to advisement and registration, fees, and allied information.

The Edwardsville Campus provides a full schedule of class offerings for day and evening students. Freshman and sophomore courses are scheduled for day and evening students at the Alton and East St. Louis centers.

GUARANTEED CENTER SCHEDULES

A program of Guaranteed Schedules for the centers has been established. Certain courses and sections at the centers are guaranteed on schedules extending through the fall, winter, and spring quarters. These classes will not be cancelled; they are coordinated to offer a variety of full-time academic programs for the incoming freshman as a day student, and they permit efficient progress for the new freshman evening student.

Classes at the centers marked with a ★ in the schedule are part of this program. For details concerning the full year's schedules, see the separate brochure for each center.

ADMISSION

Inquiries concerning admission to Southern Illinois University should be directed to the Admissions Office at Edwardsville. Applications for admission are accepted at any time during the calendar year but should be initiated at least 30 days prior to the start of the quarter which the student plans to attend.

A student must be officially admitted to the University before registration for classes will be permitted. Students who have not completed the admission requirements by the first day of the quarter will not be permitted to register. A student, to be permitted to attend classes at Southern Illinois University, must have completed registration, which includes admission, advisement, sectioning, and payment of fees.

SOCIAL SECURITY NUMBER

Each student seeking admission to the University will

need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is at 1623 Washington Street; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment Office, 111 West Vandalia, provides social security information.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in October, December, February, May, and August. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The advisement system requires all new students to have initial advisement through the General Studies Advisement Office. These offices are maintained at each of the centers for the convenience of the student. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration area. Each student is required to declare a concentration upon achieving 96 hours of credit. Probationary students are also required to receive advisement prior to registration.

Graduate students, both classified and unclassified, must have their schedule approved at the Graduate Office before registering.

Students with a declared major in the Education

Division must receive advisement from the Division office prior to registering.

All students should arrange to have advisement early to be sure their schedules will be approved before their registration.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illinois University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Students may register at Edwardsville for classes at any location (see Edwardsville Registration Calendar, p. iv). Students wishing classes at the Alton or East St. Louis Centers, or at a Center and at Edwardsville, may register at that Center during the periods listed on the applicable Registration Calendar. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

Each classified graduate student must have his schedule approved by his adviser and the Dean of the Graduate School before registering for classes at the Enrollment Center. Unclassified graduate students need only the approval of the Dean of the Graduate School. Special cards for this purpose are available at the Graduate Office, 3420 Peck Classroom Building.

During the registration process the student goes to the enrollment office where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admissions.

Dates for new undergraduate students, freshmen and transfer, will be selective ones in which the students are asked to come to the campus on specific registration dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted. Appointments for registration will be mailed from the Registrar's Office.

New graduate students after advisement may register during the registration period as shown on the Registration Calendars on page iv. Arrangements should be cleared

with the Graduate School to assure that the appropriate adviser will be available before coming to the campus.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to register during the periods outlined in the Registration Calendar. Readmission procedures must be completed prior to registration.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

For admittance to registration students previously enrolled must present their Southern Illinois University ID cards. No one will be permitted to register without an ID card. Each student currently registered in the University will be continued in his present course of study unless a change of concentration is made. A change of concentration is initiated with the chief academic adviser. The change should be made at the time of advisement; the registrar's copy of the change form should accompany the student's registration. A change of concentration made after a registration has been processed will not be reflected in the student's record until the next registration.

Upperclass students who have declared a concentration and who are currently registered in the University may be self-advised for registration purposes. This does not apply to Business Division or Education Division students. Academic advisement is available and is very desirable. The student should prepare his desired program of classes at each registration period and process through the sectioning area of the enrollment office in accordance with the time of his appointment in order to best achieve the desired schedule of classes and time periods.

CURRENT STUDENTS, CARBONDALE CAMPUS

A student currently enrolled in and attending classes on the Carbondale Campus who desires to register on the Edwardsville Campus will initiate his registration at the sectioning area of the enrollment center in Edwardsville in accordance with the registration calendar except that he may register on the first day of the quarter. Each student will complete the intra-university transfer data form to secure information necessary for the Edwardsville data processing center preparation of registration materials. The student who registers on the first day of the quarter should present his most recent grade report to confirm scholastic eligibility to register.

For the purpose of advisement, the student may wish to have a copy of his transcript sent to the Edwardsville Campus prior to registration.

PAYMENT OF FEES

All fees are payable at the time of registration. Upon payment of fees, the fee statement and receipt card will

be stamped by the Business Office and returned to the student as a fee receipt. The card should be carried at all times. It serves as official authorization to attend classes as scheduled and must be presented to obtain books and activity cards and to process program changes.

Students unable to pay fees at the time of registration may secure short-term loans from the Student Work and Financial Assistance Office. This must be done before registering.

F E E S F O R A R E G U L A R Q U A R T E R

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fee	3.00	6.50	10.00
Total—Illinois Resident	\$33.50	\$62.50	\$90.50
Total—Out of State			
Resident	(49.50)	(149.50)	(220.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

L A T E R E G I S T R A T I O N F E E

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

A C A D E M I C L O A D

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by written permission of the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours to qualify for a student deferment. There is a further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10-13 hrs.	9-11 hrs.
$\frac{1}{2}$ benefits	7-9 hrs.	6-8 hrs.

PREREQUISITES

Students are responsible for checking course prerequisites in the undergraduate and graduate catalogs and in this class schedule. Those who do not have specific prerequisites for a course may register for it only if they have had a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is to determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A student desiring to make a program change must secure approval of his adviser. He will then go to the Enrollment Center. (A student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure.

(1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. **NO CHANGE IS OFFICIAL UNTIL THE PRECEDING PROCEDURE IS COMPLETED.**

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty.

CHANGING FEE STATUS

Students making program changes which result in their changing from one fee status to a higher fee status will be assessed additional tuition and fees. Students changing from a higher fee status to a lower fee status may apply for a refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendars on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

A registration including the payment of tuition and fees may be considered invalid if the student is declared to be

ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

Changes in personal data should be reported promptly. Types of change and method of reporting are:

1. ADDRESS CHANGES. Should be reported immediately either at the time of registration or at the Enrollment Office.
2. NAME CHANGES. Should be made at the Enrollment Office. Verification is required.
3. MARITAL STATUS CHANGES. Should be made at the Enrollment Office.
4. LEGAL RESIDENCE CHANGES (whether an Illinois or out-of-state resident.) Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Students enrolling in the fall quarter who desire the insurance will join the plan for the four-quarter school year through summer, 1969. Cost of the insurance is \$22.50 for single and \$58.80 for family plan. Coverage will continue throughout the summer quarter period whether or not the student is enrolled in school. This insurance is available at the time of registration.

Schedule of Classes

2

Except for the Guaranteed Center Schedules, the University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Bold-Face Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. Following the title, a dotted line separates the title from the prerequisite, if any, which appears at the right-hand end of the line and may continue to the second line.

Light-Face Lines: The first column lists the section numbers. Those sections offered at Edwardsville always begin with 0; those sections offered at Alton always begin with 2; those sections offered at East St. Louis always begin with 4. Following each section number is the time the class begins, between 7:00 A.M. and 4:20 P.M. for daytime classes. An ending time is listed only if the class period is longer than 50 minutes. The section number of each evening class has the letter E prefixed. A ★ indicates a section which is part of the Guaranteed Center Schedule and is not subject to cancellation. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

000-099 Courses not properly falling in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the head of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

ANA —Annex A—Alton

CB	—Communications Bldg.—Edwardsville
ESL	—East St. Louis Center
Gym	—Gymnasium—Alton

E001		8:30-9:45	M W	SL 1225	Bennewitz
520a-3	Modern Algebra				420
E001		4:30-5:45	M W	SL 1224	Lindstrum
550-1 to 10	Seminar				Cons. of instr.
001		Arranged			
551a-3	Functional Analysis				421, 452
E001		6:30-7:45	M W	SL 2231	Kessler
595-1 to 10	Special Project				
001		Arranged			
599-1 to 9	Thesis				
001		Arranged			

MUSIC (MUS)

002c-1	Community Choral Society				
E001		7:30-9:30	Tu	PB 1402	Van Camp
003-1	Orchestra				By permit only
E001		8:00-10:00	Tu	CB 1029	Kendall
420-1	Music Education Practicum				
E001		5:30-7:20	Th	CB 1029	Brauer
461a-3	Teaching Techniques and Materials for the Beginning and Intermediate Levels				By permit only
001		Arranged			
461b-3	Teaching Techniques and Materials for the Advanced Student				By permit only
001		Arranged			
465-3	Development and Teaching of Strings				By permit only
E001		5:30-8:00	Tu	CB 0158	Kendall
481-2 to 6	Readings in Music Theory				By permit only
001		Arranged			
482-2 to 6	Readings in Music History and Literature				By permit only
001		Arranged			
483-2 to 6	Readings in Music Education				By permit only
001		Arranged			
501-3	Introduction to Graduate Study in Music				By permit only
E001		5:30-8:00	M	CB 0194	Blakely
522-3	Seminar: Music History and Literature				By permit only
E001		5:30-8:00	Tu	CB 0194	Kresteff
560-3	Seminar in Music Education				By permit only
E001		5:30-8:00	W	PB 3404	Tulloss, Kresteff
599-3 to 9	Thesis				By permit only
001		Arranged			

PERSONNEL (PERS)

453-4	Advanced Problems in Industrial Relations				451
E001		6:30-8:20	M W	PB 3422	

PHILOSOPHY (PHIL)

200-4	Types of Philosophy				
E003		6:30-8:20	Tu Th	PB 2409	Livergood
495-2 to 12	Independent Readings				Cons. of chmn.
001		Arranged			

PHYSICAL EDUCATION (PE)

350-4	Methods and Materials for Teaching Physical Education Activities in the Elementary School				
E002		5:30-9:20	W	PB 2414	Luedke
E401		5:30-9:20	Th	ESL 221	Moehn

22 PHYSICAL EDUCATION (P E)

Course No.—Hours	Descriptive Title	Time	Days	Place	Prerequisite Instructor
402-4	Organization and Administration of Intramural and Extramural Activities				
E001		6:30-9:20	W	PB 2413	Brick
475-2 to 4	Individual Research				
001	Arranged				Herrold
501-4	Curriculum in Physical Education				
E001		5:30-8:20	M	PB 2413	Archangel
502-4	Foundations of Motor Skills				
E001		5:30-9:20	Th	PB 2413	Showers
509-4	Supervision of Health and Physical Education				
E001		5:30-8:20	Tu	PB 2413	Herrold
525-2 to 6	Readings in Physical Education				
001	Arranged				Herrold

PHYSICS (PHYS)

300a-4	University Physics IV				211
E002		6:30-8:20	M W	SL 1210	Slotboom
300b-1	University Physics IV Laboratory				212, Con. enrol. in 300a
E002		6:30-9:20	F	SL 0212	Slotboom
510a-3	Classical Mechanics				301
E001		8:00-9:15	M W	SL 2227	Boedeker
580-3	Selected Topics in Physics: Mathematical Physics				Math 305a
E001		6:30-7:45	M W	SL 2227	Sanders

PRODUCTION (PROD)

460-4	Production Management				GBA 340
E001		6:30-8:20	Tu Th	PB 3316	Ingwersen

PSYCHOLOGY (PSYC)

301-4	Child Psychology				GSB 201c
E003		6:30-8:20	M W	PB 1307	Kuenzli
305-4	Introduction to Personality Dynamics				GSB 201c
E002		6:30-8:20	Tu Th	PB 0304	Walsh
406-4	Learning Processes and Applications				211a
E001		5:30-8:20	M F	PB 2410	F. Starr
	Meets first four Fridays only.				
420-4	Experimental Analysis of Behavior				GSB 201c
E001		5:30-8:20	M F	SL 2212	McLaughlin
	Meets first four Fridays only.				
432-4	Mental Hygiene				305
E001		5:30-8:20	ThF	PB 1306	Kuenzli
	Meets first four Fridays only.				
440-4	Theories of Personality				305
E001		5:30-8:20	M F	PB 0408	Hartman
	Meets first four Fridays only.				
451-4	Advanced Child Psychology				301
E001		5:30-8:20	M F	PB 0312	Skinner
	Meets first four Fridays only.				
465-4	Group Dynamics and Individual Behavior				307
E001		5:30-8:20	ThF	PB 2406	Russo
	Meets first four Fridays only.				
474-4	Psychology of Employee Relations				320
E001		6:30-8:20	Tu Th	PB 2415	Daugherty
490-1 to 4	Independent Projects				Cons. of chmn.
001	Arranged				
501a-4	Proseminar in General Psychology				Cons. of chmn.
E001		5:30-7:20	Tu Th	PB 2414	McCall
520-4	Research Design and Inference I				211
E001		7:30-9:20	Tu Th	PB 2414	Brinkmann
541a-4	Psychodiagnostics I				211b, 421, cons. of instr.
E001		5:30-8:20	M	PB 2414	Harris
590-1 to 4	Readings in Psychology				Cons. of chmn.
001	Arranged				
591-1 to 4	Research in Psychology				Cons. of chmn.
001	Arranged				
593-2 to 4	Practicum in Psychology				Cons. of instr.
001	Arranged				Engbretson

QUANTITATIVE METHODS (QM)

211-4	Statistical Analysis for Business Decisions				210
E002		6:30-8:20	Tu Th	PB 3412	Schwier

Course No.—Hours	Descriptive Title	Days	Place	Prerequisite Instructor
Edw. Alton E. St. Louis	Time			

510-4	Statistical Analysis			Grad. students only
E001	6:30-10:20	W	PB 2411	Luan

REHABILITATION (REHB)

480-2	Introduction to Rehabilitation			
E001	5:30-8:20	W	PB 2409	Bernstein
580-2	Practicum in Rehabilitation Services			
001	Arranged			Schumacher
585-4	Practicum in Rehabilitation Counseling			
001	Arranged			Schumacher

SOCIAL WELFARE (SOC W)

481-4	Processes in Social Work			375
001	Arranged			Irvine

SOCIOLOGY (SOC)

321-4	Socialization of the Individual			301
E001	6:30-8:20	M W	PB 1414	Henslin
333-4	Community Organization			301
E401	6:30-8:20	Tu Th	ESL 220	Teer
405-4	Current Sociology			301
E001	4:30-6:20	M W	PB 0309	
427-4	Personality and Social Adjustment			321
E001	6:30-8:20	Tu Th	PB 1414	Henslin
542-4	Seminar on the Family			
E001	6:30-10:20	Tu	LB 0044	Taylor

SPEECH PATHOLOGY AND AUDIOLOGY (SP & A)

428-4	Speech Correction for the Classroom Teacher (Same as Sp Ed 428)			
E001	5:30-8:20	Th	CB 2012	Carey
	Additional hours arranged.			

VOCATIONAL-TECHNICAL INSTITUTE (VTI)

CCS 101-4	Child Care			
E001	4:30-7:20	M	PB 2409	
Lab	Two hours to be arranged.			
E401	4:30-7:20	Tu	ESL 222	
Lab	Two hours to be arranged.			
CCS 105-3	Language Arts			
E401	5:30-7:20	Th	ESL 222	
Lab	Three hours to be arranged.			
CCS 109a-2	Personal Interaction			
E401	4:30-8:20	W	ESL 222	

TECHNICAL AND ADULT EDUCATION (T & AE)

English Review				
E001	8:30-10:20	Tu	SL 0226	
E002	8:30-10:20	Th	SL 0226	
E003	8:30-10:20	W	PB 0307	
E004	6:30-8:20	W	PB 0307	
Reading Improvement				
E001	4:30-6:20	Tu	SL 0226	
E002	4:30-6:20	Th	SL 0226	
E003	6:30-8:20	W	SL 0226	
E004	8:30-10:20	W	SL 0226	

Course Descriptions

3

This section contains descriptions for courses offered in the previous section of this bulletin. Courses are listed numerically within each subject-matter area and in the same order in which they appear in the previous section.

Man's Physical Environment and Biological Inheritance (GSA)

110-8 (4,4) The Earth and Its Environment. A study of the earth, its major domains and its space environment; student investigation of earth substances, processes and utilization of energy. An investigative approach for study of the observational and measurement techniques of the earth scientist. Lecture, laboratory, and individual study. Must be taken in a,b sequence. Prerequisite: one year of high school chemistry.

201-8 (4,4) Man's Biological Inheritance. Basic biological concepts are explored at levels of integration ranging from the molecular to the ecosystem. Topics include structure and function of cells and organisms, genetics, continuity of life, problems of populations, environmental control, evolutionary development, interrelationships between plants and animals. Must be taken in a,b sequence. Prerequisite: high school or college chemistry.

312-3 Conservation of Natural Resources. A study of man's use and misuse of natural environment.

331-3 Climate. Description and interpretation of climatic regions and their influence on human activity. May take only 330 or 331 for General Studies credit.

Man's Social Inheritance and Social Responsibilities (GSB)

101-8 (4,4) Survey of Western Tradition. (b) Political, economic and cultural history of Europe from the Early Middle Ages to the end of the Napoleonic Age. (c) History of Europe from Congress of Vienna to the present.

103-8 (4,4) Sociology-Economics. An introduction to the great economists and sociologists and especially to those writers who are regarded as both. (a) An historical development of sociological ideas and introduction to such concepts as social structure, role behavior, and social institutions. (b) An historical development of economic ideas and an introduction to economic concepts, institutions, and problems. Should be taken in a,b sequence.

201-8 (4,4) The Individual and His Cultural Environment. A study of human behavior in the light of cultural and psychological processes. (a) Anthropology: An examination of the biological and cultural origins of mankind; cultural diversity and human behavior; characteristic features of tribal societies, including economy, social organization, language, art, religion, and political organization; place of non-industrialized societies in the modern world. (c) Psychology: Surveys modern psychological approaches to individual behavior; includes basic developmental processes such as learning and motivation plus a study of personality and related adjustment problems. Prerequisite: 101 or 103.

203-8 (4,4) American Politics in the World Environment. (a) The theory, organization, and operation of American government. (b) Analysis and interpretation of human geographic patterns; world population, settlement, economic activities. Meets State Constitution requirements.

300-9 (3,3,3) History of the United States. A general survey of the political, social, and economic development of the United States. (a) 1492 to 1815, (b) 1815 to 1900, (c) 1900 to the present.

331-3 The American Educational Systems. A critical and problematic study of education as a major social enterprise of a free society in its context of international involvements. The formative influences upon the American educational systems, its basic characteristics, difficulties and prospects are explored through the disciplines comprising the intellectual-cultural foundations of education. Designed for all students irrespective of major discipline or professional pursuit.

Man's Insights and Appreciations (GSC)

151-3 Introduction to Poetry. Introduction to the enjoyment of poetry. Practice in techniques of critical reading and writing. Prerequisite: GSD 101a,b.

156-5 Introduction to Music History-Literature. An introduction to the elements of music, the important composers, periods, styles, and forms of music.

157-5 The Dramatic Media: Theater, Cinema, and Television. A study of dramatic media, theater, television, and film with emphasis on the roles and techniques of artists and craftsmen involved. Required theater attendance and television and film viewing. Appropriate research activity.

252-4 Logic. Study and practice in the analysis of verbal traps, relations between statements, deductive arguments, and inductive inferences.

253-4 Literary Masterpieces of Antiquity. Reading and discussion of selected literary texts from Classical and Hebraic Antiquity.

254-4 Philosophical Masterpieces. Reading and discussion of selected philosophic masterpieces of western civilization.

335-3 Studies in Short Fiction. The development of the short story as an artistic expression, its techniques, and its versatility, from the early 19th century to the present.

Organization and Communication of Ideas (GSD)

101-6 (3,3) English Composition. Basic rhetorical principles in expository writing. Must be taken in a,b sequence.

103-3 Oral Communication of Ideas. The basic principles and techniques of oral communication as applied to everyday speech activities.

106-0 Intermediate Algebra. A non-credit course for students who need remedial work in mathematics.

112-9 (4,5) Introduction to Mathematics. A study of logical rules of deduction: the real number system, and mathematical structures. Prerequisite: one year of high school algebra and satisfactory score on A.C.T. An alternative course for 114-9. Must be taken in a,b sequence.

114-9 (5,4) College Algebra, and Trigonometry. A logical study of the algebraic properties of number systems, polynomials, equations, functions, matrices, exponential and logarithmic functions, trigonometric function. (a) principally algebra. (c) principally trigonometry. Prerequisite: high school intermediate algebra and plane geometry. An alternative course for 112-9. Must be taken in a,c sequence.

114d-4 Statistics. Descriptive statistics, probability distributions, sampling, statistical inference, regression and correlation. An alternative course for the second quarter of 114. Prerequisite: 114a.

123-9 (3,3,3) Elementary French. Open to students who have had no previous work in French. Must be taken in a,b,c sequence.

126-9 (3,3,3) Elementary German. Open to students who have had no previous work in German. Must be taken in a,b,c sequence.

136-9 (3,3,3) Elementary Russian. No previous knowledge of Russian required. Must be taken in a,b,c sequence.

140-9 (3,3,3) Elementary Spanish. Open to students who have had no previous work in Spanish. Must be taken in a,b,c sequence.

Accounting

230-4 Accounting Principles. Study of the basic accounting principles, concepts, conventions, and standards; their application to the analysis and recording of business transactions; and the reporting of the accumulated results. Measurement of income, and matching of expense with revenues through the use of the accrual basis in the accounting system. Prerequisite: sophomore standing.

231-4 Financial Accounting Analysis. Introduction to valuation concepts of assets, liabilities, and ownership equities; control of cash, valuation of receivables, inventory valuations and price level changes, fixed asset valuation of receivables, inventory valuations and price level changes, fixed asset valuation and depreciation policy, equity accounting and concepts, bonds, partnerships, and corporations; basics in financial statement analysis—use of ratios and their interrelationship with other factors; funds and cash flow concepts. Prerequisite: 230.

330-4 Managerial Cost and Budgeting. Control concepts, essentials of job order and process costing; budgets and budgeting for planning and control, standards and flexible budgets and use of "exception" principle through variance analysis; control of fixed costs, relevant cost analysis for managerial decision making, capital planning. Prerequisite: 231.

331-4 Principles of Income Taxation. Study of the Federal Income Tax laws as they affect individuals, partnerships, corporations, estates, and

trusts, in determination of the taxable income for computing the tax liability due. Prerequisite: 231.

351b-4 Accounting Theory and Problems II. Comprehensive study of the equity accounts, their valuation, presentation, etc. Prerequisite: 351a.

442-4 Advanced Cost Accounting. Managerial control and profit planning through capital budgeting, inventory planning, subjective probabilities, statistical methods, and operations research; direct and relevant costing; nonmanufacturing costs; differential and comparative cost analysis. Prerequisite: 341.

530-4 Conceptual Framework of Accounting. Deals with such specifics as accounting records and systems, aspects of income measurement, price levels, principles of financial statement analysis, and fund flow statements. Prerequisite: MBA students only.

Applied Science

420-3 Digital Computers in Research. Basic foundations used in operations research. An intensive study in the use of digital computers as related to topics such as probability and statistics, matrices, game theory, Monte Carlo techniques, distribution and scheduling problems, and simulation.

524-6 (3,3) Linear and Non-Linear Programming. Optimization techniques for processes with linear and nonlinear constraints. The application of operations research principles, gradient methods, game theory, peak-seeking methods, and dynamic programming to management and control problems. Prerequisite: bachelor's degree in mathematics, natural science, or engineering.

531-8 (4,4) Operations Analysis and Synthesis. Mathematical bases for decisions and programming in industry; models, methods, and objectives of systems engineering; specific methods and problems; emphasis on practical validity and use of empirical methods. Problem solving in operations research, including research-type reports by students. Prerequisite: bachelor's degree in mathematics, natural science, or engineering.

Art

050-3 Avocational Painting. An exploration of painting and drawing media for the interested non-major. Emphasis upon individual development of understanding and appreciation of painting media through direct experience in the practice of painting. May be repeated. Three hours credit applicable to degree except in art and design and teacher education.

051-3 Avocational Ceramics. An exploration of the ceramics arts for the interested non-major. Emphasis upon individual development of understanding and appreciation of pottery media through direct experience in the practice of the craft. May be repeated. Three hours credit applicable to degree except in art and design and teacher education.

312a-4 Advertising and Graphic Design I. Deals with the basic tools of the advertising designer. Introduction to styles of type, lettering techniques, layout problems, and reproduction processes for advertisements and illustrations in papers, magazines, posters, television, and pamphlets. Creative exercises in designing with type and illustrations.

Business Communications

390-4 Business Communications. Designed to improve understanding of the vital role of effective communication in business and to develop skill in business writing with emphasis on the preparation of reports. Provides an opportunity to learn effective use of a business library; to collect and interpret data; to present information in a logically organized and acceptable form.

Business Education

221-12 (4,4,4) Shorthand and Transcription. Study of Gregg shorthand theory and the development of skill and knowledge required for dictation and transcription. (a) Prerequisite: may not be taken for credit by students who have had previous high school or other formal instruction in shorthand. (b) Prerequisite: 221a or one semester of other formal instruction in shorthand-transcription. (c) Prerequisites: 221b.

304-3 Advanced Typewriting. Development of advanced skills in typing business correspondence, manuscripts, forms, and tables; preparation of copy from rough draft materials. Prerequisites: 201c.

341-4 Office Machines. A study of the capabilities and operational characteristics of basic types of office machines; a consideration of ap-

propriate uses of each kind of machine. Laboratory practice required. A unit in data processing gives opportunity for key-punch instruction.

403-3 Teaching Typewriting. Instructional procedures, skill-building principles and techniques, selection and preparation of instructional materials, standards of achievement, and evaluation of pupil performance. Prerequisite: 304.

405-4 Teaching General Basic Business Subjects. Instructional procedures, analysis and selection of materials, preparation of teaching units, evaluation of pupil performance.

414-6 (3,3) Organization and Administration of Cooperative Vocational Business Education Programs. Philosophy and objectives of cooperative vocational programs, methods of selecting students and work stations, placing and supervising students on part-time jobs, preparation of instructional materials, job analyses, conducting related information courses, evaluating workers and work stations, advisory committees, and public relations aspects of cooperative programs.

426-4 Office Management. The principles of management as applied to office problems. Emphasis on the role of the office in business management; office organization; physical facilities and layout of the office; office services, procedures, standards, and controls.

500-4 Principles and Problems of Business Education. A study of the fundamentals of business education; its relation to business, to general and vocational education, and to guidance programs; its history, current status, and trends; special emphasis on objectives and curriculum problems.

Chemistry

375-0 to 3 Chemistry Seminar. One lecture per week. Prerequisite: senior standing.

412-3 Inorganic Preparations. A study of several important types of inorganic syntheses. One lecture and six laboratory hours per week. Prerequisites: 235 and 305b or 341c.

444-3 Organic Reactions. An intermediate course with emphasis on monofunctional compounds. Additional topics, not included in elementary courses. Three lecture hours per week. Prerequisite: 341c.

561-3 Chemical Thermodynamics. Basic methods and theories as applied to chemical problems. Lecture. Prerequisites: 461c and demonstrated capability.

Counselor Education

305-4 Educational Psychology. Study of the learner and the learning process. Includes study of behavior, discipline, development, the school environment, application of learning theories, and methods of assessment. Prerequisite: GSB 201c.

420-4 Educational Statistics. The statistics needed by teachers for classroom use, the reading of educational literature, and informal educational research. Includes methods of organizing and presenting data, describing group performance, describing individual performance, model distributions, measure of relationship, measures of reliability, and tests of significance. Prerequisite: 305.

422-4 Educational Measurements I. Study of the philosophy and techniques of measurements. Special attention to the construction and use of teacher-made tests. Prerequisite: 305.

426-4 Individual Inventory. Principles and procedures for studying individual pupils and their problems for guidance purposes. Emphasis on interview, observation, ratings, case study, cumulative record, etc.

515-4 Psychological Aspects of Education. Designed to survey the applications of psychology to educational settings. Prerequisite: advanced standing.

522-4 Educational Measurements II. Study of standardized tests and other measuring devices to reveal individual and group characteristics. Emphasizes application and interpretation for counseling, education, and research purposes. Prerequisites: 420, 422.

525-4 School Behavior Problems. A survey of the approaches to the study of personality-development and socialization of the school child. Methods used in the correction of behavior problems are considered. Prerequisite: consent of instructor.

535-4 Introduction to Individual Measurement. Survey of theories and practices in the individual assessment of human behavioral characteristics, to develop understanding and appreciation of these concepts for use in the counseling relationship. Prerequisite: 522.

537-4 Counseling Theory and Practice I. Systematic study of the major approaches to counseling. Observation and practice utilized to supplement didactic discussion. Prerequisites: 412, 542.

538-4 Counseling Theory and Practice II. Systematic study of major

theories of counseling as they apply to school situations. Supervised experience in role-playing or laboratory experience utilizing these approaches to counseling. Prerequisite: 537.

541-4 Occupational Information and Guidance. Designed for school counselors, industrial supervisors, and teachers to give an orientation to and experience with occupational information and vocational adjustment.

542-4 Basic Principles of Guidance. Introductory course on student personnel services. Survey of philosophy, principles, and organization of guidance services. Prerequisite: 305.

543-4 Guidance Through Groups. Study of the methods, techniques and materials for the organization and utilization of groups for guidance purposes.

545j-4 Organization and Administration. Analysis of principles, procedures, and plans necessary for initiating, developing, and appraising a school guidance program. Prerequisite: 537a.

562-8 (4,4) Child Development in Education. Theories and research evidence regarding child development and behavior are investigated. These considerations focus upon implications for research and educational practices. (a) Childhood. Prerequisite: advanced standing. (b) Adolescence. May be taken in a,b sequence.

575c-1 to 12 Practicum in Secondary Guidance. Supervised experience in guidance functions. Includes counseling with secondary school pupils, conducting parent interviews, consulting with teachers, and the collection and dissemination of information.

Economics

200-4 Macroeconomics. An introduction to national economic systems with attention to the meaning and measurement of national income, and the causes of fluctuations therein. National economic objectives and policies, including the distribution of income, the level of employment factors affecting stability and growth, the role of taxation. Prerequisite: sophomore standing.

201-4 Microeconomics. Principles and characteristics of the market economy. Theory of the business firm, supply, demand, and prices. Analysis of earnings of productive resources, including wages, rent, interest, and profit. Introduction to market structure and public policy. Prerequisite: sophomore standing.

300-4 The Monetary System and Economic Policy. Study of relationships between money, credit, prices, and economic activity. How the banking system creates money; the Federal Reserve System. Introduction to public finance and fiscal policy; the role of public finance in full employment policy. Introduction to international financial relationships.

310-4 Labor Problems. Survey of labor force, wage and employment theory, unemployment including economic insecurity, trade unionism, and collective bargaining from the standpoint of public policy. Prerequisites: 200 and 201.

416-4 Money and Banking II. Evolution of money systems, theories of effect of money supply on national income, debt, asset-holdings, etc.; relationships of money supply to specific industries and key economic variables and considerations. Prerequisite: 300.

542-4 Price Theory. Designed to develop skills in the use of the analytical tools, including the basic mathematical techniques, used in price theory. Prerequisite: 440 or consent of instructor.

Educational Administration

355-4 Philosophy of Education. The philosophical principles of education and the educational theories and agencies involved in the work of the schools. Prerequisite: Counselor Education 305.

456-4 School Supervision. The function of the principal or supervisor in the improvement of instruction. Some activities, methods, and devices for improving the effectiveness of teaching.

500-4 Research Methods. Introduction to educational research with practical training in research writing techniques and evaluation in education.

511-12 (4,4,4) Internship Practicum. The study of theory and practice in school administration pursued simultaneously by the student in co-operation with a public school and the Department. Prerequisite: consent of the department advisory committee.

520-4 Illinois School Law. Study of the legal aspects of Illinois public education with principal emphasis on statutory law and its interpretation by the courts. Prerequisite: 420.

524-4 School Administration. Designed primarily for those who look forward to positions as supervisors, principals, or superintendents.

533-4 School Buildings. Various phases of physical plant design and maintenance of concern to the school administrator.

534a-4 School Finance. A study of the principles and issues of Public School Finance. Revenues, expenditures, indebtedness, and fiscal controls are dealt with.

554-4 Contrasting Philosophies of Education. Deals both historically and contemporaneously with the ideologies which have developed from different concepts of education. Prerequisite: 355 or Philosophy 355 or equivalent.

556-4 Seminar in Educational Supervision. Special research problems in supervision for advanced graduate students.

560-4 Curriculum. Modern practices and procedures in curriculum development, with attention to the professional, social, economic, and other major factors, in curriculum planning.

575-1 to 4 Individual Research. Selection, investigation, and writing of a research assignment under the personal supervision of a graduate faculty member in one of the following areas: (a) curriculum, (b) supervision, (c) buildings, (d) finance, (e) school law, (f) comparative education, (g) history of education, (h) philosophy of education, (j) administration, (k) elementary education.

596-5 to 9 Independent Investigation. Field study required of each student working for the sixth-year specialist certificate.

597-1 to 3 Thesis. Minimum of 5 hours to be counted toward the master's degree.

Elementary Education

337-4 Reading in the Elementary Schools. The principles of reading, factors that condition reading, together with grade placement of aims and materials; diagnostic and remedial treatment. Prerequisites: Counselor Education 305, Educational Administration 355 and Elementary Education 314.

413-4 Children's Literature. Emphasizes types of literature, analysis of literary qualities, and selection and presentation of literature for children. Not for students who have had English 213. Prerequisite: Counselor Education 305.

415-2 to 4 Improvement of Instruction in Arithmetic in the Elementary School. Items to be taught, the grade placement of content, newer instructional practices and materials of instruction, and means of evaluating achievement. Prerequisites: 314 and GSD 112.

437-4 Problems in Reading. Practices and trends in the teaching of reading; materials of instruction in reading, particularly remedial materials; techniques and materials for prevention of reading difficulties; diagnosis and remediation of reading difficulties. Prerequisites: 337 and senior standing. Not open to students having had 505.

442-4 Science for the Elementary Teacher. Study of content and methods of elementary school science.

505-4 Improvement of Reading Instruction. First course in the reading sequence. Survey of reading problems, aspects of the reading process, modern practices in teaching reading.

507-2 to 4 Readings in Reading. Independent reading; acquaintanceship with the literature and research in reading. Conference periods. Prerequisite: 505.

509-4 to 8 Practicum in Reading. For advanced students; teaching demonstrations and evaluations. Each student works with a group of reading disability cases. Prerequisites: 521a,b, and c, and consent of instructor.

518-2 to 4 Supervision of Student Teachers. The function of the supervisory teacher in the student teacher situation. Particular attention to the problem of student teaching in the public schools. A course for present and prospective teachers who wish to be more effective in dealing with student teachers.

521-12 (4,4,4) Diagnosis and Correction of Reading Disabilities. Causes of reading difficulties; observation and interview procedures; standardized tests, instruments, and informal inventories; analysis techniques; experiences in preparing materials for corrective purposes. Each student diagnoses and treats a reading disability case under supervision. Prerequisites: 505.

542-4 Language Arts in the Elementary School. The practical bearing of investigation and theory on the improvement of current practices in the teaching of the language arts other than reading. Attention given to evaluation of teaching materials in these areas.

543-4 Teaching the Social Studies in the Elementary School. Organization of material for teaching purposes, techniques of classroom presentation, bibliographies or materials, use of audio and visual aids to instruction, and techniques for evaluating student progress. Readings, lectures, and discussions related to required teaching experience.

557-4 The Elementary Principalship. Designed to meet many of the particular needs of persons interested in qualifying for appointments as elementary school principals. Other than the administrative responsibilities of the elementary principal, such topics as the grouping of pupils, the elementary school's program, and personnel are studied.

561-4 The Elementary School Curriculum. A critical study of the reorganization, construction, and administration of the elementary school curriculum, and the installation, adaptation, and administration of the revised curriculum.

567-12 (4,4,4) Teaching Competencies and Their Application. Individualized and flexible group study of teaching behavior in competency centers. Skills are developed, applied, and tested in simulated or field settings.

575-2 to 4 Individual Research. The selection, investigation, and writing of a research topic, under the personal supervision of a member of the departmental graduate staff, in one of the following areas: (a) curriculum, (b) supervision, (c) language arts, (d) science, (e) reading, (f) social studies, (g) problems in elementary education, (h) arithmetic, (j) problems in kindergarten-primary, (k) elementary education administration and supervision.

596-5 to 9 Independent Investigation. Field study required of each student working for the sixth year specialist certificate. The work should be done in the setting of a school system where the student is employed or where full cooperation is extended. The study involves selecting of the problem, survey of pertinent literature, recording of results, and appropriate interpretations and summarizations.

597-1 to 3 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Secondary Education

315-4 High School Methods. Study and discussion in various types of procedures used for effective classroom teaching. The problem approach and unit method are stressed. Prerequisite: Educational Administration 335.

505-4 Improvement of Reading Instruction. First course in the reading sequence. Survey of reading problems, aspects of the reading process, modern practices in teaching reading.

507-2 to 4 Readings in Reading. Independent reading; acquaintanceship with the literature and research in reading. Conference periods. Prerequisites: 505 and consent of instructor.

508-4 Seminar: Trends in Selected Areas in Secondary Schools. For students in advanced graduate work. Individual class members will read basic bibliography related to secondary education and read widely about trends in the area of their own teaching fields. Prerequisites: completion of half or more of the work leading to a master's degree and consent of the instructor.

509-4 to 8 Practicum in Reading. For advanced students; teaching demonstrations and evaluations. Each student works with a group of reading disability cases. Prerequisites: 521a,b,c, and consent of instructor.

521-12 (4,4,4) Diagnosis and Correction of Reading Disabilities. Causes of reading difficulties; observation and interview procedures; standardized tests, instruments, and informal inventories; analysis techniques; experiences in preparing materials for corrective purposes. Each student diagnoses and treats a reading disability case under supervision. Prerequisites: 505.

562-4 The High School Curriculum. Designed to permit students to work in groups on problems related to the high school curriculum. Such problems should originate in the schools where the students are or will be employed. The point of view maintained is that procedures should be very democratic. The instructor serves as a coordinator of activity; resource people are used freely. Prerequisite: one other graduate course in curriculum.

564-4 High School Principalship. Designed to deal with problems met specifically by the high school principal. Emphasizes his role in relation to guidance, curriculum, schedule-making, extracurricular activities, public relations, budgeting of time, etc. Prerequisite: Educational Administration 424 and consent of instructor.

567-12 (4,4,4) Teaching Competencies and Their Application. Individualized and flexible group study of teaching behavior in competency centers. Skills are developed, applied, and tested in simulated or field settings.

570-4 Extra-Class Activities. Cocurricular activities of the junior and senior high school including intramural and interscholastic functions.

575-2 to 4 Individual Research. The selection, investigation, and writing of a research topic, under the personal supervision of a member of the

departmental graduate staff, in one of the following areas: (a) Curriculum, (b) Supervision, (c) Language Arts, (d) Science, (e) Reading, (f) Social Studies, (g) Problems in Secondary Education, (k) Junior High School Methodology.

596-5 to 9 Independent Investigation. A field study required of each student working for the sixth-year professional certificate. The work should be done in the setting of a school system where the student is employed or where full cooperation is extended. The study will involve selecting of the problem, survey of pertinent literature, recording of results, and appropriate interpretations and summarizations.

597-1 to 3 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Special Education

410a-4 Problems and Characteristics of the Emotionally Disturbed Child. Diagnosis, screening, classroom management, placement considerations, goals, and the effective use of ancillary services. Emphasis on the understanding of maladaptive behavior through principles of learning and behavior dynamics. Observations.

410b-4 Problems and Characteristics of the Mentally Retarded Child. Objectives, curriculum, methods, and materials of instruction for slow learners. Emphasis upon the principles of learning as they can be applied to this group. Observations. Prerequisite: Counselor Education 305 or Psychology 301 or 303.

410c-4 Problems and Characteristics of the Gifted Child. Designed to help teachers in the identification of, and programming for, gifted and talented children. Prerequisite: Counselor Education 305 or Psychology 301 or 303.

413a-4 Directed Observation of the Emotionally Disturbed Child. Student observation and participation in group and individual work with emotionally disturbed children. Often taken concurrently with 410a. Prerequisite: consent of instructor.

413b-4 Directed Observation of the Educable Mentally Handicapped. Student observation and participation in group and individual work with mentally retarded children. Often taken concurrently with 410b. Prerequisite: consent of instructor.

414-4 The Exceptional Child. Physical, mental, emotional, and social traits of all types of exceptional children. Effects of handicaps in learning situations. Methods of differentiation and techniques for rehabilitation. Individual case studies used; observations and field trips. Prerequisite: Psychology 301 or 303 or consent of instructor.

420b-4 Methods and Materials in the Education of the Educable Mentally Handicapped. Usually offered in conjunction with practice teaching, dealing with methods and materials needed in teaching educable mentally retarded in special education programs. Prerequisite: 410b.

496-1 to 8 Readings and Independent Study in Special Education. Study of a highly specific problem area in the education of exceptional children. Open only to selected seniors and graduate students.

501-4 Special Research Problem. For majors and minors in the field of special education. Choosing and conducting research activities. The student to select a topic for research and present it, upon completion, to the staff.

590-12 (4,4,4) Seminar: Mental Retardation. Critical review of administrative practices, research, theories and etiological factors relevant to programs in the education of children who are mentally retarded or gifted. Implications of research in related disciplines. Application of theories to practice. Open to advanced graduate students in special education only.

Engineering

101-9 (3,3,3) Engineering Graphics. (a) Basic principles of graphic communications. Pictorial projection, sections and conventions, dimensioning auxiliary views, freehand lettering, and sketching.

English

300-4 Principles of English Grammar. Required for English students. Others should take 391. Credit not allowed for both courses.

302-12 (4,4,4) Survey of English Literature. (a) to 1550, (b) 1550-1750, (c) after 1750. May be taken in any sequence.

309-8 (4,4) Survey of American Literature. (a) to 1860, (b) since 1860. May be taken in either sequence.

391-3 Usage in Spoken and Written English. Usage and structure of English. Prerequisite to student teaching, except in English concentrations, which require 300.

404-12 (4,4,4) Middle English Literature. (a) Middle English literature excluding Chaucer; (b) Chaucer: early poems and *Troilus*; (c) Chaucer: *Canterbury Tales*. May be taken separately.

421-16 (4,4,4,4) English Poetry. (a) Early Romantics: major emphasis on general background and on Blake, Coleridge, and Wordsworth; (b) later Romantics: emphasis on Byron, Shelley, and Keats, the minor figures; (c) Victorian poets: Tennyson, Browning, Arnold, and other poets of England, 1830-1900; (d) modern British poets. May be taken separately.

468-4 American Drama. The rise of the theater in America, with reading of plays, chiefly modern.

485-4 Problems in the Teaching of English. Aims, methods, materials, tests, programs, and other aspects of English instruction in the high school.

500-2 Materials and Methods of Research in English. The principal tools of literary scholarship and the more important studies and journals. Practice in preparation of selective bibliographies and scholarly reports.

Finance

320-4 Corporation Finance. A study of the principal duties of corporate financial officers and the problems of administrative financial management of business. Topics include planning, budgeting and control, external sources of capital. Prerequisites: Accounting 230, 231; Economics 200, 201.

Foreign Languages

French

123-3 (1,1,1) French Conversation. Conversation and oral drill taken with GSD 123 by students who wish additional oral training; elected only by students enrolled in GSD 123. May be taken separately.

500-2 Seminar in Contemporary French Literature. A study of the *nouveau roman* and anti-theater from 1950 to the present.

501-2 to 6 Seminar on a Selected French Author. Intensive study of one author. May be taken a maximum of 3 times.

German

126-3 (1,1,1) German Conversation. Conversation and oral drill taken with GSD 126 by students who wish additional oral training; elected only by students enrolled in GSD 126. May be taken separately.

513-3 20th Century German Novel. Continuation of 512. Study of representative writers of expressionism, "Neue Sachlichkeit," etc. Lectures, reports.

Italian

201-9 (3,3,3) Intermediate Italian. Development of listening, speaking, reading and writing skills on the intermediate level, with special attention to the role of Italian culture in world civilization. Prerequisite: GSD 144, or two year of high school Italian, or equivalent.

220-6 (2,2,2) Intermediate Italian Conversation. Development of oral skill on an intermediate level. Prerequisite:

Russian

136-3 (1,1,1) Russian Conversation. Conversation and oral drill taken with GSD 136 by students who wish additional oral training; elected only by students enrolled in GSD 136. May be taken separately.

Spanish

140-3 (1,1,1) Spanish Conversation. Conversation and oral drill taken with GSD 140 by students who wish additional oral training; elected only by students enrolled in GSD 140. May be taken separately.

201-9 (3,3,3) Intermediate Spanish. Composition, oral practice, rapid reading of modern authors with special attention to the role of Spanish culture in world civilization. Must be taken in a,b,c sequence. Prerequisite: GSD 140 or two years of high school Spanish, or equivalent.

525-3 The Spanish Ballads. The romance studied as a part of the literature and folklore of Spain and the New World.

General Business Administration

140-4 Introduction to Business. An overview of the basic nature of business in an essentially market-disciplined economic system. Emphasis on the interdisciplinary nature of business and the broad administrative principles governing organized human endeavor. Introduction to business and economic terminology and to the case method of developing analytical ability.

340-4 Organization and Decision-Making. Development of understanding of organizational behavior and decision theory and of analytical skills through case analysis and discussion. Examination of processes of group formation and development, conformity and direction, influence and decision-making, problem solving, role specialization and differentiation, status and social power distribution, satisfaction, and goal internalization and commitment. Prerequisites: 140 and GSB 201a,b,c.

341-4 Organizational Problems. Application of the concepts, understanding, and techniques to major categories of recurring organizational problems faced by complex business units and described in case situations. Features such as position specifications, authority structures, territorial imperatives, performance measurements, and procedures involving compensation, communication, and employee selection and promotion. Designing organizational patterns to meet specific situational needs. Prerequisite: 340.

440-4 The Legal Environment of Business. Varied facets of the external and internal legal environments within which business firms operate. Use of cases and readings which describe and analyze the legal framework supporting, facilitating, and guiding everyday business decisions. Common law, statutory law, and administrative law as they affect the business environment. Prerequisite: 140.

441-3 Business Policy. Development of a top-management view leading to the formulation of general policies to be followed by the organization. Determination of objectives, the development of plans for their achievement, organizing administrative personnel to carry them out, implementation of programs, measurement of results, and the reappraisal of objectives, plans and action-patterns in the light of evolving situations. Prerequisites: 341 and 440.

Geography

426-9 (3,3,3) Photogrammetry. (a) Principles and practice of terrestrial and aerial photogrammetric mapping, including planning flights, control surveys, uncontrolled mosaics, radial-line control, simple stereoplotting instruments, parallel distortions, graphical tilt determination, trimetrogen charting, and economics. (b) An advanced study of photogrammetric principles including controlled mosaics, rectification, graphical, mechanical, and analytical space orientation. Readings and reports from current technical literature. The principles of many photogrammetric plotters are studied together with economic relation of these instruments to density of field control, office methods, and personnel. (c) A study of the soil and rock areas of the United States and the patterns present in aerial photographs. Fundamental elements of soil patterns are analyzed to permit determination of materials present and their properties. Emphasis is placed on photo interpretation for engineering and regional planning purposes. Laboratory. Prerequisite: 363a or consent of instructor.

471-8 (4,4) Regional Planning. Area and regional development, theory, and practices.

490-1 to 2 (8 total) Tutorial in Geography. Individual and small group conferences with staff members to examine geographic concepts.

511-4 Philosophy of Geography. The nature of geography. Current trends in the field, present-day geographers, and schools of thought. Geography's place among the disciplines.

599-2 to 9 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Government

479-4 Topics in International Relations. A detailed study of a selected topic in the area of international relations. Designed primarily for government concentrations with advanced standing.

History

372-8 (4,4) History of Russia. (a) To 1905. (b) Since 1905. May be taken separately or in any sequence. Prerequisite: GSB 101b,c.

430-9 (3,3,3) Late Modern Europe. (a) Age of Revolution, 1815-1880. (b) 1880-1918. (c) Since 1918. Age of Dictatorships.

435-12 (3,3,3,3) Advanced American History. (a) 1865-1900. (b) 1900-1929. (c) 1929 to present. Prerequisite: GSB 300-9.

500-3 to 9 History Seminar. (a) American history, (b) European history, (c) Latin American history.

Humanities

301-3 Humanities Honors. Prerequisite: completion of the second-level

General Studies courses and invitation of the Humanities Honors Program Committee. Accepted in lieu of third-level GSC requirement.

Instructional Materials

308-4 School Library Technical Processes. Organization of library materials for effective service. Acquisition, classification, cataloging, preparation, preservation, and circulation. Laboratory assignments.

406-4 Library Materials for Adolescents. A study of the aids, methods, and criteria for the selection and use of books and other instructional materials for students in the high school. Open to juniors with consent of instructor.

417-4 Audio-Visual Methods in Education. Selection and utilization of instructional materials in the learning environment, elementary through adult levels. Audio and visual materials and procedures are emphasized with some attention given to bibliographies and reference books for teachers.

422-4 Book Selection. Principles for selection and evaluation; use of standard selection aids, reviews and annotations, including policies governing the building and maintenance of the collection.

440-2 Photography for Teachers. Techniques of picture-taking and the preparation of color slides of community resources for use in classroom instruction and for school public relations.

445-4 Preparation of Teacher-Made Audio-Visual Materials. Laboratory practice in the preparation of bulletin boards, opaque materials, models, slides, recordings, feltboards, and other graphic materials. Prerequisite: 417 or consent of instructor.

530-4 History of Books and Libraries. The evolution of the printed book and the rise and development of modern libraries.

548-4 Supervision and Administration of an Audio-Visual Program. Provides professional information and training for persons with administrative responsibilities at the district or unit level. For directors of Instructional Materials and Audio-Visual Centers. Prerequisite: 417 or consent of the instructor.

549-4 Visual Learning. Learning from pictures in the classroom, the design of still and moving pictures, pictures used in testing perception, and the place of pictures in advertising and communication. Prerequisite: consent of instructor.

Management Operating Systems

281-4 Principles of Computer Programming. A comparative study of stored program concepts, binary coding principles, study of machine language and symbolic coding; definition of problem and preparation of flow charts and block diagrams. Work involves practice problems requiring the preparation of flow charts, block diagrams, coding, preparation of source programs, and test running on computer equipment. Prerequisite: consent of instructor.

380-4 Management Operating Systems I. A study of organizational decision making within the concept of systems with emphasis on information flows, decision centers and the application of data processing techniques. A major portion of the course is student development of an information, decision-making, and control system for a specific small-scale business enterprise. The computer is used. Prerequisite: Accounting 231.

Marketing

370-4 Consumer Behavior. An interdisciplinary approach to the analysis and interpretation of consumer buying habits and motives and the resultant purchases of goods and services. The purchaser's psychological, economic, and sociocultural actions and reactions are stressed as they relate to a better understanding of consumption. Prerequisites: GSB 103b, GSB 201c, Economics 201, and Quantitative Methods 211.

371-4 Principles of Marketing Management. An introductory survey of the problems encountered by the marketing executive and the analytical and evaluative systems available which can be used to improve his operating efficiency. Emphasis is placed on the use of marketing management factors in the areas of markets, products, distribution, price and promotion. Prerequisite: 370.

452-4 Physical Distribution Management. A systematic, integrated treatment of problems of managing the flow of raw materials, parts, semi-manufactured and finished goods from their sources to the ultimate consumer. Stress on the application and logic of quantitative decision tools to the problems of spatial relationships of plant capacity and storage facilities and their connecting transportation linkages. Prerequisites: 470 and Quantitative Methods 310.

Mathematics

150-8 (4,4) Elementary Calculus and Analytic Geometry. Elementary differential and integral calculus with analytic geometry and applications. Includes the definite integral and differentiation of transcendental functions. Must be taken in a,b sequence.

225-4 Programming for Digital Computers. An intensive course. Topics include computer organization and characteristics, machine language coding, flow charts, subroutines, symbolic coding, and compiler systems. Equipment of the University's Data Processing and Computing Center is used for applications. Prerequisite: GSD 114a.

305-6 (3,3) Applied Mathematics for the Physical Sciences. (a) Ordinary differential equations, linear algebra, and applications. (b) Additional topics in applied mathematics such as finite difference methods; Laplace transforms, and Fourier series. Must be taken in a,b sequence. Prerequisites: 252b and Physics 211c.

321-4 Elementary Matrix Algebra. Introduction to the algebra of matrices and theory of determinants: inverse of a matrix, rank and equivalence, linear equations, and linear dependence. Prerequisite: 150b.

351-4 Multivariable Calculus. Vector algebra, functions of several variables, the differential and integral calculus. Topics include directional derivatives, maxima and minima, gradient, divergence and curl, line and surface integrals, Green's Theorem, Stoke's Theorem, and integrals independent of path. Prerequisites: 252b.

410-16 (4,4,4,4) Statistical Analysis. For students in fields using statistical methods but not required to take calculus. Includes (a) elements of probability, estimation, and testing hypotheses; (b) the general linear model (multiple linear regression, analysis of variance, analysis of covariance) and non-parametric statistics; (c) design of experiments; (d) sample survey techniques. May not be used to satisfy requirements for a mathematics concentration. Three lectures and two laboratory hours per week. Must be taken in either a,b,c,d or a,b,d,c sequence. Prerequisite: GSD 114a.

433-3 Theory of Point Sets. General properties of sets; topology of plane sets; closed sets and open sets in metric spaces, homeomorphisms and continuous mappings, connectedness. Prerequisite: 252b and 6 hours in courses numbered 300 or higher, or consent of instructor.

446-2 to 10 Structure of Mathematics. Designed to assist experienced teachers in extending their understanding of mathematics. (a) Elementary School Mathematics, (b) Junior High School Mathematics. Does not count credit toward a mathematics concentration. Prerequisites: experience in teaching and consent of instructor.

455-9 (3,3,3) Advanced Mathematics for the Physical Sciences. Introduction to various topics such as complex variable theory with applications, operational calculus (Laplace and other transforms), vector field theory, and partial differential equations. May be taken separately or in any sequence. Prerequisite: 305b or consent of instructor.

458-6 (3,3) Finite Mathematics. An introduction to topics in finite mathematics such as logic, sets, probability, linear algebra, and Markov chains. Designed for students preparing for high school teaching and for advanced students in the behavioral sciences. Prerequisite: 252a or consent of instructor.

472-9 (3,3,3) Computer Science. An introduction to computing systems and the mathematics of computation. (a) Computer organization, design, and programming systems. (b) Linear system problems, linear programming and network problems. (c) Digital simulation problems, linear and other probabilistic problems. Prerequisites: 225, 305a, and 321.

501-9 (3,3,3) Real Variables. A basic course in mathematical analysis. (a,b) The real number system; fundamental theorems in limits and continuity; open, closed, compact, and connected sets in Euclidean and metric spaces; the Riemann and the Riemann-Stieltjes integrals and functions of bounded variation; infinite series; uniform continuity; uniform convergence of series and improper integrals; arcs and curves; implicit function theorem; multiple integrals. (c) The general theory of measure and integration from an abstract point of view. Additive classes of sets, Borel sets, measurability, measure and outer measure; integrable functions, convergence theorems; absolute continuity and the Radon-Nikodym theorem; Fubini's theorem. Must be taken in a,b,c sequence. Prerequisite: 452c.

520-9 (3,3,3) Modern Algebra. Topics from group theory, ring theory, and field theory; including Sylow theorems, solvable groups, nilpotent groups, rings with descending and ascending chain conditions, elementary divisor theorem for R-modulus, Galois theory, and cyclotomy. Must be taken a,b,c sequence. Prerequisite: 419 or consent of instructor.

550-1 to 10 Seminar. Supervised study and preparation of reports on

assigned topics. Reports presented for class discussion. (a) Algebra. (b) Geometry. (c) Analysis. (d) Probability and Statistics. (e) Mathematics Education. (f) Logic and Foundations. (g) Topology. Prerequisite: consent of instructor.

551-9 (3,3,3) Functional Analysis. The theory of linear transformations between infinitely dimensional topological vector spaces, including Banach and Hilbert spaces, with various applications. The basic notion for the study is that of a functional or continuous scalar-valued linear transformation. Must be taken in a,b,c sequence. Prerequisites: 501c and 421b.

595-1 to 10 Special Project. An individual project, including a written report. (a) in algebra; (b) in geometry; (c) in analysis; (d) in probability and statistics; (e) in mathematics education; (f) in logic and foundations; (g) in topology.

599-1 to 9 Thesis. Minimum of 5 hours to be counted toward the Master of Arts degree.

Music

002-7 (1,1,1,1,1,1) Choral Ensembles. (a) Collegiate Singers, (b) University Chorus, (c) Male Chorus, (d) Women's Glee Club, (e) Southern Illinois University Community Choral Society, (f) Madrigal Singers, (g) Concert Chorale. May be taken in any sequence. Any part may be repeated for twelve quarters. Prerequisite: auditions for a,f,g.

420-1 Music Education Practicum. A shop-laboratory course dealing with the selection, adjustments, maintenance, and repair of musical instruments.

461-6 (3,3) (a) Teaching Techniques and Materials for the Beginning and Intermediate Levels. Designed to meet the needs of applied students in which the problems of private studio teaching and college-level teaching are discussed. (b) **Teaching Techniques and Materials for the Advanced Student.** Prerequisite: 461a

465-3 Development and Teaching of Strings. Place and function of string education in the elementary and secondary schools. Techniques of heterogeneous and homogeneous string teaching. Developing and sustaining interest in the string program. Resource aids. May be repeated for a total of 9 hours credit. Prerequisite: senior standing.

501-3 Introduction to Graduate Study in Music. Basic bibliographical and historical research techniques in music theory, literature, and education.

522-3 Seminar: Music History and Literature. Advanced study in special periods of music history-literature.

560-3 Seminar in Music Education. Trends, current practices, philosophies of music education.

Personnel and Industrial Relations

453-4 Advanced Problems in Industrial Relations. Exploration and development of labor, management, and government relations. A study of conflict and harmony between them as individual units and as a totality. Emphasis is placed on the internal grievance procedure and the roles of the National Labor Relations Board, Federal Mediation and Conciliation Service, arbitrators, and other tripartite bodies in Industrial Relations. Cases and reports are incorporated. Prerequisite: 451.

Philosophy

200-4 Types of Philosophy. Survey of the traditional branches and problems of philosophy, such as religion, metaphysics, epistemology, ethics, political theory, aesthetics, and history.

495-2 to 12 Independent Readings. Independent study in philosophy on a tutorial basis. Prerequisite: consent of instructor and chairman.

Physical Education

350-4 Methods and Materials for Teaching Physical Education Activities in the Elementary School. The organization and conduct of the program, program planning, evaluation of materials, observation and practice in creative rhythms, singing games, folk dancing, and games of low organization. (Required for elementary education.)

402-4 Organization and Administration of Intramural and Extramural Activities. Planning intramural programs of sports. Planning and coordinating extramural activities commonly associated with physical education.

475-2 to 4 Individual Research. The selection, investigation and writing of a research topic under supervision of an instructor. (a) Dance, (b)

kinesiology, (c) measurement, (d) motor development, (e) physiology of exercise, (f) history and philosophy.

501-4 Curriculum in Physical Education. Principals and procedures for curriculum construction and revision; criteria for selecting activities and judging outcomes and the place of the physical education course of study within the total curriculum.

502-4 Foundations of Motor Skills. Application of physiological, kinesiological, and mechanical principles to intelligent control of large-muscle activities. Recommended background: a course in kinesiology.

509-4 Supervision of Physical Education. The functions of supervision in physical and health education; basic principles and methods of supervision. Techniques and methods for increasing the effectiveness of the program at the elementary and high school levels.

525-2 to 6 Readings in Physical Education. Supervised reading in selected subjects. Prerequisite: consent of instructor and chairman of department. Open only to last-quarter seniors and graduate students.

Physics

300a-4 University Physics IV. A continuation of 211 covering modern physics. Three lecture and two recitation hours per week. Prerequisites: 206 or 211, Mathematics 252b or concurrent enrollment.

300b-1 University Physics Laboratory IV. Consists of the classic experiments in modern physics: Millikan oil drop, e/m , Franck-Hertz, Foucault velocity of light and black body radiation along with experiments in nuclear physics. Prerequisite: concurrent enrollment in 300a.

510-9 (3,3,3) Classical Mechanics. Variational principles and Lagrange's equations; rigid body motion; special relativity; canonical equations, small oscillations including non-linear problems; perturbation methods; classical theory of fields. Prerequisite: 301 (E); 401 (C).

580-3 to 6 Selected Topics in Physics. Topics of special interest. Prerequisite: consent of instructor.

Production

460-4 Production Management. Analysis of the basic functions of manufacturing films. Students work on a project of their choice in conjunction with the lectures and class discussions. Topics include blueprint reading, equipment and tools, plant layout, product flow, materials handling, quality control, cost control, production control, methods engineering, product engineering, inventory control, the use of PERT, and financial concepts as related to production management. Several plant visits are conducted during the course. Prerequisite: General Business Administration 340.

Psychology

301-4 Child Psychology. A study of the biological and psychological development of the child from birth through puberty, and of relevant research methods and results. Prerequisite: GSB 201c.

305-4 Introduction to Personality Dynamics. Exploration of human motivations, personality patterns, and ways of coping with the stresses of modern life. Prerequisite: GSB 201c.

406-4 Learning Processes and Applications. An examination of processes by which behavior is acquired, changed, or extinguished; an application of learning principles developed in the learning laboratory. Prerequisite: consent of instructor.

420-4 Experimental Analysis of Behavior. Scientific methodology as an approach to investigation and classification of problems involved in understanding the psychological nature of man. Prerequisite: consent of instructor.

432-4 Mental Hygiene. An integration of psychological knowledge and principles concerning factors and conditions affecting the individual which tend to facilitate or determine health.

440-4 Theories of Personality. A review and critical evaluation of major personality theories and their supporting evidence. Prerequisite: 305 or consent of instructor.

451-4 Advanced Child Psychology. An examination of the concepts, methods, and problems of human development with consideration of both its psychological and psychosocial aspects. Prerequisite: 301 or 303 or consent of the instructor.

465-4 Group Dynamics and Individual Behavior. Examination of research and theory in the area of small-group interaction. Examines such topics as group structure and function, group problem-solving, leadership, etc. Prerequisite: 320 or consent of instructor.

474-4 Psychology of Employee Relations. A study of job satisfaction and morale, psychological aspects of labor relations, industrial counsel-

ing, social and organizational variables as they affect psychological climate in employee relations. Prerequisite: 320 or consent of instructor.

490-1 to 8 Independent Projects. Independent readings and projects in psychology. Prerequisite: consent of instructor and chairman.

501-12 (4,4,4) Proseminar in General Psychology. Basic conceptual and methodological problems in the study of behavior. (a) History and systems of psychology, philosophy of science, scientific methodology, behavior theory. (b) Acquisition of behavior, sensory and perceptual processes, motivation and emotion. (c) Personality and individual differences, new conceptual and methodological developments and trends. To be taken in sequence. Prerequisite: consent of instructor. Open to students in other areas by arrangement with chairman.

520-4 Research Design and Inference I. Study of elements of probability, design and analysis of simple experiments including t and F tests; selected non-parametric tests, and multiple regression analysis. Prerequisite: 211b.

541-6 to 8 (4, 2 to 4) Psychodiagnostics I. Introduction to clinical psychology with attention to the function and clinical use of individual intelligence tests. Theories of intelligence and related research. Age scales with emphasis on infant and child testing. Point scales and tests of deterioration with emphasis on child and adult testing. Lecture and practicum. Prerequisites: 520 and consent of instructor.

590-1 to 16 Readings in Psychology. Readings in selected topics in psychology under staff supervision. Prerequisite: consent of chairman.

591-1 to 36 Research in Psychology. Research under staff supervision in selected areas of psychology. Prerequisite: consent of the chairman.

593-1 to 18 Practicum in Psychology. Practicum experience in a professional setting is offered under staff supervision in the following areas: (e) Clinical Psychology, (f) Counseling Psychology, (h) Industrial Psychology, (j) Child Psychology, (k) Community Health Psychology, (l) Teaching of Psychology.

Quantitative Methods

211-4 Statistical Analysis of Business Decisions. A further exploration of statistical concepts as applied to business situations including analysis of variance, multiple regression analysis, and non-parametric statistics, under conditions of uncertainty. Prerequisite: 210.

Rehabilitation

480-2 An Introduction to Rehabilitation. A survey of the philosophy, procedures and practices underlying the rehabilitation movement, including the history and legislation that have contributed to its rapid development.

580-1 to 6 Practicum in Rehabilitation Services. Familiarization with the functions of various rehabilitation settings through observation and participation in those activities—usually one day per week. Prerequisite: consent of instructor.

585-1 to 16 Practicum in Rehabilitation Counseling. Practice in developing counseling skills under close supervision in a variety of settings. Prerequisites: Guidance 537a and consent of instructor.

Social Welfare

481-4 Processes in Social Work. Theory, rationale, and practice of casework, group work, social welfare organization, and the roles of supervision, administration, and research in relation to each. Case material study and discussion with field observation and practice. Prerequisite: 375 or consent of instructor.

Sociology

321-4 Socialization of the Individual. The process of socialization in infancy, childhood, and adolescence; development of habits; attitudes, sentiments; emergence of the self; integration of the individual and society. Prerequisite: 301 or GSB 103a.

333-4 Community Organization. Factors involved in community organization; types, aims, and objectives; community diagnosis; individual case study of specific community. Prerequisite: 301 or GSB 103a.

405-4 Current Sociology. A survey of important trends in contemporary social thought. Reading, reporting, and evaluating content of leading sociological journals. Prerequisite: consent of instructor.

427-4 Personality and Social Adjustment. Basic mechanisms of adjustive behavior; concepts and criteria of personal integration and social adjustment; varieties of adjustive and non-adjustive behavior; theories of personal organization and disorganization; selected problems. Prerequisite:

site: 321 or Psychology 305 or consent of instructor.

542-4 Seminar on the Family. The family as a field of sociological study. Assessment of significant historical and contemporary writing. Prerequisite: 15 hours of sociology including 340, or consent of instructor.

Speech Pathology and Audiology

428-4 Speech Correction for the Classroom Teacher. (Same as Special Education 428.) Etiology and therapy of common speech defects. Open to in-service teachers, seniors, and graduate students in education.

Registration Calendar, Winter, 1969

October 9–December 6.

Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by December 6.*

October 8–January 8.

Registration period for graduate students.

December 11.

Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

January 2.

Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date.* Any exceptions will involve late registration fee charges. Winter quarter begins. Night classes (5:45 P.M. or later) begin.

January 3, 4, and 6.

Program change processing only. Day classes begin on January 3.

January 7.

Late registration begins for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

January 8.

Registration for the Winter quarter ends for both graduate and undergraduate students. This also includes the registration into new courses or the changing of sections through the program change process.

January 15.

Deadline for payment of fees by students whose fees were deferred. Graduate student registration will be cancelled if fees are not paid by 4:00 P.M.

January 15.

Last day officially to withdraw from school to be eligible for a refund of fees.

January 29.

Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

March 5.

Last day for making a program change or withdrawing from school except under exceptional circumstances.

Calendar of Events

January

- 2, Thursday. International Student Testing
- 11, Saturday. Dental Aptitude Test
- 18, Saturday. Graduate Record Examination
- 18, Saturday. Graduate English Test

February

- 1, Saturday. Admission Test for Graduate Study in Business
- 8, Saturday. Law School Admissions Test
- 8, Saturday. * Dental Hygiene Aptitude Test
- 8, Saturday. * American College Testing Program (National)
- 15, Saturday. Graduate Foreign Language Examination
- 22, Saturday. Graduate Record Examination

March

- 22, Saturday. International Student Testing
- 24, Monday. * American College Testing Program (Residual)
- 26, Wednesday. International Student Testing

* Please note that pre-registration is required. For details as to registration procedure, contact the Counseling and Testing Center at least four weeks prior to the test date.

University Calendar

WINTER, 1969 Quarter Begins Thursday, January 2 *
 Final Examinations Thursday–Wednesday,
 March 13–19

SPRING, 1969 Quarter Begins Wednesday, March 26 *
 Memorial Day Holiday Friday, May 30
 Final Examinations Wednesday–Tuesday,
 June 4–10
 Commencement (Edwardsville) Tuesday,
 June 10
 Commencement (Carbondale) Wednesday,
 June 11

SUMMER, 1969 Quarter Begins Tuesday, June 17 *
 Independence Day Holiday Friday, July 4
 Final Examinations Monday–Friday,
 August 25–29
 Commencement (Edwardsville) Friday,
 August 29
 Commencement (Carbondale) Saturday,
 August 30

FALL, 1969 New Student Week Sunday–Tuesday,
 September 21–23
 Quarter Begins Wednesday, September 24 *
 Faculty Meeting (Carbondale) Saturday,
 October 4
 Homecoming (Carbondale) Thursday–
 Saturday, October 23–25
 Homecoming (Edwardsville) Thursday–
 Saturday, October 30–November 1
 Parents' Day Saturday, November 15
 Thanksgiving Vacation Tuesday, 10 P.M.–
 Monday, 8 A.M., November 25–December 1
 Final Examinations Monday–Saturday,
 December 15–20

WINTER, 1970 Quarter Begins Monday, January 5 *
 Final Examinations Monday–Saturday,
 March 16–21

* Classes begin with the evening classes after 5:30 P.M. on the Carbondale campus and with the evening classes after 4:30 P.M. on the Edwardsville campus.

1 / General Information

This bulletin contains the schedule of classes for the winter quarter, 1969, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

Admission

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the registration calendar in this bulletin. Ordinarily registration offices

are open from 8:00 to 12:00 noon and 1:00 to 5:00 P.M., Monday through Friday, and from 8:30 to 12:00 noon on Saturday.

During the registration process the student goes through the Registration Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale Campus

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

Current Students, Edwardsville Campus

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Office of Student Work and Financial Assistance. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1969 winter quarter this is January 15.

Fees for A Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State Resident . . (30.00)	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fund Fee	3.00	6.50	10.00
<i>Total</i> —Illinois Resident	\$33.50	\$62.50	\$90.50
<i>Total</i> —Out of State Resident	(49.50)	(149.50)	(220.50)

Students who register for a course for “Audit” or for a non-credit course will be assessed fees according to the imputed hours of that course. “Imputed hours” is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status.

The activity fee is prorated according to the number of hours carried. Students cannot pay more or less than assessed. Health Service benefits vary according to the amount paid. Students who wish more coverage should purchase the separate student medical insurance.

Registering for Only Night and/or Saturday Classes

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

Late Registration

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

Auditing of Courses

Students may register for courses in an “audit” status. They receive no letter grade and no credit for such courses. An auditor’s registra-

tion must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar's Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student's academic dean's approval.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. Initiating the change.

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. Sectioning.

Students must take the program change form to the Registration Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar's Office and then returned to the Registration Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period

at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Dean of Students.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office.
2. Names Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment, Fiscal Reports, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 / Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

- 000-099 Course not properly in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

Prerequisite

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the Undergraduate Catalog, Carbondale, or the Graduate School Catalog.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and will be opened for registration only if staff is available.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by a four digit number.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
A:	Allyn Building	OBf:	Old Baptist Foundation
Abbott:	Abbott Hall (T.P.)	Office:	Office of the department

Explanation of Entries

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.

Second Line: The prerequisite (if applicable).

Section-Number Lines: The first column lists section numbers for courses offered fall quarter. Following each section number are the time the class begins and the time it ends. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.

University Calendar, 1968-1969

Fall Quarter, 1968

New Student Week	Saturday–Monday, September 21–23
Quarter Begins	Tuesday, September 24 (Classes 4:30 P.M. or later)
Thanksgiving Vacation	Tuesday 10 P.M.– Tuesday, 8 A.M., November 26–December 3
Final Examinations	Wednesday–Tuesday, December 11–17

Winter Quarter, 1969

Quarter Begins	Thursday, January 2 (Classes 4:30 P.M. or later)
Final Examinations	Thursday–Wednesday, March 13–19

Spring Quarter, 1969

Quarter Begins	Wednesday, March 26 (Classes 4:30 P.M. or later)
Memorial Day Holiday	Friday, May 30
Final Examinations	Wednesday–Tuesday, June 4–10
Commencement (Edwardsville)	Tuesday, June 10
Commencement (Carbondale)	Wednesday, June 11

Registration Calendars

Winter Quarter, 1969

EDWARDSVILLE CAMPUS

Registration will be held in the Enrollment Office, 1302 Peck Classroom Building.

Oct. 7-Jan. 2	General Studies Advisement, by appointment (call General Studies Office).
Nov. 18-30	Registration, by appointment. Mon.-Fri. 8:30 A.M.-4:30 P.M.; Sat. 8:30 A.M.-12:00 noon. Additional hours Nov. 19, 20, 26, 27, 4:30-7:00 P.M.
Nov. 28	Thanksgiving, no registration.
Dec. 6-14	Open registration. Mon.-Fri. 8:30 A.M.-4:00 P.M.; Sat. 8:00 A.M.-12:00 noon. Additional hours Dec. 9, 10, 11, 4:30 -7:00 P.M.
Jan. 2	Central registration. 8:00 A.M.-7:00 P.M.

ALTON CENTER

Registration will be held in the Student Union.

Dec. 5	Open registration. 8:30 A.M.-7:00 P.M.
Dec. 23	Central registration. 8:30 A.M.-6:30 P.M.

EAST ST. LOUIS CENTER

Dec. 4	Open registration. 8:30 A.M.-7:00 P.M.
Dec. 30	Central registration. 8:30 A.M.-6:30 P.M.

ALL LOCATIONS

Jan. 2	Evening classes (4:30 P.M. or later) begin.
Jan. 3	Day classes begin.
Jan. 8	Last day to add a class.
Jan. 15	Last day to be eligible for a refund of fees.
Jan. 29	Last day to withdraw from a class without receiving a grade.
Feb. 26	Last day to withdraw from school or a class.

General Information

1

THIS BULLETIN contains the schedule of classes to be offered at the Edwardsville Campus and the Alton and East St. Louis centers in the late afternoon, evening, or on Saturday for the winter quarter of the 1968-69 school year. It also provides information relative to advisement and registration, fees, and allied information.

The Edwardsville Campus provides a full schedule of class offerings for day and evening students. Freshman and sophomore courses are scheduled for day and evening students at the Alton and East St. Louis centers.

GUARANTEED CENTER SCHEDULES

A program of Guaranteed Schedules for the centers has been established. Certain courses and sections at the centers are guaranteed for schedules extending through the fall, winter, and spring quarters. These classes will not be cancelled; they are coordinated to offer a variety of full-time academic programs for the incoming freshman as a day student, and they permit efficient progress for the new freshman evening student.

Classes at the centers marked with a ★ in the schedule are part of this program. For details concerning the full year's schedules, see the separate brochure for each center.

ADMISSION

Inquiries concerning admission to Southern Illinois University should be directed to the Admissions Office at Edwardsville. Applications for admission are accepted at any time during the calendar year but should be initiated at least 30 days prior to the start of the quarter which the student plans to attend.

A student must be officially admitted to the University before registration for classes will be permitted. Students who have not completed the admission requirements by the first day of the quarter will not be permitted to register. A student, to be permitted to attend classes at Southern Illinois University, must have completed registration, which includes admission, advisement, sectioning, and payment of fees.

SOCIAL SECURITY NUMBER

Each student seeking admission to the University will

need to present a social security number for identification purposes. Any local social security office can provide assistance in obtaining a number or replacing a lost card. At Alton the social security office is at 1623 Washington Street; at East St. Louis the office is at 435 Missouri Avenue; at Edwardsville the Illinois State Employment Office, 111 West Vandalia, provides social security information.

REQUIRED TESTS

Each student entering Southern Illinois University directly from high school is required to furnish to the University scores on the test battery administered by the American College Testing Program (A.C.T.). These tests are given at regional test centers throughout the United States in October, December, February, May, and August. Information and application blanks are normally available through the high school guidance director or principal, or may be obtained by writing directly to: American College Testing Program, Box 168, Iowa City, Iowa.

A student who finds it impossible to take the A.C.T. tests may have scores from the College Entrance Examination Board (C.E.E.B.) submitted. The specific scores, which must be submitted if the C.E.E.B. tests are submitted, are Scholastic Aptitude Test, English Composition Test, and Mathematics (Intermediate) Test. In order to have identical test data, a student who submits C.E.E.B. test data will be required to submit scores from the A.C.T. no later than one month after registration.

Transfer students are required to furnish A.C.T. scores to the Student Counseling and Testing Center. (A transcript of these scores is available by sending one dollar and a written request to the American College Testing Program in Iowa City.) If the scores are on file at the student's former school, a request should be made for their forwarding. Test scores are not normally sent with a person's transcript of grades and must be requested separately from the appropriate office at the former school. If the A.C.T. tests have not been taken, arrangements to do so should be made.

ADVISEMENT

The advisement system requires all new students to have initial advisement through the General Studies Advisement Office. These offices are maintained at each of the centers for the convenience of the student. Freshmen and sophomores will continue to be advised each quarter prior to registration. Following the student's declaring a major (between reaching 64 and 96 hours of credit), the student is assigned to an adviser in his concentration area. Each student is required to declare a concentration upon achieving 96 hours of credit. Probationary students are also required to receive advisement prior to registration.

Graduate students, both classified and unclassified, must have their schedule approved at the Graduate Office before registering.

Students with a declared major in the Education

Division must receive advisement from the Division office prior to registering.

All students should arrange to have advisement early to be sure their schedules will be approved before their registration.

REQUIRED PHYSICAL EXAMINATIONS

Each new student desiring to enroll at Southern Illinois University is required to have a physical examination completed prior to his initial registration for classes. A special medical form is provided which is to be completed by the student and his personal physician and returned to the University Health Service.

REGISTRATION

Students may register at Edwardsville for classes at any location (see Edwardsville Registration Calendar, p. iv). Students wishing classes at the Alton or East St. Louis Centers, or at a Center and at Edwardsville, may register at that Center during the periods listed on the applicable Registration Calendar. All General Studies students are required to have approval of their schedule by the General Studies Advisement Office.

Each classified graduate student must have his schedule approved by his adviser and the Dean of the Graduate School before registering for classes at the Enrollment Center. Unclassified graduate students need only the approval of the Dean of the Graduate School. Special cards for this purpose are available at the Graduate Office, 3420 Peck Classroom Building.

During the registration process the student goes to the enrollment office where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

NEW STUDENTS

Students entering the University for the first time are permitted to register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admissions.

Dates for new undergraduate students, freshmen and transfer, will be selective ones in which the students are asked to come to the campus on specific registration dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted. Appointments for registration will be mailed from the Registrar's Office.

New graduate students after advisement may register during the registration period as shown on the Registration Calendars on page iv. Arrangements should be cleared

with the Graduate School to assure that the appropriate adviser will be available before coming to the campus.

RE-ENTERING STUDENTS

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to register during the periods outlined in the Registration Calendar. Readmission procedures must be completed prior to registration.

CURRENT STUDENTS, EDWARDSVILLE CAMPUS

For admittance to registration, students previously enrolled must present their Southern Illinois University ID cards. No one will be permitted to register without an ID card. Each student currently registered in the University will be continued in his present course of study unless a change of concentration is made. A change of concentration is initiated with the chief academic adviser. The change should be made at the time of advisement; the registrar's copy of the change form should accompany the student's registration. A change of concentration made after a registration has been processed will not be reflected in the student's record until the next registration.

Upperclass students who have declared a concentration and who are currently registered in the University may be self-advised for registration purposes. This does not apply to Business Division or Education Division students. Academic advisement is available and is very desirable. The student should prepare his desired program of classes at each registration period and process through the sectioning area of the enrollment office in accordance with the time of his appointment in order to best achieve the desired schedule of classes and time periods.

CURRENT STUDENTS, CARBONDALE CAMPUS

A student currently enrolled in and attending classes on the Carbondale Campus who desires to register on the Edwardsville Campus will initiate his registration at the sectioning area of the enrollment center in Edwardsville in accordance with the registration calendar except that he may register on the first day of the quarter. Each student will complete the intra-university transfer data form to secure information necessary for the Edwardsville data processing center preparation of registration materials. The student who registers on the first day of the quarter should present his most recent grade report to confirm scholastic eligibility to register.

For the purpose of advisement, the student may wish to have a copy of his transcript sent to the Edwardsville Campus prior to registration.

PAYMENT OF FEES

All fees are payable at the time of registration. Upon payment of fees, the fee statement and receipt card will

be stamped by the Business Office and returned to the student as a fee receipt. The card should be carried at all times. It serves as official authorization to attend classes as scheduled and must be presented to obtain books and activity cards and to process program changes.

Students unable to pay fees at the time of registration may secure short-term loans from the Student Work and Financial Assistance Office. This must be done before registering.

F E E S F O R A R E G U L A R
Q U A R T E R

The fee schedule is as follows:

	<i>Not more than 5 hrs.</i>	<i>More than 5, less than 11</i>	<i>11 or more</i>
Tuition Fee—Illinois			
Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of			
State	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation Building			
Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fee	3.00	6.50	10.00
Total—Illinois Resident	\$33.50	\$62.50	\$90.50
Total—Out of State			
Resident	(49.50)	(149.50)	(220.50)

Graduate students do not rent their textbooks and do not pay the book rental fee. They purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status. Prior to registration this student will go to the Student Work and Financial Assistance Office to secure certification.

L A T E R E G I S T R A T I O N F E E

The first day of a quarter is considered the last day of the regular registration period. Registrations thereafter, including those for classes “to be arranged” are considered late registrations and are assessed an appropriate late registration fee. This fee is \$2.00 the first day and an additional \$1.00 per day to a maximum of \$5.00.

A C A D E M I C L O A D

The normal class load is 16 quarter hours for undergraduate students and 12 quarter hours for graduate students. The maximum load for both is 18 hours. A student with a 4.25 average or above for the preceding quarter may be allowed by written permission of the chief academic adviser or by the dean of his division to take as many as 21 hours. In no case may a student carry or be credited with more than 21 hours in any quarter. A student on probation may not take more than 14 hours.

A person should not register for more than 8 hours if he is employed full time.

The Selective Service System requires a minimum of 12 hours for an undergraduate and 8 hours for a graduate to qualify for a student deferment. There is a further requirement that he complete 48 hours each year.

The National Defense Education Act requires a minimum of 12 hours to qualify for a student loan.

For students receiving benefits under the "GI Bill" (P.L. 358) the following regulations apply:

	<i>Undergraduate</i>	<i>Graduate</i>
Full benefits	14 or more hrs.	12 or more hrs.
$\frac{3}{4}$ benefits	10-13 hrs.	9-11 hrs.
$\frac{1}{2}$ benefits	7-9 hrs.	6-8 hrs.

PREREQUISITES

Students are responsible for checking course prerequisites in the undergraduate and graduate catalogs and in this class schedule. Those who do not have specific prerequisites for a course may register for it only if they have had a comparable course or have written consent of the instructor.

AUDITING OF COURSES

A student may register for courses in an "audit" status. He receives no letter grade and no credit for such courses. An auditor's registration card must be marked accordingly. He pays the same fees as though he were registering for credit. He is expected to attend regularly and is to determine from the instructor the amount of work expected of him. If an auditing student does not attend regularly, the instructor may determine that the student should not have the audited course placed on his record card maintained in the Registrar's Office. A student registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter.

REGISTERING FOR AND DROPPING COURSES

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program adjustment be approved permitting registration in that class. A student is officially registered only for those courses and sections appearing on his registration cards. Changes can be made only after fees are paid and must be made through an official program change.

A student desiring to make a program change must secure approval of his adviser. He will then go to the Enrollment Center. (A student at East St. Louis or Alton may initiate his request to drop a course by going to the General Office.) He is required to present his fee receipt program card and must complete the following procedure.

(1) After having been cleared with the Enrollment Center, program changes for which a program change fee is assessed must be presented to the Business Office for payment. (2) The student immediately returns the program change to the Enrollment Center in the Registrar's Office for final processing. (3) A student has not completed his program change until he presents it to the Enrollment Center. **NO CHANGE IS OFFICIAL UNTIL THE PRECEDING PROCEDURE IS COMPLETED.**

A student who finds it necessary to make an adjustment to his program by adding or dropping a course may do so during normal office hours at the Edwardsville Enrollment Office. (No changes will be made on the first day of the quarter.) A program adjustment must be made to drop or add a course. A student may not drop a course merely by stopping attendance. Failure to officially drop a course may result in academic penalty.

CHANGING FEE STATUS

Students making program changes which result in their changing from one fee status to a higher fee status will be assessed additional tuition and fees. Students changing from a higher fee status to a lower fee status may apply for a refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendars on page iv.

WITHDRAWAL FROM SCHOOL

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who registers and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

CANCELLATION OF REGISTRATION

A registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same

situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Director of Student Affairs.

PERSONAL DATA CHANGES

Changes in personal data should be reported promptly. Types of change and method of reporting are:

1. ADDRESS CHANGES. Should be reported immediately either at the time of registration or at the Registrar's Office.
2. NAME CHANGES. Should be made at the Registrar's Office. Verification is required.
3. MARITAL STATUS CHANGES. Should be made at the Registrar's Office.
4. LEGAL RESIDENCE CHANGES (whether an Illinois or out-of-state resident.) Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

HOSPITALIZATION

Blue Cross and Blue Shield In-hospital Insurance is offered to all students. Cost of the insurance is \$9.00 per quarter for single and \$28.20 per quarter for family plan. This insurance is available at the time of registration.

Schedule of Classes

2

Except for the Guaranteed Center Schedules, the University reserves the right to cancel, combine, divide, or limit enrollment in any class or classes; to change the date, time, or place of meeting; to make any other revisions in these course offerings which may become desirable or necessary; and to do so without notice and without incurring obligation.

EXPLANATION OF THE SCHEDULE

Bold-Face Line: The course's identification number is followed by the number of quarter hours of credit and the descriptive title. Following the title, a dotted line separates the title from the prerequisite, if any, which appears at the right-hand end of the line and may continue to the second line.

Light-Face Lines: The first column lists the section numbers. Those sections offered at Edwardsville always begin with 0; those sections offered at Alton always begin with 2; those sections offered at East St. Louis always begin with 4. Following each section number is the time the class begins, between 8:00 A.M. and 4:20 P.M. for daytime classes. An ending time is listed only if the class period is longer than 50 minutes. The section number of each evening class has the letter E prefixed. A ★ indicates a section which is part of the Guaranteed Center Schedule and is not subject to cancellation. The days when the class meets, the place where it meets, and the instructor's last name complete the entry.

The course numbering system is as follows:

000-099 Courses not properly falling in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Students registering for courses listed as "Arranged" should consult the instructor indicated, or the head of the division if no instructor is listed, to determine time and place of meeting.

The following list of building abbreviations will help in the location of classrooms.

ANA —Annex A—Alton

CB	—Communications Bldg.—Edwardsville
ESL	—East St. Louis Center
Gym	—Gymnasium—Alton
HUM	—Humanities Building—Alton

E001	6:30-10:20	Tu	PB 1414 DeBord

MATHEMATICS (MATH)

150a-4	Elementary Calculus and Analytic Geometry		GSD 114c
E002	6:30-8:20	M W	SL 1224
150b-4	Elementary Calculus and Analytic Geometry		150a
E004	6:30-8:20	M W	SL 1225
305b-4	Applied Mathematics for the Physical Sciences		305a
E001	6:30-8:20	Tu Th	SL 3225
410b-4	Statistical Analysis		410a or GSD 114d
E001	4:30-6:20	Tu Th	SL 2231
420a-3	Fundamental Concepts of Algebra		321
E001	6:30-7:45	M W	SL 2224
421a-3	Linear Algebra		321
E001	5:00-6:15	Tu Th	SL 1224
446b-3	Structure of Mathematics		Exp. in teach. or cons. of instr.
E001	6:30-7:45	Tu Th	SL 1210 Holden
455b-3	Advanced Mathematics for the Physical Sciences		305a or cons. of instr.
E001	7:00-8:15	Tu Th	SL 1225 Garder
458b-3	Finite Mathematics		Exp. in teach. or cons. of instr.
E001	6:30-7:45	Tu Th	SL 1224 Sturley
472b-3	Computer Science		225, 305a, 321
E001	8:30-9:45	Tu Th	CB 0186 Rutledge
483a-3	Introduction to Mathematical Statistics		252b
E001	6:30-7:45	Tu Th	SL 0226 Clemans
501b-3	Real Variables		501a
E001	8:30-9:45	M W	SL 1224 Bennewitz
520b-3	Modern Algebra		520a
E001	4:30-5:45	M W	SL 1224 Lindstrum

Course No.—Hours	Descriptive Title	Time	Days	Place	Prerequisite Instructor
530-3	Point Set Topology				433 or 501b
E001		4:30-5:45	Tu Th	SL 1225	Poynor
550-1 to 10	Seminar				Cons. of instr.
001		Arranged			
551b-3	Functional Analysis				551a
E001		6:30-7:45	M W	SL 1210	Kessler
595-1 to 10	Special Project				
001		Arranged			
599-1 to 9	Thesis				
001		Arranged			

MUSIC (MUS)

002e-1	Community Choral Society				
E001		7:30-9:20	Tu	PB 1402	Van Camp
003-1	University Symphony Orchestra				By permit only
E001		8:00-10:00	Tu	CB 1029	Kendall
465-3	Development and Teaching of Strings				By permit only
E001		5:30-8:20	Tu	CB 0158	Kendall
481-2 to 6	Readings in Music Theory				By permit only
001		Arranged			
482-2 to 6	Readings in Music History and Literature				By permit only
001		Arranged			
483-2 to 6	Readings in Music Education				By permit only
001		Arranged			
502a-3	History and Analysis of Musical Style				By permit only
E001		5:30-8:20	M	PB 3404	Warren
519a-3	Vocal Pedagogy				By permit only
E001		4:30	M W F	CB 0158	Moore
550a-4	Organization and Administration of the Music Education Program				By permit only
E001		5:30-8:20	Th	PB 3404	Tarwater, Tulloss
599-3 to 9	Thesis				By permit only
001		Arranged			

PERSONNEL AND INDUSTRIAL RELATIONS (PERS)

450-4	Personnel Administration				GBA 340
E002		8:30-10:20	M W	PB 2412	
451-4	Labor Relations Law and Collective Bargaining				GBA 340
E001		6:30-8:20	Tu Th	PB 2411	
452-4	Advanced Problems in Personnel Administration				450
E001		6:30-8:20	Tu Th	PB 2406	

PHILOSOPHY (PHIL)

302-4	World Religions				Soph. stand.
E001		6:30-8:20	Tu Th	PB 0302	Linden
385d-4	History of Western Philosophy: 19th Century				Soph. stand.
E001		4:30-6:20	M W	PB 0309	Marti
495-2 to 12	Independent Readings				By permit only
001		Arranged			

PHYSICAL EDUCATION (PE)

350-4	Methods and Materials for Teaching Physical Education Activities in the Elementary School				
E201		5:30-8:20	Tu	ANA 110	Moehn
502-4	Foundations of Motor Skills				
E001		6:30-9:50	Th	PB 2414	Showers
503-4	Seminar in Physical Education				
E001		5:30-8:50	M	PB 3422	Herrold
525-4	Readings in Physical Education				
001		Arranged			Herrold

PHYSICS (PHYS)

530a-3	Electromagnetic Theory				
E001		6:30-7:45	M W	SL 2231	Hakeem

PRODUCTION (PROD)

461-4	Methods Design and Work Measurement				460
E001		8:30-10:20	M W	PB 2413	Ingwersen

Course No.—Hours	Descriptive Title	Time	Days	Place	Prerequisite Instructor
Edw. Alton E. St. Louis					

PSYCHOLOGY (PSYC)

301-4	Child Psychology				GSB 201c
E003	6:30-8:20	M W	PB 0314	Kuenzli	
305-4	Introduction to Personality Dynamics				GSB 201c
E002	6:30-8:20	Tu Th	PB 1306	Skinner	
311-4	Experimental Psychology: Learning				211a,b
E002	5:30-7:20	Tu Th	SL 2212		
409-4	History and Systems				311
E001	5:30-8:20	M F	PB 2412	McMahon	
	Meets first four Fridays only.				
440-4	Theories of Personality				305
E001	5:30-8:20	W F	PB 2403	Behring	
	Meets first four Fridays only.				
465-4	Group Dynamics and Individual Behavior				307
E001	5:30-8:20	W F	PB 2406	Russo	
	Meets first four Fridays only.				
473-4	Personnel Psychology				320
E001	5:30-8:20	M F	PB 0307	Daugherty	
	Meets first four Fridays only.				
490-1 to 4	Independent Projects				Cons. of chmn.
001	Arranged				
501b-4	Proseminar in General Psychology				501a
E001	5:30-7:20	Tu Th	PB 2415	McCall	
521-4	Research Design and Inference II				520
E001	7:30-9:20	Tu Th	PB 2415	Brinkmann	
530-4	Personality Theory and Dynamics				440, cons. of instr.
E001	5:30-8:20	W	PB 3422	Clodfelder	
541b-4	Psychodiagnostics I				211b, 421
E001	5:30-8:20	M	PB 2406	Harris	
590-1 to 4	Readings in Psychology				Cons. of chmn.
001	Arranged				
591-1 to 4	Research in Psychology				Cons. of chmn.
001	Arranged				
593-2 to 4	Practicum in Psychology				Cons. of instr. and fac. chmn.
001	Arranged			Engbretson	
599-2 to 4	Thesis				Cons. of chmn.
001	Arranged				

QUANTITATIVE METHODS (QM)

210-4	Probability in Decision-Making				GSD 114d
E002	6:30-8:20	Tu Th	PB 0306	Wheelhouse	
211-4	Statistical Analysis for Business Decisions				210
E003	6:30-8:20	M W	PB 3316		
310-4	Operations Research for Managers				211

Course : 3 Descriptions :

This section contains descriptions for courses offered in the previous section of this bulletin. Courses are listed numerically within each subject-matter area and in the same order in which they appear in the previous section.

Man's Physical Environment and Biological Inheritance (GSA)

110-8 (4,4) The Earth and Its Environment. A study of the earth, its major domains and its space environment; student investigation of earth substances, processes and utilization of energy. An investigative approach for study of the observational and measurement techniques of the earth scientist. Lecture, laboratory, and individual study. Must be taken in a,b sequence. Prerequisite: one year of high school chemistry.

201-8 (4,4) Man's Biological Inheritance. Basic biological concepts are explored at levels of integration ranging from the molecular to the ecosystem. Topics include structure and function of cells and organisms, genetics, continuity of life, problems of populations, environmental control, evolutionary development, interrelationships between plants and animals. Must be taken in a,b sequence. Prerequisite: high school or college chemistry.

312-3 Conservation of Natural Resources. A study of man's use and misuse of natural environment.

331-3 Climate. Description and interpretation of climatic regions and their influence on human activity. May take only 330 or 331 for General Studies credit.

363-6 (3,3) Philosophy of Science. (a) The logic of scientific explanation illustrated by analysis of physical concepts and theories. (b) The logic of explanation in the biological and behavioral sciences and their implications for the individual and society. Should be taken in a,b sequence.

Man's Social Inheritance and Social Responsibilities (GSB)

101-8 (4,4) Survey of Western Tradition. (b) Political, economic, and cultural history of Europe from the Early Middle Ages to the end of the Napoleonic Age. (c) History of Europe from Congress of Vienna to the present.

103-8 (4,4) Sociology-Economics. An introduction to the great economists and sociologists and especially to those writers who are regarded as both. (a) An historical development of sociological ideas and introduction to such concepts as social structure, role behavior, and social institutions. (b) A historical development of economic ideas and an introduction to economic concepts, institutions, and problems. Should be taken in a,b sequence.

201-8 (4,4) The Individual and His Cultural Environment. A study of human behavior in the light of cultural and psychological processes. (a) Anthropology: An examination of the biological and cultural origins of mankind; cultural diversity and human behavior; characteristic features of tribal societies, including economy, social organization, language, art, religion, and political organization; place of non-industrialized societies in the modern world. (c) Psychology: Surveys modern psychological approaches to individual behavior; includes basic developmental processes such as learning and motivation plus a study of personality and related adjustment problems. Prerequisite: 101 or 103.

203-8 (4,4) American Politics in the World Environment. (a) The theory, organization, and operation of American government. (b) Analysis and interpretation of human geographic patterns; world population, settlement, economic activities. Meets State Constitution requirements.

300-9 (3,3,3) History of the United States. A general survey of the political, social, and economic development of the United States. (a) 1492 to 1815, (b) 1815 to 1900, (c) 1900 to the present.

311-3 Economic Development of the United States. Emphasizes the underlying trends and forces of change that have led to our present

economic structure, level of performance, and world position. Prerequisite: 101c or 103b.

312-3 Comparative Economic Systems. A comparative study of the goals, structure, and operation of the major economic systems, such as capitalism, socialism, and fascism. Emphasis upon basic systems of organization and control, and upon mixed economies.

331-3 The American Educational Systems. A critical and problematic study of education as a major social enterprise of a free society in its context of international involvements. The formative influences upon the American educational systems, its basic characteristics, difficulties and prospects are explored through the disciplines comprising the intellectual-cultural foundations of education. Designed for all students irrespective of major discipline or professional pursuit.

Man's Insights and Appreciations (GSC)

151-3 Introduction to Poetry. Introduction to the enjoyment of poetry. Practice in techniques of critical reading and writing. Prerequisite: GSD 101a,b.

252-4 Logic. Study and practice in the analysis of verbal traps, relations between statements, deductive arguments, and inductive inferences.

253-4 Literary Masterpieces of Antiquity. Reading and discussion of selected literary texts from Classical and Hebraic Antiquity.

254-4 Philosophical Masterpieces. Reading and discussion of selected philosophic masterpieces of Western civilization.

335-3 Studies in Short Fiction. The development of the short story as an artistic expression, its techniques, and its versatility, from the early 19th century to the present.

363-6 (3,3) Philosophy of Science. (a) The logic of scientific explanation illustrated by analysis of physical concepts and theories. (b) The logic of explanation in the biological and behavioral sciences and their implications for the individual and society. Should be taken in a,b sequence.

Organization and Communication of Ideas (GSD)

101-6 (3,3) English Composition. Basic rhetorical principles in expository writing. Must be taken in a,b sequence.

103-3 Oral Communication of Ideas. The basic principles and techniques of oral communication as applied to everyday speech activities.

112-9 (4,5) Introduction to Mathematics. A study of logical rules of deduction: the real number system, and mathematical structures. Prerequisite: one year of high school algebra and satisfactory score on A.C.T. An alternative course for 114-9. Must be taken in a,b sequence.

114-9 (5,4) College Algebra, and Trigonometry. A logical study of the algebraic properties of number systems, polynomials, equations, functions, matrices, exponential and logarithmic functions, trigonometric functions. (a) principally algebra. (c) principally trigonometry. Prerequisite: high school intermediate algebra and plane geometry. An alternative course for 112-9. Must be taken in a,c sequence.

114d-4 Statistics. Descriptive statistics, probability distributions, sampling, statistical inference, regression and correlation. An alternative course for the second quarter of 114. Prerequisite: 114a.

126-9 (3,3,3) Elementary German. Open to students who have had no previous work in German. Must be taken in a,b,c sequence.

136-9 (3,3,3) Elementary Russian. No previous knowledge of Russian required. Must be taken in a,b,c sequence.

140-9 (3,3,3) Elementary Spanish. Open to students who have had no previous work in Spanish. Must be taken in a,b,c sequence.

Health and Physical Development (GSE)

201-3 Healthful Living. Personal and community health. Presents scientific health information as a basis for developing wholesome health attitudes and practices.

Accounting

230-4 Accounting Principles. Study of the basic accounting principles, concepts, conventions, and standards; their application to the analysis and recording of business transactions; and the reporting of the accumulated results. Measurement of income, and matching of expense with revenues through the use of the accrual basis in the accounting system. Prerequisite: sophomore standing.

231-4 Financial Accounting Analysis. Introduction to valuation concepts of assets, liabilities, and ownership equities; control of cash, valuation of receivables, inventory valuations and price level changes, fixed asset

valuation of receivables, inventory valuations and price level changes, fixed asset valuation and depreciation policy, equity accounting and concepts, bonds, partnerships, and corporations; basics in financial statement analysis—use of ratios and their interrelationship with other factors; funds and cash flow concepts. Prerequisite: 230.

330-4 Managerial Cost and Budgeting. Control concepts, essentials of job order and process costing; budgets and budgeting for planning and control, standards and flexible budgets and use of "exception" principle through variance analysis; control of fixed costs, relevant cost analysis for managerial decision making, capital planning. Prerequisite: 231.

341-4 Cost Accounting Principles. Comprehensive study of job order and process cost systems, related joint and by-product costing, and estimated cost procedures. Prerequisite: 231.

351a-4 Accounting Theory and Problems I. Comprehensive study of the asset accounts, their valuation, presentation, and preservation. Prerequisite: 231.

453-4 Advanced Accounting Problems. Comprehensive study of problems in consolidation of financial statements, partnerships dissolution and liquidation, consignment, installment sales, and other advanced accounting topics. Prerequisite: 351b.

456-4 Auditing. Study of the concepts, principles, and practices of auditing, including ethics, professional standards, internal control, preparation of audit working papers, audit reports, and related services. Prerequisites: 351b, 442.

533-4 Managerial Accounting. Consideration of programs and techniques of internal control and reporting for management, cost concepts and applications, variable costing, cost-volume-profit relationships, budgeting concepts, and complex problems for managerial decision. Prerequisite: 530.

Art

050-3 Avocational Painting. An exploration of painting and drawing media for the interested non-major. Emphasis upon individual development of understanding and appreciation of painting media through direct experience in the practice of painting. May be repeated. Three hours credit applicable to degree except in art and design and teacher education.

051-3 Avocational Ceramics. An exploration of the ceramics arts for the interested non-major. Emphasis upon individual development of understanding and appreciation of pottery media through direct experience in the practice of the craft. May be repeated. Three hours credit applicable to degree except in art and design and teacher education.

408-4 Art Education for Elementary Teachers II. For the teacher of exceptional children (Special Education). Studio techniques and special motivational procedures.

Biology

423-4 Principles of Parasitism. Principles dealing with parasitic relationships. Includes study of types of association, morphologic and physiologic adaptations of parasites, defensive mechanisms, immunity, and specificity. Selected examples from the plants and animals are used to illustrate the general principles and life histories. Two lectures and two laboratories per week. Prerequisite: 302a,b,c.

524-3 Biogeography. Concepts and principles relating to patterns of plant and animal distribution on a continental and world-wide basis. Prerequisite: 303c.

Business Administration

544-4 The Methodology of Business Research. Basic concepts and techniques appropriate to research for business; research as a basis for creative decision-making in diverse business situations. Formulation of hypotheses; development of appropriate models and methodology for testing of hypotheses; presentation of research results; evaluation of the research results of others. Students are assigned in designing individual and group research projects having relevance for later seminars. Prerequisites: Quantitative Methods 510, 511; Management Operating Systems 580.

548-4 Seminar in Managerial Performance. Deals in depth with a limited range of current problems and developments in management development, compensation, management by objectives, task-team leadership, and sensitivity training. Emphasis on the planning and leadership roles of management. Selection of topics is guided by the interests of the students and instructor. Prerequisite: 543.

Business Communications

390-4 Business Communications. Designed to improve understanding of the vital role of effective communication in business and to develop skill in business writing with emphasis on the preparation of reports. Provides an opportunity to learn effective use of a business library; to collect and interpret data; to present information in a logically organized and acceptable form.

Business Education

324a-4 Advanced Shorthand and Transcription. The development of high-level dictation and transcription skill and knowledge. Prerequisites: 221c or three semesters of other formal instruction in shorthand-transcription and the ability to transcribe on the typewriter new-matter dictation taken at a sustained rate of 80 words per minute.

351-4 Foundations of Business Education. The role of the business teacher in the secondary and post-secondary school. An analysis of business education objectives and curriculum. A survey of trends and external influences as they affect business education.

404-3 Teaching Shorthand and Transcription. Instructional procedures, skill-building principles and techniques, selection and preparation of instructional materials, standards of achievement, and evaluation of pupil performance. Prerequisite: 324a.

414-6 (3,3) Organization and Administration of Cooperative Vocational Business Education Programs. Philosophy and objectives of cooperative vocational programs, methods of selecting students and work stations, placing and supervising students on part-time jobs, preparation of instructional materials, job analyses, conducting related information courses, evaluating workers and work stations, advisory committees, and public relations aspects of cooperative programs.

Chemistry

111-15 (5,5,5) Chemical Principles and Inorganic Chemistry. (a) Nature of matter, gas laws, periodic classification, laws of combination, chemical calculations. Students with an excellent record in high school chemistry may be able to start with (b). Three lecture, one quiz, and three laboratory hours per week. Prerequisites: high school algebra and geometry or equivalent; (b) solutions, kinetics, equilibrium, electrochemistry, and chemistry of the elements. Three lecture, one quiz, and three laboratory hours per week. Prerequisite: 111a or strong background in high school chemistry; (c) continuation of chemistry of the elements, ionic equilibria, and qualitative analysis. Three lecture and six laboratory hours per week. Prerequisite: 111b.

432-8 (4,4) Instrumental Analytical Measurements. Theory and practice of instrumental analytical measurements, including spectrophotometric, electroanalytical, and chromatographic methods. Two lecture and six laboratory hours per week. Prerequisite: 461b. May be taken concurrently.

446-4 Qualitative Organic Analysis. A systematic study of the separation and identification of organic compounds by a procedure based on solubility and classification reagents. Two lecture and six laboratory hours per week. Prerequisite: 305b or 341c.

451-6 (3,3) Biochemistry. (a) Carbohydrates, fats and related substances, proteins and amino acids, enzymes, digestion, absorption, and detoxication. (b) The blood and lymph; acid-base regulation; metabolism of carbohydrates, lipids, and proteins; urine; calorimetry and energy metabolism; nutrition, vitamins, and hormones. Three lecture and three laboratory hours per week. Must be taken in a,b sequence. Prerequisite: 235 and 305b or 341c.

511-3 Advanced Inorganic Chemistry. Lecture. A theoretical and empirical treatment of chemical bonding and molecular structure.

Counselor Education

305-4 Educational Psychology. Study of the learner and the learning process. Includes study of behavior, discipline, development, the school environment, application of learning theories, and methods of assessment. Prerequisite: GSB 201c.

420-4 Educational Statistics. The statistics needed by teachers for classroom use, the reading of educational literature, and informal educational research. Includes methods of organizing and presenting data, describing group performance, describing individual performance, model distributions, measure of relationship, measures of reliability, and tests of significance. Prerequisite: 305.

422-4 Educational Measurements I. Study of the philosophy and tech-

niques of measurements. Special attention to the construction and use of teacher-made tests. Prerequisite: 305.

510-4 College Student Personnel Services. An overview of the student personnel program in higher education for the beginning graduate student. Various types of organizational structures in higher education. Description and discussion of the functions of college student personnel programs, with emphasis on the organizational relationships of the various functions. Prerequisite: admission to program.

511-4 Educational Implications of Learning Theories. Survey of the major theories of learning. Emphasizes the implications of these theories for classroom practice. Prerequisite: advanced standing.

515-4 Psychological Aspects of Education. Designed to survey the applications of psychology to educational settings. Prerequisite: advanced standing.

522-4 Educational Measurements II. Study of standardized tests and other measuring devices to reveal individual and group characteristics. Emphasizes application and interpretation for counseling, education, and research purposes. Prerequisites: 420, 422.

525-4 School Behavior Problems and Their Prevention. A survey of the approaches to the study of personality-development and socialization of the school child. Methods used in the correction of behavior problems are considered. Prerequisite: consent of instructor.

528-4 Advanced Guidance of the Individual. A continuation of 526. Techniques and the methods of treatment which would apply to a particular case. Problems for consideration: educational difficulties, physical disorders, and the ways in which these are related to behavior of school children. Prerequisite: 526.

537-4 Counseling Theory and Practice I. Systematic study of the major approaches to counseling. Observation and practice utilized to supplement didactic discussion. Prerequisites: 412, 542.

538-4 Counseling Theory and Practice II. Systematic study of major theories of counseling as they apply to school situations. Supervised experience in role-playing or laboratory experience utilizing these approaches to counseling. Prerequisite: 537.

541-4 Occupational Information and Guidance. Designed for school counselors, industrial supervisors, and teachers to give an orientation to and experience with occupational information and vocational adjustment.

542-4 Basic Principles of Guidance. Introductory course on student personnel services. Survey of philosophy, principles, and organization of guidance services. Prerequisite: 305.

543-4 Guidance Through Groups. Study of the methods, techniques and materials for the organization and utilization of groups for guidance purposes.

545-4 Seminar. (f) Pupil Adjustment. Analysis of various concepts of adjustment and their behavior implications. (j) Organization and Administration. Analysis of principles, procedures, and plans necessary for initiating, developing, and appraising a school guidance program.

562-8 (4,4) Human Development in Education. Theories and research evidence regarding child development and behavior are investigated. These considerations focus upon implications for research and educational practices. (a) Childhood. Prerequisite: advanced standing. (b) Adolescence. May be taken in a,b sequence.

575c-1 to 12 Practicum in Secondary Guidance. Supervised experience in guidance functions. Includes counseling with secondary school pupils, conducting parent interviews, consulting with teachers, and the collection and dissemination of information.

Economics

200-4 Macroeconomics. An introduction to national economic systems with attention to the meaning and measurement of national income, and the causes of fluctuations therein. National economic objectives and policies, including the distribution of income, the level of employment factors affecting stability and growth, the role of taxation. Prerequisite: sophomore standing.

201-4 Microeconomics. Principles and characteristics of the market economy. Theory of the business firm, supply, demand, and prices. Analysis of earnings of productive resources, including wages, rent, interest, and profit. Introduction to market structure and public policy. Prerequisite: sophomore standing.

300-4 The Monetary System and Economic Policy. Study of relationships between money, credit, prices, and economic activity. How the banking system creates money; the Federal Reserve System. Introduction to public finance and fiscal policy; the role of public finance in full employment policy. Introduction to international financial relationships. Prerequisite: 200.

- 429-4 International Economics.** Intensive treatment of the principles of international economics with special emphasis on the classical and modern theories of international trade. Income effects and balance of payment theory. Prerequisites: 200, 201.
- 440-4 Intermediate Micro Theory.** An intensive treatment of price and income theory with emphasis on degrees of price and other competition. Prerequisite: 201.
- 450-6 (3,3) History of Economic Thought.** The development of economic thought; (a) ancients to 1850; (b) 1850 to present. Must be taken in a,b sequence. Prerequisites: 200, 201.
- 465-4 Mathematical Economics I.** A systematic survey of mathematical economic theory. Conditions of static equilibrium (including stability conditions), dynamic models using difference equations, and linear production models of input-output analysis and activity analysis (linear programming). Prerequisite: 440, consent of instructor.
- 541-4 National Income Theory.** Keynesian and post-Keynesian developments in national income theory. Empirical research concerned with characteristics and magnitudes of important national income concepts, such as the consumption function, is examined. Recent American policies and problems bearing on national income fluctuations are considered. Prerequisite: 441 or consent of instructor.

Educational Administration

- 355-4 Philosophy of Education.** The philosophical principles of education and the educational theories and agencies involved in the work of the schools. Prerequisite: Counselor Education 305.
- 420-4 Legal Basis of American Education.** Particular emphasis is placed on common law principles.
- 431-4 History of Education in the United States.** An historical study of the problems of American education which have relevance to contemporary education.
- 434-4 Administrator's Workshop.** A special program for the consideration of administrative problems pertinent to superintendents, high school principals, and elementary school principals.
- 456-4 School Supervision.** The function of the principal or supervisor in the improvement of instruction. Some activities, methods, and devices for improving the effectiveness of teaching.
- 480-4 Backgrounds of Urban Education.** (See also Elementary Education 480 and Secondary Education 480.) Social, economic, and demographic factors as they impinge upon programs in urban schools. Prerequisite: consent of instructor.
- 500-4 Research Methods.** Introduction to educational research with practical training in research writing techniques and evaluation in education.
- 501-4 Seminar in Educational Administration.** The interdisciplinary approach to the study of the theory of educational administration. Open to students in approved sixth year and doctoral programs only.
- 502-4 Seminar in Comparative Education.** Educational ideas and practices of various countries of the world, both Eastern and Western, and their impact upon our culture and education.
- 503-4 Seminar in Philosophy of Education.** An interpretation of modern educational problems and trends in the light of basic philosophical viewpoints. Excerpts from leading writings will be used. Prerequisite: 554 or equivalent.
- 524-4 School Administration.** Designed primarily for those who look forward to positions as supervisors, principals, or superintendents.
- 533-4 School Buildings.** Various phases of physical plant design and maintenance of concern to the school administrator.
- 534a-4 School Finance.** A study of the principles and issues of public school finance. Revenues, expenditures, indebtedness, and fiscal controls are dealt with.
- 551-4 Community Junior College Curriculum.** Expanding curricula of the community junior college. College parallel, occupational technical, general developmental, and adult and community service programs critically analyzed. Investigation of techniques of curriculum development that implement desirable program changes. Prerequisite: 565 or consent of instructor.
- 554-4 Contrasting Philosophies of Education.** Deals both historically and contemporaneously with the ideologies which have developed from different concepts of education. Prerequisite: 355 or Philosophy 355 or equivalent.
- 560-4 Curriculum.** Modern practices and procedures in curriculum development, with attention to the professional, social, economic, and other major factors, in curriculum planning.
- 565-4 The Community Junior College.** Survey of the community junior

college movement. History, philosophy, objectives, and expansion of this unique American educational phenomenon. Special attention given to these factors in the developing social scene that will significantly influence the character of community junior colleges.

575-1 to 4 Individual Research. Selection, investigation, and writing of a research assignment under the personal supervision of a graduate faculty member in one of the following areas: (a) curriculum, (b) supervision, (c) buildings, (d) finance, (e) school law, (f) comparative education, (g) history of education, (h) philosophy of education, (j) administration, (k) elementary administration. Prerequisite: 500, approval of department adviser and consent of instructor.

596-5 to 9 Independent Investigation. Field study required of each student working for the sixth-year specialist certificate.

Elementary Education

314-4 Elementary School Methods. The fundamental principles of education, the interpretation of current educational theory and practice, the processes of teaching and learning involved in elementary education. Prerequisites: Counselor Education 305, Educational Administration 355.

316-4 Kindergarten-Primary Methods and Curriculum. Philosophy and principles underlying the teaching of four-to-eight-year-olds. Emphasis upon organization, equipment, materials, and methods for promoting growth of young children. Prerequisites: Counselor Education 305, Educational Administration 355.

337-4 Reading in the Elementary Schools. The principles of reading, factors that condition reading, together with grade placement of aims and materials; diagnostic and remedial treatment. Prerequisites: Counselor Education 305, Educational Administration 355, Elementary Education 314.

413-4 Children's Literature. Emphasizes types of literature, analysis of literary qualities, and selection and presentation of literature for children. Not for students who have had English 213. Prerequisite: Counselor Education 305.

415-2 to 4 Improvement of Instruction in Arithmetic in the Elementary School. Items to be taught, the grade placement of content, newer instructional practices and materials of instruction, and means of evaluating achievement. Prerequisites: 314, GSD 112.

437-4 Problems in Reading. Practices and trends in the teaching of reading; materials of instruction in reading, particularly remedial materials; techniques and materials for prevention of reading difficulties; diagnosis and remediation of reading difficulties. Prerequisites: 337 and senior standing. Not open to students having had 505.

442-4 Science for the Elementary Teacher. Study of content and methods of elementary school science.

480-4 Backgrounds of Urban Education. (See Educational Administration 480.)

505-4 Improvement of Reading Instruction. First course in the reading sequence. Survey of reading problems, aspects of the reading process, modern practices in teaching reading.

507-2 to 4 Readings in Reading. Independent reading; acquaintanceship with the literature and research in reading. Conference periods. Prerequisite: 505.

509-4 to 8 Practicum in Reading. For advanced students; teaching demonstrations and evaluations. Each student works with a group of reading disability cases.

514-4 Organization and Administration of Reading Programs. For reading specialists, principals, supervisors, consultants. Recent trends in elementary and high school reading programs, providing reading instruction for total school population, materials and equipment, in-service training, role of the reading specialist. Problems of class members are studied and discussed. Prerequisite: 561.

521-12 (4,4,4) Diagnosis and Correction of Reading Disabilities. Causes of reading difficulties; observation and interview procedures; standardized tests, instruments, and informal inventories; analysis techniques; experiences in preparing materials for corrective purposes. Each student diagnoses and treats a reading disability case under supervision. Prerequisite: 505.

542-4 Language Arts in the Elementary School. The practical bearing of investigation and theory on the improvement of current practices in the teaching of the language arts other than reading. Attention given to evaluation of teaching materials in these areas.

543-4 Teaching the Social Studies in the Elementary School. Organization of material for teaching purposes, techniques of classroom presentation, bibliographies or materials, use of audio and visual aids to instruction, and techniques for evaluating student progress. Readings, lectures, and discussions related to required teaching experience.

557-4 The Elementary Principalship. Designed to meet many of the particular needs of persons interested in qualifying for appointments as elementary school principals. Other than the administrative responsibilities of the elementary principal, such topics as the grouping of pupils, the elementary school's program, and personnel are studied.

561-4 The Elementary School Curriculum. A critical study of the reorganization, construction, and administration of the elementary school curriculum, and the installation, adaptation, and administration of the revised curriculum.

567-12 (4,4,4) Teaching Competencies and Their Application. Individualized and flexible group study of teaching behavior in competency centers. Skills are developed, applied, and tested in simulated or field settings.

575-2 to 4 Individual Research. The selection, investigation, and writing of a research topic, under the personal supervision of a member of the departmental graduate staff, in one of the following areas: (a) curriculum, (b) supervision, (c) language arts, (d) science, (e) reading, (f) social studies, (g) problems in elementary education, (h) arithmetic, (j) problems in kindergarten-primary, (k) elementary education administration and supervision.

596-5 to 9 Independent Investigation. Field study required of each student working for the sixth year specialist certificate. The work should be done in the setting of a school system where the student is employed or where full cooperation is extended. The study involves selecting of the problem, survey of pertinent literature, recording of results, and appropriate interpretations and summarizations.

597-1 to 3 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Secondary Education

315-4 High School Methods. Study and discussion in various types of procedures used for effective classroom teaching. The problem approach and unit method are stressed. Prerequisite: Educational Administration 335.

407-4 The Junior High School. The place of the junior high school in the organizational pattern, with major emphasis upon the areas of organization, administration, and curriculum.

480-4 Backgrounds of Urban Education. (Same as Elementary Education 480.) A study of social, economic, and demographic factors as they impinge upon programs in urban schools, particularly those in the inner city. Prerequisite: consent of instructor.

505-4 Improvement of Reading Instruction. First course in the reading sequence. Survey of reading problems, aspects of the reading process, modern practices in teaching reading.

507-2 to 4 Readings in Reading. Independent reading; acquaintanceship with the literature and research in reading. Conference periods. Prerequisites: 505, consent of instructor.

508-4 Seminar: Trends in Selected Areas in Secondary Schools. For students in advanced graduate work. Individual class members will read basic bibliography related to secondary education and read widely about trends in the area of their own teaching fields. Prerequisites: completion of half or more of the work leading to a master's degree and consent of the instructor.

509-4 to 8 Practicum in Reading. For advanced students; teaching demonstrations and evaluations. Each student works with a group of reading disability cases. Prerequisites: 521a,b,c, and consent of instructor.

514-4 Organization and Administration of Reading Programs. For reading specialists, principals, supervisors, consultants. Recent trends in elementary and high school reading programs, providing reading instruction for total school population, materials and equipment, in-service training, role of the reading specialist. Problems of class members are discussed. Prerequisites: Educational Administration 561, 505.

521-12 (4,4,4) Diagnosis and Correction of Reading Disabilities. Causes of reading difficulties; observation and interview procedures; standardized tests, instruments, and informal inventories; analysis techniques; experiences in preparing materials for corrective purposes. Each student diagnoses and treats a reading disability case under supervision. Prerequisite: 505.

562-4 The High School Curriculum. Designed to permit students to work in groups on problems related to the high school curriculum. Such problems should originate in the schools where the students are or will be employed. The point of view maintained is that procedures should be very democratic. The instructor serves as a coordinator of activity; resource people are used freely. Prerequisite: one other graduate course in curriculum.

567-12 (4,4,4) Teaching Competencies and Their Application. Individualized and flexible group study of teaching behavior in competency centers. Skills are developed, applied, and tested in simulated or field settings.

575-2 to 4 Individual Research. The selection, investigation, and writing of a research topic, under the personal supervision of a member of the departmental graduate staff, in one of the following areas: (a) Curriculum, (b) Supervision, (c) Language Arts, (d) Science, (e) Reading, (f) Social Studies, (g) Problems in Secondary Education, (h) Higher Education, (j) Junior College.

596-5 to 9 Independent Investigation. A field study required of each student working for the sixth-year professional certificate. The work should be done in the setting of a school system where the student is employed or where full cooperation is extended. The study will involve selecting of the problem, survey of pertinent literature, recording of results, and appropriate interpretations and summarizations.

597-1 to 3 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Special Education

410b-4 Problems and Characteristics of the Mentally Retarded. Objectives, curriculum, methods, and materials of instruction for slow learners. Emphasis upon the principles of learning as they can be applied to this group. Observations. Prerequisite: Counselor Education 305 or Psychology 301 or 303.

414-4 The Exceptional Child. Physical, mental, emotional, and social traits of all types of exceptional children. Effects of handicaps in learning situations. Methods of differentiation and techniques for rehabilitation. Individual case studies used; observations and field trips. Prerequisite: Psychology 301 or 303 or consent of instructor.

481a-4 Seminar: Emotionally Disturbed. Focuses on classroom management, dynamics of behavior and behavior modification through a systematic learning theory approach. Prerequisite: 410a and consent of instructor.

481b-4 Seminar: Educable Mentally Handicapped. Emphasizes special problems of the retarded, issues in curriculum planning and implementation and techniques for establishing effective school-home and school-community relations as they apply to retarded children. Prerequisites: 410b and consent of instructor.

481c-4 Seminar: Gifted. Considers issues such as special courses, regular class placement of the gifted, curriculum provisions, identification and guidance of the gifted. Prerequisites: 410c and consent of instructor.

496-1 to 8 Readings in Special Education. Study of a highly specific problem area in the education of exceptional children. Open only to selected seniors and graduate students. Prerequisites: 414, consent of staff.

501-4 Special Research Problem. For concentrations and secondary concentrations in the field of special education. Choosing and conducting research activities. The student to select a topic for research and present it, upon completion, to the staff. Prerequisite: consent of staff.

513-4 Organization, Administration, and Supervision of Special Classes. Emphasis upon the functions, underlying principles, and cautions to be observed in the organization and administration of special classes. The selection and training of teachers, problems of supervision, special equipment, transportation, cooperating agencies, and legal aspects of the problem. Prerequisite: 414.

518-4 Workshop in Special Education. Designed to promote better understanding of the psychological and educational problems of atypical children. Specialists used as consultants. Open to graduate students majoring in education, guidance, or special education. Prerequisite: 414.

590-12 (4,4,4) Seminar: Mental Retardation. Critical review of administrative practices, research, theories and etiological factors relevant to programs in the education of children who are mentally retarded or gifted. Implications of research in related disciplines. Application of theories to practice. Open to advanced graduate students in special education only.

Engineering

101-9 (3,3,3) Engineering Graphics. (a) Basic principles of graphic communications. Pictorial projection, sections and conventions, dimensioning auxiliary views, freehand lettering, and sketching. (b) Graphical solution of problems involving the understanding of the space relationships of points, lines, and planes; intersections and developments. (c) Auxiliary views, threads and fasteners, dimensioning. Laboratory must be taken in a,b,c sequence.

523-3 Digital Simulation Techniques. Advanced course in computer applications. The use of digital computers to simulate complex stochastic systems. Variance reduction techniques. Prerequisite: 420 or consent of instructor.

524-6 (3,3) Linear and Non-Linear Programming. Optimization techniques for processes with linear and nonlinear constraints. The application of operations research principles, gradient methods, game theory peak-seeking methods, and dynamic programming to management and control problems. Prerequisite: bachelor's degree in mathematics, natural science, or engineering.

560-8 (4,4) Automatic Control Theory. Principles of feedback control applied to linear, lumped parameter systems analysis using Nyquist, Bode, rootlocus, phase plane; stability criteria. Use of control theory in automated industrial processes and instrumentation; engineering examples and projects. Prerequisite: bachelor's degree in mathematics, natural science, or engineering.

English

300-4 Principles of English Grammar. Required for English students. Others should take 391. Credit not allowed for both courses.

302-12 (4,4,4) Survey of English Literature. (a) to 1550, (b) 1550-1750, (c) after 1750. May be taken in any sequence.

309-8 (4,4) Survey of American Literature. (a) to 1860, (b) since 1860. May be taken in either sequence.

391-3 Usage in Spoken and Written English. Usage and structure of English. Prerequisite to student teaching, except in English concentrations, which require 300.

404-12 (4,4,4) Middle English Literature. (a) Middle English literature excluding Chaucer; (b) Chaucer: early poems and *Troilus*; (c) Chaucer: *Canterbury Tales*. May be taken separately.

405-8 (4,4) Descriptive Linguistics. (a) Phonetics and phonemics, an analysis of language structure from phone to phoneme; (b) morphology and syntax, an analysis of language structure from morph to sentence, with emphasis on immediate constituent analysis. May be taken separately. Prerequisite: consent of instructor.

458-8 (4,4) American Fiction. (a) The novel in America from its beginnings to the early 20th century, (b) trends and techniques in the American novel and short story since 1914. May be taken separately.

486-2 to 8 Workshop in High School English. Intensive study in lectures, laboratory, and conferences, on the teaching of English in high school. Curriculum, materials, methods, aims.

500-4 Materials and Methods of Research in English. The principal tools of literary scholarship and the more important studies and journals. Practice in the preparation of selective bibliographies and scholarly reports.

580-4 Traditional Themes. Persistent themes and legends in literature—King Arthur, Faust, Utopia, and the like.

Finance

320-4 Corporation Finance. A study of the principal duties of corporate financial officers and the problems of administrative financial management of business. Topics include planning, budgeting and control, external sources of capital. Prerequisites: Accounting 230, 231; Economics 200, 201.

424-4 Financial Institutions. A study of the evolution, functions, and practices of the many types of financial intermediaries especially which have come into prominence since World War II and particular attention is given to commerce and government.

520-4 Finance. Basic aspects of business finance. Sources of capital, short- and long-term financial planning and policy-making, the impact of the banking systems and of money or capital markets on business finance. Restricted to Master of Business Administration students.

Foreign Languages

German

126-3 (1,1,1) German Conversation. Conversation and oral drill taken with GSD 126 by students who wish additional oral training: elected only by students enrolled in GSD 126. May be taken separately.

Italian

201-9 (3,3,3) Intermediate Italian. Development of listening, speaking, reading and writing skills on the intermediate level, with special attention to the role of Italian culture in world civilization. Prerequisite: GSD 144, or two years of high school Italian, or equivalent.

220-6 (2,2,2) Intermediate Italian Conversation. Development of oral skill on an intermediate level. Prerequisite: Italian 201c or concurrent registration in any quarter of 201.

Russian

136-3 (1,1,1) Russian Conversation. Conversation and oral drill taken with GSD 136 by students who wish additional oral training; elected only by students enrolled in GSD 136. May be taken separately.

Spanish

140-3 (1,1,1) Spanish Conversation. Conversation and oral drill taken with GSD 140 by students who wish additional oral training; elected only by students enrolled in GSD 140. May be taken separately.

General Business Administration

140-4 Introduction to Business. An overview of the basic nature of business in an essentially market-disciplined economic system. Emphasis on the interdisciplinary nature of business and the broad administrative principles governing organized human endeavor. Introduction to business and economic terminology and to the case method of developing analytical ability.

340-4 Organizational Behavior and Decision-Making. Development of understanding of organizational behavior and decision theory and of analytical skills through case analysis and discussion. Examination of processes of group formation and development, conformity and direction, influence and decision-making, problem solving, role specialization and differentiation, status and social power distribution, satisfaction, and goal internalization and commitment. Prerequisites: 140 and GSB 201 a,b,c.

341-4 Organizational Problems. Application of the concepts, understanding, and techniques to major categories of recurring organizational problems faced by complex business units and described in case situations. Features such as position specifications, authority structures, territorial imperatives, performance measurements, and procedures involving compensation, communication, and employee selection and promotion. Designing organizational patterns to meet specific situational needs. Prerequisite: 340.

342-4 Contracts—Agency Law. Study and discussion of the terminology, definitions, and principles of contract law applicable to the contractive problems in the operation of a business, including the relevant provisions of the uniform commercial code. The application of the principles of agency law by the entrepreneur in operating his firm, and his legal liability to his agency and third parties with whom he deals.

440-4 The Legal Environment of Business. Varied facets of the external and internal legal environments within which business firms operate. Use of cases and readings which describe and analyze the legal framework supporting, facilitating, and guiding everyday business decisions. Common law, statutory law, and administrative law as they affect the business environment. Prerequisite: 140.

Geography

405-7 (4,3) Advanced Economic Geography II. Content drawn from same broad range of topics as 404. To be alternated with 404 to enable student to specialize further in economic geography. Prerequisite: 302 or consent.

490-1 to 2 (8 total) Tutorial in Geography. Individual and small group conferences with staff members to examine geographic concepts.

501-4 Geographic Techniques II. Emphasizes the conceptual framework of geography, library and bibliographic techniques, and geographic writing.

599-2 to 9 Thesis. Minimum of 5 hours to be counted toward a master's degree.

Government

330-2 Illinois Government. The development and functioning of government in Illinois.

350-12 (4,4,4) The Political Systems of Major European States. (a) A comparative study of the British and German political systems. (b) An analysis of the French and Italian political systems. (c) An examination of the organization and operation of the Soviet political system. Prerequisite: 200.

410-4 Quantitative Methods in Political Science (Same as Geography 410.) Statistical and computer research techniques for political scientists.

Health Education

313s-4 Introduction to Safety Education. Preparation for safety education in the public schools. Concerned with safety as a social problem, development of safety skills, accident causes, teacher liability, and research in the field.

History

102-4 Survey of Asian Civilization. An introduction to the history of East Asia from the earliest times to the twentieth century. Emphasis on China and Japan.

372-8 (4,4) History of Russia. (a) To 1905. (b) Since 1905. May be taken separately or in any sequence. Prerequisite: GSB 101b,c.

452-3 Historical Research and Thesis Writing. The rules of historical research studied and applied to a definite topic. For history majors only.

500-3 to 9 History Seminar. (a) American history, (b) European history, (c) Latin American history.

534-4 Eighteenth-Century England. Introductory lectures and discussion of aspects of 18th-century English political, constitutional, economic, and social history.

Humanities

302-3 or 4 Humanities Honors. Prerequisite: completion of the second-level General Studies courses and invitation of the Humanities Honors Program Committee. Accepted in lieu of third-level GSC requirement.

Instructional Materials

308-4 School Library Technical Processes. Organization of library materials for effective service. Acquisition, classification, cataloging, preparation, preservation, and circulation. Laboratory assignments.

403-4 School Library Functions and Management. Effective library services in relation to the educational objectives of elementary and secondary school programs: organization, supervision, finance, housing, equipment, standards, and evaluation.

413-4 Cataloging Non-Book Materials. The classification, cataloging, preparation and circulation of all types of non-book material such as films, filmstrips, slides, realia, etc. Prerequisite: 308.

417-4 Audio-Visual Methods in Education. Selection and utilization of instructional materials in the learning environment, elementary through adult levels. Audio and visual materials and procedures are emphasized with some attention given to bibliographies and reference books for teachers.

445-4 Preparation of Teacher-Made Audio-Visual Materials. Laboratory practice in the preparation of bulletin boards, opaque materials, models, slides, recordings, feltboards, and other graphic materials. Prerequisite: 417 or consent of instructor.

470-4 Programmed Instruction. The principles and practice of writing both linear and intrinsic types of programmed instruction with emphasis on pictorial and performance branches. Individual experience in planning and producing programs.

514-4 Survey of Research and Development in Instructional Materials. Advanced readings in research in instructional materials and the practical application of findings. Prerequisites: 405, 406, 417 or consent of instructor.

546-4 Integration of Audio-Visual Materials in the Classroom. Selection of materials on the basis of curricular needs. Techniques of evaluating each type of audio-visual material for use in the classroom. Structured for both the audio-visual administrator and the class room teacher. The principles and practices of integrating audio-visual materials into the curriculum are discussed, also the problems, annotations and classification of evaluated materials. Prerequisites: 417, consent of instructor.

Management Operating Systems

281-4 Principles of Computer Programming. A comparative study of stored program concepts, binary coding principles, study of machine language and symbolic coding; definition of problem and preparation of flow charts and block diagrams. Work involves practice problems requiring the preparation of flow charts, block diagrams, coding, preparation of source programs, and test running on computer equipment. Prerequisite: consent of instructor.

380-4 Management Operating Systems I. A study of organizational decision making within the concept of systems with emphasis on informa-

tion flows, decision centers and the application of data processing techniques. A major portion of the course is student development of an information, decision-making, and control system for a specific small-scale business enterprise. The computer is used. Prerequisite: Accounting 231.

381-4 Management Operating Systems II. A study of the complexities involved in the simultaneous integration of several sub-systems. Teams of students design company or corporate-wide management operating systems. The computer is used. Prerequisites: Accounting 341, Marketing 452, Production 460, and senior standing.

580-4 Management Systems. Design and usage of comprehensive, computer-based systems for managerial decision-making and control. A basic understanding of a computer programming language is included. Restricted to Master of Business Administration students.

583-4 Advanced Management Systems. Development of ability to think clearly about management systems. Learning to view simultaneously the overall business organization as a system, and the sub-systems of information-flow which are elements of the business system. Bridging of the gap between the ideal management system and the operational, practical, real-world business systems with its variety of sub-systems a basis for drawing conclusions, formulating alternative courses of action, and making decisions. Prerequisites: 580, Quantitative Methods 510, 511.

Marketing

370-4 Consumer Behavior. An interdisciplinary approach to the analysis and interpretation of consumer buying habits and motives and the resultant purchases of goods and services. The purchaser's psychological, economic, and sociocultural actions and reactions are stressed as they relate to a better understanding of consumption. Prerequisites: GSB 103b, GSB 201c, Economics 201, and Quantitative Methods 211.

371-4 Principles of Marketing Management. An introductory survey of the problems encountered by the marketing executive and the analytical and evaluative systems available which can be used to improve his operating efficiency. Emphasis is placed on the use of marketing management factors in the areas of markets, products, distribution, price and promotion. Prerequisite: 370.

471-4 Advertising Policy and Management. Advertising strategy, planning, and research and their relationship to other marketing tools. Emphasis on problems faced by marketing and business executives in administering the advertising effort. Prerequisite: 470.

472-4 Sales Policy and Management. An examination of the organization of the sales effort and of functions of salesmen and sales managers (including all echelons from the general marketing managers to the territory salesmen). Problem areas such as sales department organization, recruitment of salesmen and their motivation and supervision, design and administration of sales territories, appraisal of salesmen's performance. Prerequisite: 470.

473-4 Advanced Marketing Management. Development of the student's ability to identify marketing problems, investigate alternative solutions, and render decisions. Should be the final marketing course taken by the undergraduate marketing major. Prerequisite: senior standing.

573-4 Marketing Policies. Primary emphasis on managerial aspects of the marketing function including product, research, promotion, pricing, and channel strategies. Relationships to other business functions, to the legal environment, and to information technology as used by marketing managers. Some attention to quantitative methods of decision-making as applied to marketing.

Mathematics

150-8 (4,4) Elementary Calculus and Analytic Geometry. Elementary differential and integral calculus with analytic geometry and applications. Includes the definite integral and differentiation of transcendental functions. Must be taken in a,b sequence. Prerequisite: GSD 114c.

305-8 (4,4) Applied Mathematics for the Physical Sciences. (a) Ordinary differential equations, linear algebra, and applications. (b) Additional topics in applied mathematics such as finite difference methods; Laplace transforms, and Fourier series. Must be taken in a,b sequence. Prerequisites: 252b and Physics 211c.

410-16 (4,4,4,4) Statistical Analysis. For students in fields using statistical methods but not required to take calculus. Includes (a) elements of probability, estimation, and testing hypotheses; (b) the general linear model (multiple linear regression, analysis of variance, analysis of covariance) and non-parametric statistics; (c) design of experiments; (d) sample survey techniques. May not be used to satisfy requirements for a mathematics concentration. Three lectures and two laboratory

hours per week. Must be taken in either a,b,c,d or a,b,d,c sequence.

Prerequisite: GSD 114a.

420-6 (3,3) Fundamental Concepts of Algebra. Introduces abstract algebraic structures including groups, rings, fields, and vector spaces. Must be taken in a,b sequence. Prerequisite: 321.

421-6 (3,3) Linear Algebra. The theory of determinants and systems of linear equations; vector spaces, linear independence, bases, dimension; linear transformations, change of base, similarity; quadratic and Hermitian forms, orthogonal and unitary transformations; triangular and diagonal form; eigenvalues and eigenvectors; normal matrices; nilpotent and idempotent matrices, the spectral theorem. Must be taken in a,b sequence. Prerequisite: 252b.

446-2 to 10 Structure of Mathematics. Designed to assist experienced teachers in extending their understanding of mathematics. (a) Elementary School Mathematics, (b) Junior High School Mathematics. Does not count credit toward a mathematics concentration. Prerequisites: experience in teaching and consent of instructor.

455-9 (3,3,3) Advanced Mathematics for the Physical Sciences. Introduction to various topics such as complex variable theory with applications, operational calculus (Laplace and other transforms), vector field theory, and partial differential equations. May be taken separately or in any sequence. Prerequisite: 305b or consent of instructor.

458-6 (3,3) Finite Mathematics. An introduction to topics in finite mathematics such as logic, sets, probability, linear algebra, and Markov chains. Designed for students preparing for high school teaching and for advanced students in the behavioral sciences. Prerequisite: 252a or consent of instructor.

472-9 (3,3,3) Computer Science. An introduction to computing systems and the mathematics of computation. (a) Computer organization, design, and programming systems. (b) Linear system problems, linear programming and network problems. (c) Digital simulation problems, linear and other probabilistic problems. Prerequisites: 225, 305a, and 321.

483-9 (3,3,3) Introduction to Mathematical Statistics. A mathematical development of the elements of statistical theory. (a) Probability distributions, generating functions, and limit theorems. (b) Statistical inference, estimation, tests of hypotheses, general linear hypotheses. (c) Design of experiments and special topics—a mathematical model approach. Must be taken in a,b,c sequence. Prerequisite: 252b.

501-9 (3,3,3) Real Variables. A basic course in mathematical analysis. (a,b) The real number system; fundamental theorems in limits and continuity; open, closed, compact, and connected sets in Euclidean and metric spaces; the Riemann and the Riemann-Stieltjes integrals and functions of bounded variation; infinite series; uniform continuity; uniform convergence of series and improper integrals; arcs and curves; implicit function theorem; multiple integrals. (c) The general theory of measure and integration from an abstract point of view. Additive classes of sets, Borel sets, measurability, measure and outer measure; integrable functions, convergence theorems; absolute continuity and the Radon-Nikodym theorem; Fubini's theorem. Must be taken in a,b,c sequence. Prerequisite: 452c.

520-9 (3,3,3) Modern Algebra. Topics from group theory, ring theory, and field theory; including Sylow theorems, solvable groups, nilpotent groups, rings with descending and ascending chain conditions, elementary divisor theorem for R-modulus, Galois theory, and cyclotomy. Must be taken a,b,c sequence. Prerequisite: 419 or consent of instructor.

530-3 to 6 Point Set Topology. Topological spaces; denseness, category; open, closed sets, Borel sets; separation axioms; subspaces; continuity; lattice of topologies; countability axioms; connectedness, compactness, local properties; regularity to complete normality. Hilbert space, metrizable spaces; extension theorems; well-ordering; product spaces. Must be taken in a,b,c sequence. Prerequisite: 433 or 501b.

550-1 to 10 Seminar. Supervised study and preparation of reports on assigned topics. Reports presented for class discussion. (a) Algebra. (b) Geometry. (c) Analysis. (d) Probability and Statistics. (e) Mathematics Education. (f) Logic and Foundations. (g) Topology. Prerequisite: consent of instructor.

551-9 (3,3,3) Functional Analysis. The theory of linear transformations between infinitely dimensional topological vector spaces, including Banach and Hilbert spaces, with various applications. The basic notion for the study is that of a functional or continuous scalar-valued linear transformation. Must be taken in a,b,c sequence. Prerequisites: 501c and 421b.

595-1 to 10 Special Project. An individual project, including a written report. (a) in algebra; (b) in geometry; (c) in analysis; (d) in probability and statistics; (e) in mathematics education; (f) in logic and foundations; (g) in topology.

599-1 to 9 **Thesis.** Minimum of 5 hours to be counted toward the Master of Arts degree.

Music

002-7 (1,1,1,1,1,1) Choral Ensembles. (a) Collegiate Singers, (b) University Chorus, (c) Male Chorus, (d) Women's Glee Club, (e) Southern Illinois University Community Choral Society, (f) Madrigal Singers, (g) Concert Chorale. May be taken in any sequence. Any part may be repeated for twelve quarters. Prerequisite: auditions for a,f,g.

465-3 Development and Teaching of Strings. Place and function of string education in the elementary and secondary schools. Techniques of heterogeneous and homogeneous string teaching. Developing and sustaining interest in the string program. Resource aids. May be repeated for a total of 9 hours credit. Prerequisite: senior standing.

502-9 (3,3,3) History and Analysis of Musical Style. Analysis of representative works chosen from the Baroque, Classical, Romantic, and Modern eras.

519a-3 Vocal Pedagogy. (a) Emphasis on techniques and materials to be used with beginning voice students. (b) Advanced vocal pedagogy.

Personnel and Industrial Relations

450-4 Personnel Administration. The functions of the personnel department in an organization; organization for personnel administration; factors affecting the efficiency of personnel; the managerial responsibility for effective personnel administration; personnel practices including recruitment, selection, employment, orientation, evaluation, transfer, promotion, dismissal, grievances, the personnel-centered approach contrasted to the task-centered approach. Case discussion and reports on selected topics assist in developing the varied responsibilities of the personnel function. Prerequisite: General Business Administration 340.

451-4 Labor Relations Law and Collective Bargaining. An analysis of labor relations legislation and the complex interrelations of management, employees, and labor unions, as well as of collective bargaining contracts, their scope, enforceability, and significance to labor relations. Cases and reports incorporated. Prerequisite: General Business Administration 340.

452-4 Advanced Problems in Personnel Administration. Analysis of special problems of personnel administration in periods of rapid technological change. Case problems and reports are used to emphasize such pertinent areas as wage and salary administration, automation, unemployment, training, productivity, and the administration of technical and scientific personnel. Prerequisite: 450.

Philosophy

302-4 World Religions. A historical and comparative study of the principal religions of the world. Particular attention is given to such non-Christian faiths as Hinduism, Buddhism, and Islam.

385-20 (4,4,4,4,4) History of Western Philosophy. (a) Greek and Roman. (b) Medieval and Renaissance. (c) Classical Modern (17th and 18th centuries). (d) 19th Century. (e) 20th Century.

495-2 to 12 Independent Readings. Independent study in philosophy on a tutorial basis. Prerequisite: consent of instructor and chairman.

Physical Education

350-4 Methods and Materials for Teaching Physical Education Activities in the Elementary School. The organization and conduct of the program, program planning, evaluation of materials, observation and practice in creative rhythms, singing games, folk dancing, and games of low organization. (Required for elementary education.)

502-4 Foundations of Motor Skills. Application of physiological, kinesiological, and mechanical principles to intelligent control of large-muscle activities. Recommended background: a course in kinesiology.

503-4 Seminar in Physical Education. The course content and its procedures center around group discussions of controversial issues that currently exist in physical education and provide opportunities for practice in seeking unbiased solutions to professional problems.

525-2 to 6 Readings in Physical Education. Supervised reading in selected subjects. Prerequisite: consent of instructor and chairman of department. Open only to last-quarter seniors and graduate students.

Physics

530-9 (3,3,3) Electromagnetic Theory. Maxwell's Formalism of classical

electromagnetism, application of electrostatics, magnetostatics, electrodynamics and radiation problems. Prerequisite: 305.

Production

461-4 Methods Design and Work Measurement. Design of work systems, methods, and the techniques employed in the measurement of work. Emphasizes current philosophy underlying improvement of work methods and procedures used to measure work performed. The course covers four major areas: methods design, standardizing the operation, work measurement, and training the operator. A number of projects correlating with the course material are assigned. Prerequisite: 460.

Psychology

301-4 Child Psychology. A study of the biological and psychological development of the child from birth through puberty, and of relevant research methods and results. Prerequisite: GSB 201c.

305-4 Introduction to Personality Dynamics. Exploration of human motivations, personality patterns, and ways of coping with the stresses of modern life. Prerequisite: GSB 201c.

311-4 Experimental Psychology: Learning. Investigates the processes governing behavioral change. Emphasizes experimental studies of conditioning, memory, and forgetting. Laboratory work includes the design and conduct of experiments with humans and animals. Lecture and laboratory. Prerequisite: 211a,b.

409-4 History and Systems. Study of the important antecedents of contemporary scientific psychology. Considers issues, conceptual developments, and research advances, and presents the major schools and systems. Prerequisite: signed consent of psychology adviser.

440-4 Theories of Personality. A review and critical evaluation of major personality theories and their supporting evidence. Prerequisite: 305 or consent of instructor.

465-4 Group Dynamics and Individual Behavior. Examination of research and theory in the area of small-group interaction. Examines such topics as group structure and function, group problem-solving, leadership, etc. Prerequisite: 320 or consent of instructor.

473-4 Personnel Psychology. Psychological methods in selection, placement, evaluation, and criterion development. Emphasis is on principles and techniques with some examples of application to decision making in business and industry. Prerequisite: 320 or consent of instructor.

490-1 to 4 Independent Projects. Independent readings and projects in psychology. Prerequisite: consent of instructor and chairman.

501-12 (4,4,4) Proseminar in General Psychology. Basic conceptual and methodological problems in the study of behavior. (a) History and systems of psychology, philosophy of science, scientific methodology, behavior theory. (b) Acquisition of behavior, sensory and perceptual processes, motivation and emotion. (c) Personality and individual differences, new conceptual and methodological developments and trends. To be taken in sequence. Prerequisite: consent of instructor. Open to students in other areas by arrangement with chairman.

521-4 Research Design and Inference II. Design and analysis of factorial experiments including analysis of variance models, analysis of covariance, and of Latin square design. Prerequisite: 520.

530-4 Personality Theory and Dynamics. Intensive treatment and critical analysis of several representative approaches to personality. Consideration also of important personality concepts common to most theoretical approaches. Prerequisite: consent of instructor.

541-6 to 8 (4, 2 to 4) Psychodiagnostics I. Introduction to clinical psychology with attention to the function and clinical use of individual intelligence tests. Theories of intelligence and related research. Age scales with emphasis on infant and child testing. Point scales and tests of deterioration with emphasis on child and adult testing. Lecture and practicum. Prerequisites: 520 and consent of instructor.

590-1 to 16 Readings in Psychology. Readings in selected topics in psychology under staff supervision. Prerequisite: consent of chairman.

591-1 to 36 Research in Psychology. Research under staff supervision in selected areas of psychology. Prerequisite: consent of the chairman.

593-1 to 18 Practicum in Psychology. Practicum experience in a professional setting is offered under staff supervision in the following areas: (e) Clinical Psychology, (f) Counseling Psychology, (h) Industrial Psychology, (j) Child Psychology, (k) Community Health Psychology, (l) Teaching of Psychology.

Quantitative Methods

210-4 Probability in Decision Making. Introduction to certain modern

mathematical concepts and methods applicable to business decisions including probability, probability distributions, and elements of calculus. Prerequisite: GSD 114d.

211-4 Statistical Analysis for Business Decisions. A further exploration of statistical concepts as applied to business situations including analysis of variance, multiple regression analysis, and non-parametric statistics, under conditions of uncertainty. Prerequisite: 210.

310-4 Operations Research for Managers. An introduction to the body of analytical techniques comprehended by the phrase "operations research" with emphasis upon their application to business situations. Includes an introduction to matrix algebra and its use in linear programming. Prerequisite: 211.

511-4 Quantitative Methods for Decision-Making. Modern mathematical techniques applicable to business problems. Methods include set theory, finite mathematics, and calculus. Restricted to Master of Business Administration students.

Rehabilitation

519-2 Selection, Placement, and Follow-up. A survey of current methods and criteria used in job development, selective placement, and follow-up of handicapped and deprived individuals. Prerequisite: consent of instructor.

531-2 Vocational Appraisal. Consideration of tests and procedures used in assessing the individual's functioning abilities and the meaning work has in achieving fulfillment, which also includes the requirements of the job for purposes of aligning the two. Prerequisite: 511 or consent of instructor.

580-1 to 6 Practicum in Rehabilitation Services. Familiarization with the functions of various rehabilitation settings through observation and participation in those activities—usually one day per week. Prerequisite: consent of instructor.

585-1 to 16 Practicum in Rehabilitation Counseling. Practice in developing counseling skills under close supervision in a variety of settings. Prerequisites: Guidance 537a and consent of instructor.

Sociology

372-4 Criminology. The nature of crime; criminal statistics; causal factors; theories and procedures in prevention and treatment. Prerequisite: consent of instructor.

Vocational-Technical Institute

CCS 103-2 Child and Nutrition. Nutritional needs of the young child. The establishment of good food habits. The individual child and his feeding behavior.

CCS 115-2 Art and Music. Creative arts materials suitable for the preschool child and methods of presentation. Appropriate musical instruments and experiences. Development of projects; their presentation and evaluation in preschool centers.

CCS 203-3 Parent and Community. Through contacts, both individual and group, the student experiences ways of working with the parents of children under seven. Some focus is given to the relationship of community agencies to educational centers and parents. Prerequisites: 101, 109, or consent of adviser.

Southern Illinois University
Bulletin

Schedule of Classes, Spring Quarter, 1969
Carbondale Campus

This Bulletin

contains the schedule of classes to be offered by the Carbondale Campus for the spring quarter, 1969, at Carbondale, Southern Acres, and Little Grassy Lake. It also provides information relative to admission, advisement, registration, and fees. It supersedes volume 10, number 11.

Schedule of Classes

Spring, 1969

Carbondale Campus

Registration Calendar, Spring, 1969

January 20–March 12.

Advance registration period for all undergraduate students. New students should refer to the Advisement and Registration procedure on page 1 for further procedural information. *All continuing undergraduate students are expected to be registered by March 12.*

January 20–April 1.

Registration period for graduate students.

March 14.

Undergraduate students will have their advance registration cancelled if fees are not paid at the Bursar's Office by 4:00 P.M. on this date unless they have received approval for deferred payment.

March 26.

Last day of regular registration period for undergraduate students. Only new and re-entering students will be advised and registered. *All undergraduate students are expected to have completed registration by this date.* Any exceptions will involve late registration fee charges. Spring quarter begins. Night classes (5:45 P.M. or later) begin.

March 27, 28.

Program change processing only. Day classes begin on March 27.

March 29–April 1.

Late registration period for undergraduate students. Late fee will be assessed. Program changes will be made by appointment.

April 1.

Registration for the Spring quarter ends for both graduate and undergraduate students. This also includes the registration into new courses or the changing of sections through the program change process.

April 8.

Deadline for payment of fees by students whose fees were deferred. Graduate student registration will be cancelled if fees are not paid by 4:00 P.M.

April 8.

Last day officially to withdraw from school to be eligible for a refund of fees.

April 22.

Last day for undergraduates to officially withdraw from a course without receiving a letter grade. Graduate students officially dropping a course after this date need not be given an evaluative letter grade. Last day to change from credit to audit or vice versa for all students.

May 23.

Last day for making a program change or withdrawing from school except under exceptional circumstances.

Calendar of Events

March

- 28, Friday. Registration closes for the National Teachers Examination to be held April 12, 1969
- 29, Saturday. Registration closes for the Admission Test for Graduate Study in Business to be held April 12, 1969

April

- 5, Saturday. Graduate English Examination
- 7, Monday. Registration closes for Dental Aptitude Test to be held April 26, 1969
- 8, Tuesday. Registration closes for Graduate Record Examination to be held April 26, 1969
- 12, Saturday. ETS Graduate Foreign Language Examination
- 12, Saturday. * Admission Test for Graduate Study in Business
- 12, Saturday. * National Teachers Examination
- 12, Saturday. * Law School Admission Test
- 19, Saturday. Registration closes for College Entrance Examination Board to be held May 3, 1969
- 26, Saturday. * Dental Aptitude Test
- 26, Saturday. * Graduate Record Examination
- 26, Saturday. * American College Testing Program (National)

May

- 3, Saturday. * College Entrance Examination Board
- 3, Saturday. Registration closes for the Dental Hygiene Aptitude Test to be held on May 17, 1969
- 7, Wednesday. Deadline to file at Registrar's Office for June graduation (graduate and undergraduate).
- 17, Saturday. * Dental Hygiene Aptitude Test
- 21, Wednesday. Last day graduate students may submit their thesis, dissertation, or research report to the Graduate School to be eligible for June graduation.

* Please note that pre-registration is required. For details as to registration procedure, contact the Counseling and Testing Center at least four weeks prior to the test date.

University Calendar

<i>SPRING, 1969</i>	Quarter Begins	Wednesday, March 26 *
	Memorial Day Holiday	Friday, May 30
	Final Examinations	Wednesday–Tuesday, June 4–10
	Commencement (Edwardsville)	Tuesday, June 10
	Commencement (Carbondale)	Wednesday, June 11
<i>SUMMER, 1969</i>	Quarter Begins	Tuesday, June 17 *
	Independence Day Holiday	Friday, July 4
	Final Examinations	Monday–Friday, August 25–29
	Commencement (Edwardsville)	Friday, August 29
	Commencement (Carbondale)	Saturday, August 30
<i>FALL, 1969</i>	New Student Week	Sunday–Tuesday, September 21–23
	Quarter Begins	Wednesday, September 24 *
	Faculty Meeting (Carbondale)	Saturday, October 4
	Homecoming (Carbondale)	Thursday– Saturday, October 23–25
	Homecoming (Edwardsville)	Thursday– Saturday, October 30–November 1
	Parents' Day	Saturday, November 15
	Thanksgiving Vacation	Tuesday, 10 P.M.– Monday, 8 A.M., November 25–December 1
	Final Examinations	Monday–Saturday, December 15–20
	Quarter Begins	Monday, January 5 *
	Final Examinations	Monday–Saturday, March 16–21
<i>SPRING, 1970</i>	Quarter Begins	Monday, March 30 *
	Memorial Day Holiday	Friday, May 29
	Final Examinations	Monday–Saturday, June 8–13
	Commencement (Carbondale)	Friday, June 12
	Commencement (Edwardsville)	Saturday, June 13

* Classes begin with the evening classes after 5:30 P.M. on the Carbondale campus and with the evening classes after 4:30 P.M. on the Edwardsville campus.

1 / General Information

This bulletin contains the schedule of classes for the spring quarter, 1969, for the Carbondale Campus. It also provides information relative to advisement and registration, fees, and allied information for the Carbondale Campus.

Admission

Inquiries concerning undergraduate admission to the Carbondale Campus should be directed to the Admissions Office; those on the graduate level to the Graduate School. Undergraduate admission applications should be completed at least thirty days in advance of the desired entrance date.

Registration and Advisement

The Carbondale Campus uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Undergraduate students entering the University for the first time will receive selective dates from the admission process from which they are to select the preferred date on which they will come to the campus to be advised and to advance register. This includes both freshmen and transfer students. They are not to write for appointments nor are they to come to Carbondale expecting to register unless it is the date indicated for them to do so.

Graduate students will initiate advisement with their advisers, and will complete the registration process at the Graduate School, where all registration forms will be completed and retained. Graduate students will not be required to go through the Registration Center. The sectioning process is handled at a later time, and the student receives a fee statement by mail. Cancellation of graduate student registrations for non-payment of fees occurs at the end of the second week of the quarter. Graduate students may register during the advance registration period or during the first week of the quarter. No late fee will be assessed during this period. Graduate students who need to make program changes must follow the same procedure as undergraduate students in that these must be personally processed by the graduate students through the Registration Center.

After advisement the student may register for classes. See the registration calendar in this bulletin. Ordinarily registration offices

are open from 8:00 to 11:30 A.M. and 1:00 to 4:30 P.M., Monday through Friday, and from 8:30 to 11:30 A.M. on Saturday.

During the registration process the student goes through the Registration Center where the assignment is made to specific sections of the courses he is to take.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Registrar's Office.

New graduate students may register during the registration periods indicated on the registration calendars. Arrangements should be cleared with the Graduate School to do so to assure that the appropriate adviser will be available.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing readmission procedures (Admissions Office for undergraduate students and Graduate School for graduate students) advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale Campus

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major area of concentration is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students preparing for a degree program should contact the departmental adviser for pre-advisement. Unclassified graduate students in other categories may report directly to the Graduate School for registration procedure. Unclassified students who are planning to take qualifying courses must report those courses to the Graduate Admissions office *before* registering each quarter.

Current Students, Edwardsville Campus

Undergraduate students attending the Edwardsville Campus who plan to attend the Carbondale Campus must initiate their registration process by presenting to the Admissions Office at Carbondale either an official transcript of their University record or a letter of good standing from the registrar at the Edwardsville Campus. The reason for reporting to the Admissions Office is to permit the necessary coding changes to be made so that pertinent information about their academic programs, etc., can be up-dated to reflect the change of campus. Graduate students report first to the Graduate School.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this Schedule. If students pay fees in person at the Bursar's Office they receive a Certificate of Registration at that time. When fees are paid by mail the Certificate will be mailed to the address given by the student on the back of his fee statement. Students will receive their printed schedule of classes within one week after the cancellation date. It is important that these forms be carried by the students at all times.

Undergraduate students registering at the start of a quarter must pay fees at the time of registration.

Undergraduate students advance registering may have their fees deferred provided the total amount of fees payable is \$35 or more. This is done through the Office of Student Work and Financial Assistance. Students attempting to do this via mail must do so several days prior to the fee deadline and must include their Fee Statement with the written request for deferment.

Graduate students receive their fee statements by mail and must clear their fees at the Bursar's office by 4:00 P.M. on the last day of the second week of the quarter. For the 1969 spring quarter this is April 8.

Fees for A Regular Quarter

The University reserves the right to change fees and to have the change go into effect whenever the proper authorities so determine. Undergraduate students pay the following regular fees:

	Not more than 5 hrs.	More than 5, less than 11	11 or more
Tuition Fee—Illinois Resident	\$14.00	\$28.00	\$42.00
Tuition Fee—Out of State Resident ..	(30.00)	(115.00)	(172.00)
Student Welfare and Recreation			
Building Trust Fund Fee	5.00	10.00	15.00
Book Rental Fee	3.00	6.00	8.00
Student Activity Fee	3.50	7.00	10.50
University Center Fee	5.00	5.00	5.00
Athletic Fund Fee	3.00	6.50	10.00
<i>Total—Illinois Resident</i>	<i>\$33.50</i>	<i>\$62.50</i>	<i>\$90.50</i>
<i>Total—Out of State Resident</i>	<i>(49.50)</i>	<i>(149.50)</i>	<i>(220.50)</i>

Students who register for a course for “Audit” or for a non-credit course will be assessed fees according to the imputed hours of that course. “Imputed hours” is generally the number of hours the class meets per week.

Graduate students do not rent their textbooks and do not pay the book rental fee. They must purchase their books.

Students having special fee status, such as scholarship holders, faculty, and staff, will pay fees according to their particular status.

The activity fee is prorated according to the number of hours carried. Health Service benefits vary according to the amount paid. In certain instances graduate assistants, research assistants, graduate fellows, or students on fee code 27 may seek permission from the health service to pay the full activity fee even though they are only part time students. Written consent from the Health Service must be presented at the time of registration so that the student may be properly assessed.

Registering for Only Night or Saturday Classes

Students registering for only night and/or Saturday classes may advance register, during regular office hours, the same as other students. Registration offices are also open the first night of each quarter, and the first Saturday morning of each quarter for the convenience of these students.

Late Registration

A late registration fee will be charged continuing undergraduate students who do not advance register. New and re-entry undergraduate students will be charged this late fee after the first day of the quarter. Graduate students will be charged a late fee after the first week of the quarter.

Auditing of Courses

Students may register for courses in an “audit” status. They receive no letter grade and no credit for such courses. An auditor’s registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Registrar’s Office. Students registering for a course for credit may change to an audit status or vice versa only for fully justified reasons and only during the first four weeks of a quarter. Such a change will require the student’s academic dean’s approval.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom can be made only after fees are paid and must be made through an official program change, which includes the following steps:

1. **Initiating the change.**

Students report to their advisers for approval and Program Change form completion. Graduate students must also secure approval from the Graduate School. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of securing adviser approval.

2. **Sectioning.**

Students must take the program change form to the Registration Center after approval by the adviser. If the change involves a program change fee this must be paid at the Bursar’s Office and then returned to the Registration Center for completion of the process.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done during the first week of a quarter.

Dropping a Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course by an undergraduate student without receiving a letter grade is the last day of the fourth week of a quarter. Graduate students may not necessarily receive a grade for dropping after the fourth week. (Refer to Registration Calendar.)

Changing Fee Status

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees

when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a quarter in which students withdrawing from the University are eligible for a refund. This is usually during the first ten days. For dates refer to the Registration Calendar.

Withdrawing from School

A student who finds it necessary to withdraw from school while the quarter is in progress must report to the Student Affairs Office to initiate official withdrawal action. No withdrawal will be permitted during the last two weeks of a quarter except under exceptional conditions. A refunding of fees is permitted only if a withdrawal is officially completed within the first two weeks of a quarter and if the application for a refund is received in the Registrar's Office within two weeks following the last regular registration period. See the Registration Calendar in this bulletin for the specific dates concerning withdrawal and refunding of fees.

A student who advance registers, including paying of fees, and then finds that he cannot attend school must also officially withdraw from school. He may do this by asking the Student Affairs Division to initiate official withdrawal action for him. This must be done by the end of the first two weeks if he expects to get a refund.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Registrar by the Dean of Students.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items which may require some type of verifying evidence, are changed by reporting to the offices listed below.

1. Local Address Change. Housing Office.
2. Names Changes, Marital Status Changes, Date of Birth Changes. Records section of the Registrar's Office. Verification is required.
3. Selective Service Data Changes or Information. Enrollment, Fiscal Reports, Registrar's Office.
4. Legal Residence Changes (whether an Illinois or out-of-state resident). Must be requested by completion of the *Application to be Classified an Illinois Resident* form in the Registrar's Office. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.

2 / Schedule of Classes

Listing of Courses

Courses which students are to take to meet the General Studies requirements are listed in the front part of the Schedule of Classes. These courses are listed by the area which they satisfy and within the area by course number and section number.

Departments in which courses are being offered are listed in alphabetical order. Courses within each department are listed in order by course number and section number.

Course Numbers and Hours

The line containing this information shows the number of the course first, followed by the short title and number of hours of credit. Course numbers are three-digit numbers. In some cases the three digits may be followed by a letter which is also part of the course number.

In a variable-hour course the student decides the number of hours for which he is going to register in consultation with his adviser.

The course numbering system is as follows:

- 000-099 Course not properly in the following categories
- 100-199 For freshmen
- 200-299 For sophomores
- 300-399 For juniors and seniors
- 400-499 For seniors and graduate students
- 500-600 For graduate students only

Prerequisite

The prerequisite column lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same department, indicated by a course number. A prerequisite in another department is indicated by the department's code letters and the number.

The listing of prerequisites provides ready information for students. An effort has been made to have the listing complete, but this is not guaranteed. For the official listing of course descriptions and prerequisites, consult the Undergraduate Catalog, Carbondale, or the Graduate School Catalog.

Section Number, Time, and Days

The section number is indicated in the first column. The times given indicate the beginning and ending of each class period. Students registering for courses listed as "to be arranged" may obtain times and days from instructor indicated or, if no instructor is listed, from the department chairman offering the course.

The letter *T* preceding a section number indicates that the section has been tentatively scheduled and may be opened at a later date.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated in the schedule by a four digit number.

If a building contains more than one classroom, then the number of the room follows the building's code name.

CODE:	BUILDING NAME	CODE:	BUILDING NAME
A:	Allyn Building	OBf:	Old Baptist Foundation
Abbott:	Abbott Hall (T.P.)	Office:	Office of the department

Explanation of Entries

The entry for each course is arranged as follows:

First Line: The course's identification number is followed by the short title and the number of quarter hours of credit.

Second Line: The prerequisite (if applicable).

Section-Number Lines: The first column lists section numbers for courses offered fall quarter. Following each section number are the time the class begins and the time it ends. The days on which the class meets, the place where it meets, and the instructor's last name complete the entry.
